A message from

BLUE CROSS AND BLUE SHIELD OF NEW MEXICO AND YOUR GROUP

Welcome to the health care benefit plan for eligible Subscribers of your Group and their Eligible Family Members. This Plan is underwritten by Blue Cross and Blue Shield of New Mexico (BCBSNM), your partner in Health Care. Like most people, you probably have many questions about your coverage. This Benefit Booklet contains a great deal of information about the services and supplies for which benefits will be provided under your Plan. This booklet complies with all elements required of an Evidence of Coverage form. This booklet, including the endorsements and attached papers, if any, constitutes the entire contract of insurance. No change in this booklet shall be valid until approved by an executive officer of the insurance company and unless such approval and countersignature be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions. Please read your entire Benefit Booklet very carefully. We hope that most of the questions you have about your coverage will be answered.

We refer to our company as “BCBSNM” in this Benefit Booklet, and we refer to the company or association that you work for as your “Group.” *Section 10: Definitions* will explain the meaning of many of the terms used in this Benefit Booklet. Whenever the term “you” or “your” is used, we also mean all Eligible Family Members who are covered under this Plan. Whenever the term “we,” “us,” or “ours” is used, it means BCBSNM.

Please take some time to get to know your Health Care Benefit plan coverage, including its benefit limits and exclusions, by reviewing this important document and any enclosures. Learning how this plan works can help make the best use of your Health Care Benefits.

BCBSNM or your Group may change the benefits described in this Benefit Booklet. If that happens, BCBSNM or your Group will notify you of those mutually agreed upon changes.

If you have any questions once you have read this Benefit Booklet, talk to your benefits administrator or call us at the number listed on the back of your ID Card, or as listed in *Customer Assistance* on the inside front cover. It is important to all of us that you understand the protection this coverage gives you.

Thank you for selecting BCBSNM for your health care coverage. We look forward to working with you to provide personalized and affordable health care now and in the future.

Welcome to Blue Cross and Blue Shield of New Mexico! We are very happy to have you as a Member and pledge you our best service.

Sincerely,

Janice Torrez, President
Blue Cross and Blue Shield of New Mexico

If You Live Outside New Mexico

HMO-Participating Providers outside New Mexico and **Nonparticipating Providers** do not know what services need **Prior Authorization** under this Medical Plan, which is administered by BCBSNM. In these cases, it is your responsibility to make sure is obtained when needed. **Please make sure you are aware of Prior Authorization requirements in *Section 4: Utilization Management*.** You may be responsible for all charges if you or your Provider do not receive **Prior Authorization** from **BCBSNM** for certain services. **All questions about your Plan benefits should be directed to BCBSNM - not to the BCBS Plan in your state of residency.** **NOTE: This is a Managed Care Medical Plan that generally provides benefits ONLY for services received from a BCBS “HMO” (or HMO-Participating) Provider.** Under the Managed Care Plan, if you obtain non-Emergency services from a Nonparticipating (non-HMO) Provider, the services will usually NOT be covered. Exceptions to this requirement are listed in *Section 3: How Your Plan Works*. It is YOUR responsibility to determine if a Provider is in the national BCBS HMO-Participating Provider network.

- Always carry your current Plan ID Card issued by BCBSNM. When you arrive at the Provider's office or at the Hospital, show the receptionist your Plan ID Card.
- To find Doctors and Hospitals nearby, you may use the Internet, make a phone call, or request a hard copy of a directory from BCBSNM.
- Call BCBSNM (or the Behavioral Health Unit) for Prior Authorization, if necessary. The phone numbers are on your Plan ID Card.
- Please read this Benefit Booklet and familiarize yourself with the details of your Plan before you need services. Doing so could save you time and money.
- **In an Emergency, call 911 or go directly to the nearest Hospital.**

DEFINITIONS

Throughout this Benefit Booklet, many words are used that have a specific meaning when applied to your Health Care coverage. When you come across these terms while reading this Benefit Booklet, please refer to *Section 10: Definitions*, for an explanation of the limitations or special conditions that may apply to your benefits.

