

Blue Medicare PPO provider portal now available!

Blue Medicare PPO providers can use our new portal to verify Blue Medicare PPO member benefits and eligibility and check claims status and payment.

To use the portal, Blue Medicare PPO providers must have the following high-speed Internet access capabilities:

- An Internet browser that supports 128-bit encryption (Microsoft Internet Explorer 6.0 or greater is required)
- Best experienced in 800x600 or greater pixel screen resolution
- Best experienced when frames, graphics, and Java browser settings are enabled

Providers may [register now](#) or call Blue Medicare PPO provider Customer Service at **866-706-7745**.
