A Guide to Your Health Care Providers  
Revised January 2007

[www.bcbsnm.com](http://www.bcbsnm.com)

**Blue Cross and Blue Shield  
of New Mexico**

A Division of Health Care Service Corporation, a Mutual Legal Reserve Company,  
an Independent Licensee of the Blue Cross and Blue Shield Association.

# National Committee For Quality Assurance (NCQA) Accreditation

For the second time in a row, effective August 12, 2005, BCBSNM received a **"Full Accreditation"** for its BlueChoice PPO plan. Full Accreditation is granted to those PPO plans that have excellent programs for continuous quality improvement and meet NCQA's rigorous standards.

NCQA is an independent, not-for-profit organization dedicated to measuring the quality of America's health care. The NCQA Accreditation provides purchasers and consumers with an unprecedented ability to evaluate the quality of different health plans along a variety of important dimensions, and to make their health plan decisions based on demonstrated value rather than simply on cost.

NCQA Accreditation criteria include:

- **Access and Service** Do health plan members have access to the care and services they need?
- **Qualified Providers** Does the health plan assess each doctor's qualifications and what health plan members say about its providers?
- **Staying Healthy** Does the health plan help members maintain good health and detect illness early?
- **Getting Better** How well does the health plan care for members when they become sick?
- **Living with Illness** How well does the health plan care for members when they have chronic conditions?

# Notes

# Welcome to the Preferred Provider Network

Welcome to the Blue Cross and Blue Shield of New Mexico (BCBSNM) Preferred Provider Organization (PPO) Network. As a PPO member, you are part of the largest PPO network in New Mexico. This means you receive maximum health care benefits without giving up your freedom to make choices. With the PPO network, you can choose from more than 44 hospitals, including a large teaching hospital, and from more than 8,000 health care providers. What's more, you do not need a referral to see any physician in the network. This means it is easy for you to find the health care providers you need when you need them.

When you use PPO hospitals and providers, you receive maximum benefits and reduce out-of-pocket costs. To make sure that your provider charges you properly, always show your BCBSNM identification card prior to receiving care.

## **January 1, 2004 Provider Network Changes Affecting Members Living Within the Counties of Bernalillo, Sandoval, Torrance, or Valencia**

Effective January 1, 2004, Presbyterian Healthcare Services (PHS) and Presbyterian Medical Group (PMG) are no longer contracted with Blue Cross and Blue Shield of New Mexico for the counties of Bernalillo, Sandoval, Torrance, and Valencia. The PHS and PMG providers practicing in any of the affected four counties will be identified in the Geographic Listing with the "➤" symbol next to the provider name. Refer to the "Finding a Provider" section to see an example.

Members may continue to see Albuquerque-area PHS and PMG providers at a reduced benefit level for most covered services although some benefits are available only from a contracted provider. Refer to your summary of benefits or benefit booklet for information on non-contracted or out-of-network providers; or call customer service at the number on the back of your ID card.

## **January 1, 2004 Provider Network Changes Affecting Members Living Outside Bernalillo, Sandoval, Torrance, or Valencia Counties**

For members living outside the four counties, the PHS and PMG providers will continue to be considered in-network for specialty care services. Refer to the section in this directory titled "PHS and PMG In-Network Access Zip Codes Listing" to determine if your residence is outside the four-county area affected by the PHS and PMG contract termination. The PHS and PMG termination **does not** include PHS facilities and associated physicians **outside** the four-county area or when specialty care can be provided only at Presbyterian Hospital in Albuquerque.

## **Directory Updates**

Because we are continually working to expand the PPO network, affiliations with hospitals and provider can change over time. You are urged to check with your providers before undergoing treatment to confirm their PPO status and hospital affiliation. You can also call the customer service department at the toll free telephone number listed on the back of your BCBSNM ID card.

## **We're also on the Web!**

You can locate a convenient PPO provider via our Web site, [www.bcbsnm.com](http://www.bcbsnm.com). Click on "Provider Directory" to search by name, specialty, or location. Still, you are encouraged to check PPO status with your provider prior to receiving services, or call the customer services department at the toll free number on the back of your ID card.

# Introduction - continued

## Finding a Provider

This directory can help you choose a physician or hospital by identifying those who participate in the BCBSNM PPO network. You can also use this directory as a reference to make sure your provider or hospital participates in the network. Remember, the fact that a provider is listed in this directory does not make services received from that provider automatically eligible for benefits. Services must be medically necessary and covered under your health plan in order to be eligible for any Plan benefits. The directory is organized by these provider classifications:

- Hospitals and Urgent Care Facilities
- Primary Care Groups and Clinics
- PPO Medical/Surgical Providers
- Primary Care Providers such as Certified Nurse Practitioners
- Allied Health Practitioners such as Chiropractors, Acupuncturists, Podiatrists, etc.
- Ancillary Services such as Durable Medical Equipment (DME) Providers, Home Health Providers, etc.
- Preferred Mental Health Network
- Pharmacy Network

Each classification lists providers by specialty, alphabetically, within city:

➤ Denotes an out-of-network PHS/PMG provider for members living in the counties of Bernalillo, Sandoval, Torrance, and Valencia.

