Blue Distinction is a special designation awarded to medical facilities by the Blue Cross and Blue Shield Association (BCBSA). These facilities, according to BCBSA's rigorous, evidence-based selection criteria, have demonstrated expertise in delivering quality health care in the following areas:

- Bariatric surgery
- Cardiac care
- Knee and hip replacement
- Complex and rare cancers
- Spine surgery
- Transplants

Blue Distinction®

A nationwide program, Blue Distinction helps consumers find the best possible quality of medical care and encourages health care providers and facilities to improve the quality and delivery of their care.

In the greater Albuquerque/Rio Rancho area, the UNM Cancer Research and Treatment Center, Heart Hospital of New Mexico, and Lovelace Westside Hospital have been named Blue Distinction Centers® for Specialty Care. To learn more about the Blue Distinction designation, visit the BCBSA website at bcbs.com/innovations/bluedistinction.

A Comprehensive Provider Network Statewide, Nationwide, and Worldwide

BCBSNM has more than 14,000 health care providers in its statewide network. And when you travel, our unique BlueCard and BlueCard Worldwide® programs let you take “in-network” discounts and access with you—across the nation and to more than 180 countries worldwide. In the U.S., 90 percent of hospitals and 80 percent of providers contract with Blue Cross and Blue Shield Plans.

Convenience isn't the only benefit of the BlueCard program. BlueCard also results in savings of 35 to 55 percent on billed charges. These savings are passed on to employers and members through lower claims costs. *During 2009, BlueCard saved BCBSNM employer groups and members more than \$174 million.*

For the most up-to-date list of contracted providers, go to bcbsnm.com and select **Find a Doctor** to access Provider Finder, our automated provider network search tool. You can search by network type, provider type, specialty, city, and zip code.
