

Vision Care Rider

Preferred Option

Blue Cross and Blue Shield
of New Mexico

This *Vision Care Rider* is made part of, and is in addition to any information you may have in your Blue Cross and Blue Shield of New Mexico (BCBSNM) member benefit booklet or any previous vision care rider, endorsement, or amendment you may have received. BCBSNM underwrites this *Vision Care Rider* and has partnered with Davis Vision®, Inc., also referred to as the “vision care plan administrator.” Davis Vision provides customer service and claims administration services to members enrolled in the Preferred vision care plan. The relationship between BCBSNM and Davis Vision is that of independent contractors. Through our arrangement with Davis Vision, your employees will have access to Davis Vision’s extensive network of vision care providers.

This *Vision Care Rider* provides information about coverage for the routine vision care services outlined below, which are specifically excluded under your medical/surgical health care plan. **(Services that are covered under your medical/surgical plan are not covered under this *Vision Care Rider*.) All provisions in the medical plan booklet apply to this *Vision Care Rider* unless specifically indicated otherwise below.**

Under this Preferred plan, you have out-of-network coverage for an eye exam **only**. **Vision materials must be purchased from an in-network provider in order to receive a discount.** Also, none of the services and products covered under this *Vision Care Rider* count toward medical/surgical plan deductibles or to any annual or lifetime maximums or out-of-pocket limits under the medical/surgical plan.

Definitions

Benefit Period – For purposes of this *Vision Care Rider*, a period of time that begins on the later of: 1) the member’s effective date of coverage under this *Vision Care Rider*, or 2) the last date a vision examination was performed on the member, whichever is applicable. (A benefit period does not coincide with a calendar year and may differ for each covered member of a group or family.)

Provider – For purposes of this *Vision Care Rider*, a licensed ophthalmologist or optometrist operating within the scope of his or her license or a dispensing optician. An “in-network” provider is a provider who has contracted with the vision care plan administrator, Davis Vision. An “out-of-network” provider has not contracted with Davis Vision (even if such provider is contracted with BCBSNM to render covered services under your medical/surgical health care plan).

Vision Examination – A vision testing exam, including a determination as to the need for correction of visual acuity and prescribing lenses, if needed, that is performed by a licensed physician or optometrist who is operating within the scope of his/her license. A vision examination (including dilation, if necessary) includes but is not limited to the following procedures:

- case history, including chief complaint and/or reason for visit, patient medical/eye health history, and record of current medications; record of visual acuities with/without present correction, if applicable
- pupil responses, external exam findings, internal exam findings, screening of visual fields perception
- present prescription
- retinoscopy (when applicable), subjective refraction at far and near point
- binocular and ocular mobility testing
- test of accommodation and/or near point refraction

BCBSNM is a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.

- tonometry, to include pressures, time of day, and type of instrument used (a reasonable attempt at tonometry or equivalent testing will be made unless, in the physician's professional opinion, tonometry is contraindicated)
- diagnosis/prognosis and/or specific recommendations

Vision Materials – Corrective lenses and/or frames or contact lenses.

Eligibility

When dependents are added to or terminated from an employee's medical/surgical plan, the same enrollment changes are made to coverage under this *Vision Care Rider*. **Note:** Once coverage is lost under the medical/surgical plan, all benefits cease under this *Vision Care Rider*. Extension of benefits due to disability, state or federal continuation coverage, and conversion option privileges are **not** available under this *Vision Care Rider*. You may verify your eligibility under this plan by visiting the Davis Vision Web site and printing an enrollment confirmation notice or you may call Davis Vision Member Services at the phone number on the bottom of each page of this rider.

Limitations and Exclusions

In addition to the general limitations and exclusions listed in your medical/surgical plan benefit booklet, this *Vision Care Rider* does not cover services or materials connected with or charges arising from:

- orthoptic or vision training, subnormal vision aids, and any associated supplemental testing
- aniseikonic lenses
- medical and/or surgical treatment of the eye, eyes, or supporting structures
- any eye or vision examination, or any corrective eye wear required by an employer as a condition of employment, and safety eyewear
- plano nonprescription lenses or nonprescription sunglasses (except for 20 percent discount for materials purchased from an in-network provider)
- services covered under your medical/surgical plan
- replacement of lost, stolen, damaged, or broken materials
- more than one examination in each successive 12-month benefit period
- vision materials purchased from an out-of-network provider or services of unlicensed personnel

How the Preferred Vision Care Plan Works

Under the Preferred vision care plan option, you may visit any covered provider and receive benefits (as listed on the "Summary of Preferred Benefits") for a vision **examination**. In order to receive discounts for covered **vision materials**, however, you must purchase them from **an in-network provider at the set discounted fees listed herein**. (An "in-network" provider is one who contracts with Davis Vision to provide services covered under this *Vision Care Rider* to enrolled members. Providers who contract with BCBSNM are not considered "in-network" for purposes of this *Vision Care Rider*, unless he/she also contracts with Davis Vision.)

Before you go to an in-network vision care plan provider for an eye examination, eyeglasses, or contact lenses, please call ahead for an appointment. When you arrive, show the receptionist your BCBSNM health care plan or your vision plan identification card (the ID numbers should be the same). If you forget to take your card, be sure to say that you are a member of the BCBSNM Preferred vision care plan so that your eligibility can be verified.

To locate an in-network vision care provider, visit Davis Vision's Web site at **www.davisvision.com** and use the convenient "Find a Doctor" feature, or call 1-877-393-2393 to obtain a list of the in-network vision care plan providers nearest you.

You may receive your eye examination and eyeglasses/contacts on different dates or through different provider locations, if desired.

Fees charged for services other than a covered vision examination or discounted vision materials, and amounts in excess of those payable under this *Vision Care Rider*, must be paid in full by you to the provider, whether or not the provider participates in the vision care plan network. Benefits under this

Vision Care Rider may not be combined with any discount, promotional offering, or other group benefit plans. Allowances are one-time use benefits; no remaining balances are carried over to be used later.

Claims Filing and Appeal Procedures

In-Network Vision Services

When you receive vision services at an in-network vision plan provider location, you will **not** have to file a claim form. At the time services are rendered, you will pay for the services or eyewear at the fixed discounted fee (or “copayment”) noted herein. You will also owe state tax, if applicable, and the cost of noncovered expenses (for example, vision perception training).

You can obtain a claim form from a Davis Vision Member Services Representative or at www.davisvision.com. Be sure to fill out the claim form completely.
