*Mesa Mental Health (MMH) Network is BCBSNM's third party behavioral health administrator for the PPO and HMO networks. The MMH behavioral health network is utilized based on the product level of benefit.				
**BCBSNM's pharmacy network is contracted through PrimeTherapeutics.				
Provider Type Descriptions				
Allied Health Practitioners includes non-physician health care practitioners such as podiatrists, optometrists, Certified Nurse Practitioners (CNPs), chiropractors, Certified Nurse Anesthetists (CRNAs), Physical Therapists (PTs), Occupational Therapists (OTs), speech therapists, nutritionists, acupuncturists (Doctors of Oriental Medicine in New Mexico), audiologists, and licensed midwives.				
Ancillary Services includes auxiliary or supplemental services such as diagnostic services (X-rays), home health services, physical therapy and occupational therapy facilities.				
Behavioral Health Facilities includes in-patient or out-patient psychiatric facilities.				
Behavioral Health Practitioners includes mental health professionals such as psychiatrists (MDs), psychologists, licensed counselors, and licensed social workers.				
Hospital Based Physicians includes anesthesiologists, critical care medicine, emergency medicine, pathologists, radiologists, and urgent care physicians.				
Hospitals include acute care hospitals, children's acute care hospitals and specialty hospitals.				
Other Providers includes nurse practitioners, Certified Nurse Specialists (CNS), Licensed Physician Assistants (PAs) and Registered Nurses (RNs).				
Primary Care Physicians includes Family Practice, Internal Medicine, General Practice, Pediatrics, and Obstetrics/Gynecology physicians.				
Primary Care Providers includes Certified Nurse Practitioners (CNPs) acting as PCPs in the following specialties: Family Practice, Internal Medicine, General Practice, Pediatrics, and Obstetrics/Gynecology.				
Specialists includes physicians that provide specialty care. Examples include: Surgery, Allergy & Immunology, Cardiology, Dermatology, Gastroenterology, Ear, Nose and Throat, Endocrinology, Neurology, Nephrology, Obstetrics/Gynecology, Ophthalmology, Orthopedics, Pulmonology, Urology, etc.