SUMMARY OF BENEFITS AND COVERAGE (SBC)

The Summary of Benefits and Coverage is referred to as the *Summary of Benefits* throughout this Benefit Booklet. The *Summary of Benefits* shows the specific Member cost-sharing amounts and coverage limitations of your Plan. If you do not have a *Summary of Benefits*, please contact a BCBSNM Customer Service Advocate (the phone number is at the bottom of each page of this Benefit Booklet). You will receive a new *Summary of Benefits* if changes are made to your Health Care plan.

IDENTIFICATION (ID) CARD

You will receive a BCBSNM Identification (ID) Card. The ID Card contains your "Group" number and your identification number (including an alpha prefix) and tells Providers that you are entitled to benefits under this Health Care plan with BCBSNM.

Carry it with you. Do not let anyone who is not named in your coverage use your card to receive benefits. If you need an additional card or need to replace a lost card, contact a BCBSNM Customer Service Advocate.

PROVIDER NETWORK INFORMATION

In order to receive benefits for non-Emergency services, you need to use Providers who are in the BCBSNM HMO-Participating Provider network. (You have coverage for Nonparticipating Provider services only during an Emergency or when Prior Authorization has been obtained due either Medical Necessity or lack of HMO-Participating Provider availability. Please refer to *Section 3: How Your Plan Works* for more information).

The Provider network information is available through the BCBSNM website at: www.bcbsnm.com. It lists all Providers and their qualifications in the BCBSNM HMO-Participating Provider network and Participating Pharmacies. (If you want a paper copy of a Provider network directory, you may request one from Customer Service. It will be mailed to you free of charge.) To verify a Provider's status or if you have any questions about the Provider network information directory, contact a Customer Service Advocate or visit the BCBSNM website.

If required by applicable law, BCBSNM's access plan is available upon request, free of charge electronically, but printed copies are subject to charges for reasonable production and, if applicable, delivery costs.

Attention Members: Please report directory errors. To suggest directory updates, such as a doctor is accepting new patients but the directory says they are not, please send an email to:

Provider_Directory_Changes_NM@bcbsnm.com. You can also call 1-877-269-1244.

DRUG PLAN BENEFITS

BCBSNM has Contracted with a separate pharmacy benefit manager to administer your Outpatient drug plan benefits. In addition to your Benefit Booklet, you will be sent important information about your drug plan benefits. See your separately issued *Drug Plan Rider* for more information about the drug plan.

BLUECARD® PROGRAM

As a Member of an HMO health plan administered by BCBSNM, you take your health plan benefits with you for Urgent Care Services – across the country and around the world. You do not need to see a BlueCard® Participating Provider to obtain Out-of-Network Emergency Care Services. The BlueCard® Program gives you access to HMO-Participating Providers almost everywhere you travel or live. More than 90 percent of all Hospitals and 80 percent of doctors in the United States contract with Blue Cross and Blue Shield (BCBS) Plans. You and your Eligible Family Members can receive the HMO-Participating Provider level of benefits – even when traveling or living outside of New Mexico – by using Health Care Providers that contract as HMO-Participating Providers with their local BCBS Plan. Instructions for locating an HMO-Participating Provider outside of New Mexico can be found on the BCBSNM website at www.bcbsnm.com.

- Be wary of mobile health testing labs. Ask what your health care insurance will be charged for the tests.
- Review the bills from your Providers and the *Explanation of Benefits* (EOB) you receive from BCBSNM. Verify that services for all charges were received. If there are any discrepancies, call a BCBSNM Customer Service Advocate.
- Be very cautious about giving information about your health care insurance over the phone. If you suspect fraud, contact the BCBSNM Fraud Hotline at 1-888-841-7998.
- You can also contact the Office of Superintendent of Insurance if you suspect fraud.

Working employees and their spouses age 65 and over may be entitled to the same benefits as those employees under age 65. (See "Medicare-Eligible Members," later in this section.)

IF YOUR EMPLOYER OFFERS RETIREE BENEFITS

If your employer's Plan also covers retirees, retirees under the age of 65 who meet the employer's eligibility requirements for Plan participation are also eligible. To be eligible for continued coverage in this Plan, the retiree must also be residing within the BCBSNM HMO Plan Service Area at least six months out of the year.