### State

City Name

County Name

---

### Specialty

#### ➤ Provider Name

Provider Number: NM001234

BlueLINK ID: 1234567

◆ SPECIAL NOTE (if any)

■ Languages the provider speaks  
(see last page for Provider Language Codes legend)

Group Practice Name

Street address, Zip

Telephone

The preceding **Geographic List** presents providers organized by state, county, city, specialty and finally alphabetically. You can find a provider any of three ways: by location, by specialty, or by provider name.

If a provider provides services in more than one geographic area, his or her name is repeated under each city where services are rendered. This makes it easy to pinpoint a provider near you. Note that providers may not participate in the PPO network at all locations where they practice. If a location does not appear in this directory, the provider may not participate in the PPO network at that location. Be sure to call your provider for complete information on participation and hospital affiliation or, you may call the customer services department at the toll free number on the back of your ID card.

The **Table of Contents** in the front of the directory can help a user quickly find a geographic listing. Two indexes in the back of the directory serve very specific purposes:

- The **Alphabetical Index** provides a quick reference when looking for a particular health care provider referenced by page number for complete information on the provider.

## Introduction - continued

- The **Providers by Specialty Index** provides a quick reference when looking for a particular health care provider practicing in a specific specialty.

### For Our Providers

Please remember to contact your **Network Services Department** if there are errors in this directory or to report a change in your physical or legal location. **Phone: 1-800-567-8540 or 505-837-8800.**  
**Fax: 1-866-290-7718 or 505-816-2688.**

The **Provider Service Unit** will take your calls concerning claims, eligibility, and benefits. They can be reached by calling **1-888-349-3706**, Monday through Friday from 8 a.m. to 5 p.m.

For Referrals or Prior Authorizations, call our Health Services Department or fax your request.  
**Phone: 1-800-325-8334 or 505-291-3585. Fax: 1-800-835-8704 or 505-237-5252**

### BlueLINK Information

BlueLINK is the Blue Cross and Blue Shield of New Mexico electronic voice response referral system. BlueLINK improves your access and promotes a paperless environment. The system will decrease the amount of information needed for each referral. The BlueLINK system requires minimal clinical information. Using your touch-tone telephone, you input an ICD-9 code for a diagnosis. While you are still on the phone, you receive a BlueLINK system confirmation number at the end of each transaction. **The BlueLINK system is available 24 hours a day, 7 days a week by calling 1-866-708-4917.**

### BlueCard PPO Program

As a Blue Cross and Blue Shield Plan BlueCard PPO member, you enjoy the convenience of carrying your membership card—The BlueCard. If your ID card has the “PPO in a suitcase” logo, then you know that your health care benefits are with you wherever you go. If you are:

- a member (or covered dependent) living outside the service area of your Blue Cross and Blue Shield Plan or,
- a member (or covered dependent) traveling on business or pleasure,

You may use a Blue Cross and Blue Shield BlueCard PPO provider to receive the advantages of PPO benefits and savings.

When you are out of town and become ill, or if you or a family member is living in another area and need to find information about a Blue Cross and Blue Shield BlueCard doctor or hospital, just call BlueCard Access at 1-800-810-BLUE (2583) to locate the nearest BlueCard doctor or hospital.

Show your membership card to any Blue Cross and Blue Shield BlueCard PPO doctor or hospital across the USA. You have plenty to choose from—PPO providers include more than 80% of all hospitals and physicians across the United States. When you visit a PPO doctor or hospital, you have no claim forms to file and no billing hassles.

Remember you are responsible for obtaining precertification/prior authorization from your Blue Cross and Blue Shield Plan. As always, in case of emergency, you should seek immediate care from the closest health care provider.

# Hospitals and Urgent Care Facilities

Facilities that provide inpatient and outpatient care such as hospitals, ambulatory surgical centers, and urgent care facilities.

# PPO Medical/Surgical Providers

Medical/Surgical Providers are professional physicians who have either MD or DO degree and are licensed to practice medicine. Included are General Practitioners (doctors who are licensed, but do not have residency training), as well as physicians who have had residency training in these medical specialties: Family Practice, Internal Medicine, Pediatrics, and Obstetrician/Gynecologists. Also included are Specialists who have taken additional training and provide specialty care. Examples include: Surgery, Allergy & Immunology, Anesthesiology, Cardiology, Dermatology, Gastroenterology, Ear, Nose & Throat (ENT), Endocrinology, Neurology, Nephrology (kidneys), Obstetrics/Gynecology, Ophthalmology (eyes), Orthopedics, Pulmonology (lungs), and Urology.

PPO Medical/Surgical Providers

# Primary Care Providers

Primary Care Providers are non-physician health care professionals such as Certified Nurse Practitioners who have had additional advanced training in providing primary care. They focus on the "whole person" and can coordinate your health care, including referrals.

## COMMUNITY SUPPORT

Good corporate citizenship is a cornerstone of the BCBSNM philosophy. Supporting our community is one of the five core values that drive the organization. From sponsorship of projects related to BCBSNM health initiatives to promoting employee volunteerism through the Blue ACE team, BCBSNM strives to be an active participant in community development. Some of the programs and projects that BCBSNM sponsored in 2004 include:

### Corporate Contributions & Blue ACE Team Volunteer Projects

- Aggie Scholarship Association
- Albuquerque Christian Children's Home
- Albuquerque Economic Development
- Albuquerque Healthcare for the Homeless
- American Cancer Society Making Strides Against Breast Cancer
- American Diabetes Association