NOTE: If you are a retiree covered under this Plan, please contact your employer's benefits administrator for eligibility criteria applicable to you.

ELIGIBLE FAMILY MEMBERS

Covered family member, covered spouse, covered Domestic Partner, covered Child - An eligible spouse, eligible Domestic Partner, or Eligible Child (as defined below) who has applied for and been granted coverage under the Subscriber's policy based on his/her family relationship to the Subscriber.

Eligible Family Members - Family members of the Subscriber, limited to the following persons:

- the Subscriber's legal spouse;
- the Subscriber's Domestic Partner; (**NOTE:** Domestic Partner coverage is available at your employer's discretion. Contact your employer for information on whether Domestic Partner coverage is available for your Group.)
- the Subscriber's Eligible Child or the Eligible Child of the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners) through the end of the month in which the Child reaches age 26; (Once a covered Child reaches age 26, the Child is automatically removed from coverage - unless the Child is an Eligible Family Member under this Plan due to a disability as described below.)
- the Subscriber's unmarried Child or the unmarried Child of the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners) age 26 or older who was enrolled as the Subscriber's covered Child in this health plan at the time of reaching the age limit, and who is medically certified as disabled, chiefly dependent upon the Subscriber for support and maintenance, and incapable of self-sustaining employment by reason of his/her disability (Such condition must be certified by a Physician and BCBSNM. Also, a Child may continue to be eligible for coverage beyond age 26, only if the condition began before or during the month in which the Child would lose coverage due to his/her age. BCBSNM must receive written notice of the disabling condition within 31 days of the Child's attainment of the limiting age.) For additional detail, see "Disabled Children Continued Coverage," *Section 9: General Provisions*;
- the Subscriber's dependent student on Medically Necessary leave of absence.

Eligible Child - The following family members of the Subscriber are covered through the end of the month during which the Child turns age 26:

- natural or legally adopted Child of the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners);
- Child placed in the Subscriber's home for purposes of adoption (including a Child for whom the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners) is a party in a suit in which the adoption of the Child by the Subscriber or the Subscriber's spouse or Domestic Partner is being sought);
- stepchild of the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners);
- Child for whom the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners) must provide coverage because of a court order or administrative order pursuant to state law;
- eligible foster Child of the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners).

A Child meeting the criteria above is an "Eligible Child" whether or not the Subscriber or the Subscriber's spouse or Domestic Partner (provided your employer covers Domestic Partners) is the Custodial or noncustodial parent, and whether or not the Eligible Child is Claimed on income tax, employed, married, attending school or residing in the Subscriber's home, except that once the Subscriber or the Subscriber's spouse or Domestic Partner

is no longer a legal guardian of a Child or there is no longer a court order to provide coverage to a Child, the Child must be eligible as a natural Child, legally adopted Child, eligible foster Child, or stepchild of the Subscriber or the Subscriber's spouse or Domestic Partner in order to retain eligibility as a family member under this health plan.

A **Domestic Partner** is a person of the same or opposite sex who meets all of the following criteria:

- shares your permanent residence and has resided with you for no less than one year;
- is not less than 18 years of age;
- is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements: common ownership of real property or a common leasehold interest in such property; community ownership of a motor vehicle; a joint bank account or a joint credit account; designation as a beneficiary for life insurance or retirement benefits or under your partner's will; assignment of a durable power of attorney or health care power of attorney; or such other proof as is sufficient to establish financial interdependency under the circumstances of your particular case;
- is not a blood relative any closer than would prohibit legal marriage; and
- has signed jointly with you, a notarized affidavit which can be made available to BCBSNM on request.

In addition, you and your Domestic Partner will meet the terms of this definition as long as neither you nor your Domestic Partner has signed a Domestic Partner affidavit or declaration with any other person within 12 months prior to designating each other as Domestic Partners hereunder;

- is currently legally married to another person; or
- has any other Domestic Partner, spouse, or spouse equivalent of the same or opposite sex.

You and your Domestic Partner must have registered as Domestic Partners if you reside in a state that provides for such registration. In any case, if your employer allows coverage for Domestic Partners and their children, BCBSNM will require a notarized *Affidavit of Domestic Partnership* and at least three corroborating documents:

- joint lease/mortgage or ownership of property;
- jointly owned motor vehicle, bank or credit account (only one qualifies);
- Domestic Partner named as beneficiary of the employee's life insurance and/or retirement benefits, and/or as primary beneficiary under employee's will;
- Domestic Partner assigned as power of attorney or legal designee by the employee;
- both names on a utility bill and/or on an investment account.

The federal government does not recognize Domestic Partners as qualified Eligible Family Members and therefore, the premium paid for their coverage cannot be pre-tax. In addition, the employee must pay tax on the portion of the premium paid by the employer for the Domestic Partner and his/her covered children. Employees wanting to change benefit elections involving a Domestic Partner must adhere to the same rules regarding Special Enrollment Events.

Within 31 days of hire, you must submit all required forms to your benefits administrator. Once you have made an election during your initial enrollment period of 31 days from your date of hire, you are locked into that decision until the next annual open enrollment period.

BCBSNM may require acceptable proof (such as copies of income tax forms, legal adoption or legal guardianship papers, or court orders) that an individual qualifies as an Eligible Family Member under this coverage. Unless listed as an Eligible Family Member, no other family member, relative or person is eligible for coverage as a family member. Common-law spouses are not considered legal spouses; in order to be considered eligible for coverage, a common-law spouse must meet the definition of "Domestic Partner."

Information for Noncustodial Parents

When a Child is covered by the Plan through the Child's noncustodial parent, then the Plan will:

- provide such information to the Custodial parent as may be necessary for the Child to obtain benefits through the Plan;
- permit the Custodial parent or the Provider (with the Custodial parent's approval) to submit Claims for Covered Services with the approval of the noncustodial parent; and
- make payments on Claims submitted in accordance with the above provision directly to the Custodial parent, the Provider, or the state Medicaid agency as applicable.

MEDICARE-ELIGIBLE MEMBERS

Shortly before you turn age 65 or qualify for Medicare benefits for other reasons, you are responsible for contacting the local Social Security office to establish Medicare eligibility. You should then contact your benefits administrator to discuss coverage options.

If an active employee qualifies under the provisions of federal law for the working aged (TEFRA), then the working employee age 65 or older and/or his/her eligible spouse age 65 or older who is covered by Medicare may continue this Plan coverage as primary over Medicare until the eligible employee retires.

A Member under age 65 receiving Medicare benefits due to disability or end-stage renal disease (ESRD) also has primary benefits under this Plan coverage, but for only a limited period of time. (For ESRD patients, this Plan coverage is primary only during the CMS-defined ESRD coordination time period - usually 30 months after the start of Dialysis. Medicare becomes primary when the Medicare ESRD coordination time period expires.)

In any case, if you are a Medicare beneficiary and you actively *select* Medicare as your primary coverage, this Plan is **not** available to you, and your employer may not offer you any other employer-sponsored health care plan.

Refer to a Medicare Handbook or contact the Social Security Administration for more information and eligibility guidelines that apply to you.

If Medicare is Primary

Special rules apply if a Member is receiving benefits from Medicare due to a disability or end-stage renal disease. In such cases, Medicare may be primary over this plan and benefits will be coordinated with Medicare as set forth in *Section 7*. Contact your benefits administrator for more information and for eligibility guidelines that apply to you.

APPLYING FOR COVERAGE

You may apply for coverage for yourself and/or your eligible spouse and/or dependents (see below) by submitting the application(s) for medical insurance to the Plan. The Application(s) for coverage may or may not be accepted, for example, if the applicant does not live within the Service Area or the application has missing information. (BCBSNM cannot use genetic information or require genetic testing in order to limit or deny coverage.)

You may enroll in or change coverage for yourself and/or your eligible spouse and/or dependents during one of the enrollment periods described below.

Your Group and BCBSNM, as appropriate, may require acceptable proof (such as copies of legal adoption or legal guardianship papers, or court orders) that an individual qualifies as an Eligible Family Member under this Plan.

INITIAL AND ANNUAL OPEN ENROLLMENT PERIODS / EFFECTIVE DATES OF COVERAGE

Your Group will designate initial and annual open enrollment periods during which you may apply for or change coverage for yourself and/or your Eligible Family Members.

You must submit all required forms to your benefits administrator within the initial enrollment period that your Group has designated from your date of hire. Once you have made an election during your initial enrollment period, you are locked into that decision until the annual open enrollment period designated by your Group that next follows your initial enrollment period.

An employee of the Group that becomes eligible for coverage outside of the initial or annual open enrollment period may apply for coverage in accordance with the Special Enrollment Periods / Effective Dates of Coverage below.

You and/or your Eligible Family Members' Effective Date of Coverage will be determined by the Plan in accordance with this section, "Initial and Annual Open Enrollment Periods/Effective Dates of Coverage" and the "Special Enrollment Periods/Effective Dates of Coverage" section below. Your Effective Date of Coverage will depend upon the date your application and all supporting documentation is received. Please review the information below that describes typical enrollment situations to determine what documentation may be required to support a Special Enrollment and contact your employer to determine your Effective Date of Coverage.

This section "Initial and Annual Open Enrollment Periods/Effective Dates of Coverage" is subject to change by the Plan, BCBSNM, and/or applicable laws and rules, including but not limited to statutes, ordinances, judicial decisions and regulations, as appropriate.

SPECIAL ENROLLMENT PERIODS / EFFECTIVE DATES OF COVERAGE

Special Enrollment Periods have been designated during which you may apply for or change coverage for yourself and/or your Eligible Family Members. You must apply for or request a change in coverage within 30 days from the date of a Special Enrollment Event (within 31 days of birth, if your Special Enrollment Event is gaining a dependent through birth) in order to qualify for the changes described in this Special Enrollment Periods/Effective Dates of Coverage section.

You must provide acceptable proof of a qualifying event. Special Enrollment qualifying events are discussed in detail below. Blue Cross and Blue Shield of New Mexico will review this proof to verify your eligibility for a Special Enrollment. Please call the Customer Service number on the back of your Identification Card or visit our website at www.bcbsnm.com for examples of acceptable proof for the following qualifying events.

Special Enrollment Events:

- You gain a dependent or become a dependent through marriage or establishment of a Domestic Partnership, provided your employer covers Domestic Partners. New coverage for you and/or your eligible spouse or Domestic Partner, provided your employer covers Domestic Partners, and/or dependents will be effective no later than the first day of the following month.
- You gain a dependent through birth, adoption or placement for adoption, assumption of eligible foster Child care, or court-ordered dependent coverage. New coverage for you and/or your eligible spouse or Domestic Partner, provided your employer covers Domestic Partners, and/or dependents will be effective on the date of the birth, adoption or placement for adoption, or placement for eligible foster Child care. However, the effective date for court-ordered Eligible Child coverage will be determined by the Plan in accordance with the provisions of the court order.
- Your enrollment or non-enrollment in the Plan is unintentional, inadvertent, or erroneous as evaluated and determined by your Group or the Plan, as appropriate.

- You adequately demonstrate to the Plan that the health care plan in which you are enrolled substantially violated a material provision of its contract in relation to you.
- You gain access to new health care plans as a result of a permanent move.
- You demonstrate to the Plan, in accordance with the guidelines issued by the Plan, that you meet other exceptional circumstances as the Plan may provide.

Other Special Enrollment Events / Effective Dates of Coverage:

You must apply for or request a change in coverage within 30 days from the date of the below Other Special Enrollment Events in order to qualify for the changes described in this Other Special Enrollment Events/Effective Dates of Coverage section. Coverage for you and your eligible spouse or Domestic Partner, provided your employer covers Domestic Partners, and/or dependents will be effective no later than the 1st day of the month beginning after the date the Plan receives the request for other Special Enrollment.

- Loss of eligibility as a result of:
 - Legal separation, divorce, or dissolution of a Domestic Partnership, provided your employer covers Domestic Partners;
 - Cessation of dependent status (such as attaining the limiting age to be eligible as a dependent Child under the Plan);
 - Death of an Employee;
 - Termination of employment, reduction in the number of hours of employment.
- Loss of coverage due to a plan no longer offering benefits to the class of similarly situated individuals that include you.
- Your employer ceases to contribute towards your or/your dependent's coverage (excluding COBRA continuation coverage).
- COBRA continuation coverage is exhausted.
- Loss of Minimum Essential Coverage. Loss of Minimum Essential Coverage does not include failure to pay premiums on a timely basis, including a failure to pay COBRA premiums, or situations allowing for a Rescission.
- Loss of eligibility for coverage. This does not include loss of eligibility for COBRA continuation coverage.

Coverage resulting from any of the Special Enrollment events outlined above is contingent upon timely completion of the application and remittance of the appropriate premiums in accordance with the guidelines as established by the Plan and BCBSNM, as appropriate.

This section "Special Enrollment Periods/Effective Dates of Coverage" is subject to change by the Plan, BCBSNM, and/or applicable laws and rules, including but not limited to statutes, ordinances, judicial decisions and regulations, as appropriate

WHO IS NOT ELIGIBLE

The following individuals are not eligible for this coverage:

- incarcerated individuals, other than incarcerated individuals pending disposition of charges.
- individuals that do not live, **reside** or work in the Service Area.
- individuals that do not meet any Plan eligibility requirements or residency standards, as appropriate.

This section "Who is Not Eligible" is subject to change by the Plan and/or applicable laws and rules, including but not limited to statutes, ordinances, judicial decisions and regulations, as appropriate.

WHEN COVERAGE BEGINS

You and/or your Eligible Family Members' Effective Date of Coverage will be determined by the Plan in accordance with the sections above entitled "Initial and Annual Open Enrollment Periods/Effective Dates of Coverage" and "Special Enrollment Periods/Effective Dates of Coverage." Your Effective Date of Coverage will depend upon the date your application and all supporting documentation is received. Please review the information below that describe typical enrollment situations to determine what documentation may be required to support a Special Enrollment and contact your employer to determine your Effective Date of Coverage.

This Plan does not cover any service received before your Effective Date of Coverage (which, for Eligible Family Members, may be later than the Subscriber's effective date). Also, if your prior coverage has an extension of benefits provision, this Plan will not cover those charges incurred after your Effective Date of Coverage that are covered under the prior benefit plan.

CHANGES TO COVERAGE

After initial enrollment, you may need to add Eligible Family Members to, or remove them from your coverage, update your address, or switch from Individual to Family Coverage, or vice versa.

Your ability to change coverage types (e.g., from Family to Individual coverage, etc.) will depend on the rules and regulations set forth by your employer, including those described in the sections above entitled "Initial and Annual Open Enrollment Periods/Effective Dates of Coverage" and "Special Enrollment Periods/Effective Dates of Coverage." Please contact your employer for further information on when you can change your coverage type or remove a person from your coverage.

ADDING A FAMILY MEMBER TO COVERAGE

A Subscriber may apply for coverage of an Eligible Family Member (such as a new spouse or a newborn Child) as provided under the "Special Enrollment Events/Effective Dates of Coverage" section above. **Within 31 days** of acquiring the newly Eligible Family Member, the Subscriber must:

- request that the employer notify BCBSNM of the change;
- complete and submit all necessary enrollment/change forms and legal documentation of proof of dependency; and
- pay any additional premium or other employee contribution for coverage.

Adding a Spouse or a Domestic Partner

If a Subscriber adds coverage for a spouse or Domestic Partner, provided Domestic Partners are covered under the Plan, **within 30 days** of marriage or establishment of a Domestic Partnership, the effective date of the new Eligible Family Member's coverage will as described under the "Special Enrollment Events/Effective Dates of Coverage" section above provided BCBSNM receives the completed and signed enrollment/change application form on a timely basis. If the Subscriber does not submit a completed and signed enrollment/change application form to his/ her benefits administrator or to BCBSNM (or to the COBRA administrator), along with necessary documentation **within 30 days** of marriage, the spouse may not be added to coverage except as a Late Applicant. Ask your employer which coverage types are available to you. See "Adding an Eligible Child," below.

Adding an Eligible Child

If you do not submit an application for an Eligible Child or add additional coverage, if required, within the time frames below, the Child will be considered a **Late Applicant**, except as may be provided under the "Special Enrollment Events/Effective Dates of Coverage" section above.

Newborn Children

A newborn, natural Child can be covered from birth, as long as enrolled within the stated timeframe. You must

add coverage for the newborn **within 31** days of the birth in order for newborn care to be covered beyond day 31. In any case, if the application is not received **within 31** days and additional premium or other employee contributions for coverage, if any, are not paid, the newborn is considered a Late Applicant.

NOTE: If the parent of the newborn is an Eligible Child of the Subscriber (i.e., the newborn is the Subscriber's grandchild), benefits are **not** available for the newborn.

Adopted Children/Foster Children

A Child placed in the Subscriber's home for the purposes of adoption or foster care may be added to coverage as soon as the Child is placed in the home. However, application for coverage for adopted children can be made as late as **30 days** following legal adoption without being considered late. Although a Child over the age of 18 is not eligible for adoption, an adopted Child (or a foster Child) is covered as any other Child, subject to the same Eligible Child age limitations and restrictions. **NOTE:** An adopted Child or foster Child who is not enrolled within 30 days of adoption or placement in the home for adoption or foster care will be considered a Late Applicant unless the Child was previously enrolled in a Group Health Care plan or other Creditable Coverage within 30 days of his/her adoption or placement for adoption or foster care and has had prior Creditable Coverage since that date with no significant lapse (i.e., 95 or more days).

Legal Guardianship

Application for coverage must be made for a Child for whom the Subscriber or the Subscriber's spouse becomes the legal guardian **within 30 days** of the court or administrative order granting guardianship.

Stepchild

Application for coverage must be made for a stepchild **within 30 days** of the marriage to the stepchild's biological parent.

Court Ordered Coverage for Children

When an employee or employer is required by a court or administrative order to provide coverage for an Eligible Child, the Eligible Child may be enrolled in the Subscriber's Family Coverage, or Employee/Children coverage, if available and will **not** be considered a Late Applicant. If not specified in the court or administrative order, the Eligible Child's Effective Date of Coverage will be the date the order has been filed as public record with the State or the effective date of Family Coverage, or Employee/Children coverage, if available, whichever is later. BCBSNM must receive a copy of the court or administrative order.

LATE APPLICANT

Unless eligible as described in the "Special Enrollment Periods/Effective Dates of Coverage" section above, applications from the following enrollees will be considered late:

- anyone not enrolled **within 31 days** of becoming eligible for coverage under this Plan (e.g., a newborn Child added to coverage more than 31 days after birth, a Child added more than 31 days after legal adoption, or a new spouse or stepchild added more than 31 days after marriage);
- anyone enrolling on the Group's initial BCBSNM enrollment date who was not covered under the Group's prior plan (but who was eligible for such coverage);
- anyone eligible but not enrolled during the Group's initial enrollment;
- anyone who voluntarily terminates his/her coverage and applies for reinstatement of such coverage at a later date (except as a provider under USERRA of 1994).

Application for coverage from Late Applicants will be accepted only during your Group's annual open enrollment period, except as described in the "Special Enrollment Periods/Effective Dates of Coverage" section above.

NOTE: Late Applications are not accepted from retirees. If the retiree does not choose Plan coverage upon

retirement, coverage may not be chosen at a later date. Late Applications are also not accepted from persons applying for coverage under one of the continuation provisions listed under “How to Continue Coverage,” later in this section. (There are federal and state regulations regarding the amount of time that a terminating plan Member has to apply for continued coverage when first eligible. See “How to Continue Coverage” for more information.)

RE-ENROLLMENT

If a previously covered employee and/or Eligible Family Member is re-enrolled in this Group Plan, he/she will usually be considered a Late Applicant. See “Leave of Absence” and “Special Enrollment Periods/Effective Dates of Coverage” section above for exceptions and details.

Any individual whose previous BCBSNM contract was terminated for Good Cause is not eligible to re-enroll in this Plan, unless approved in writing by the Plan. (Members currently enrolled in continuation coverage may not re-enroll once coverage is terminated, unless eligibility under this Plan is re-established.)

If coverage is voluntarily discontinued by a COBRA Member, the terminated Member may not re-enroll at any time.

NOTIFICATION OF ELIGIBILITY AND ADDRESS CHANGES

The Subscriber must notify the employer **within 30 days** following any changes that may affect his/her or a family member’s eligibility, including a change to a covered family member’s name or address, by indicating such changes on an enrollment/change form and submitting it to BCBSNM. You can obtain this form at BCBSNM’s website at www.bcbsnm.com, from your Group’s benefits administrator, or by calling the BCBSNM Customer Service department. (Members covered under federal continuation must submit enrollment/change forms directly to the COBRA administrator.)

Employees and Their Eligible Family Members

Employees covered under the Group Plan are responsible for completing and submitting signed enrollment/change forms to the Plan.

State Continuation Coverage

Employees covered under the Group Plan are responsible for completing and submitting signed enrollment/change forms to the Plan.

COBRA Continuation Policy Members

If you are covered under a COBRA continuation policy, you must contact the COBRA administrator. The name, address, and phone number of the administrator will be provided to you should you elect COBRA coverage.

COVERAGE TERMINATION

If the employer or Group administrator fails to submit premium payments to BCBSNM on a timely basis, coverage will terminate for all affected Members as of the end of the last-paid billing period. If your Group fails to submit premium payments to BCBSNM, it is your Group’s contractual responsibility to advise Members of the BCBSNM plan termination.

If your coverage is terminated for any reason:

- When you are no longer eligible for coverage under the Plan. The last day of coverage is the last day of the month that you become ineligible.
- The Plan terminates.
- When the Subscriber **dies**. (Surviving Eligible Family Members remain covered through the last-paid

billing period.)

- If this Plan is primary over **Medicare** due to federal laws and regulations, when the Medicare-Eligible Member *chooses* Medicare as his/her primary coverage. (See “Medicare-Eligible Members” for information on coverage options for Members who are entitled to Medicare.)
- When the Member acts in a **disruptive** manner that prevents the orderly business operation of any Network Provider or dishonestly attempts to gain a financial or material advantage.
- When **Group coverage is discontinued** for the entire Group or for the employee’s or Subscriber’s enrollment classification due to BCBSNM terminating such coverage.
- When the Group gives BCBSNM or BCBSNM gives the Group a minimum **30 days’ advance written notice**.
- When an employee **retires**. (The retiree and his/her Eligible Family Members may be eligible for continuation coverage through federal law. See “How to Continue Coverage.” Certain retirees who were covered under the Plan after retirement are allowed to remain covered under this Plan.)
- When the Subscriber moves to a primary residence or place of employment **outside the geographic area** serviced by BCBSNM. (See “How to Continue Coverage,” later in this section.)

If BCBSNM ceases operations, BCBSNM will be obligated for services for the rest of the period for which premiums were already paid.

Additional Family Member Termination Reasons

In addition, coverage will end for any family member on the earliest of the above dates or the earliest of the following dates:

- at the end of the **last-paid billing period**;
- at the end of the month when a Child **no longer qualifies as an Eligible Child** under the terms set by the Plan (e.g., a Child is removed from placement in the home or reaches the Eligible Child age limit);
- at the end of the month following the date of a final **divorce** decree or **legal separation** for a spouse;
- at the end of the month following the dissolution of a Domestic Partnership, provided your employer covers Domestic Partners.

If a family member is being removed from coverage because of losing his/her eligibility under the terms set by the Plan (for reasons other than reaching the Eligible Child age limit), the enrollment/change form must be received by the Plan **within 30 days** following the effective date of the change. In these cases, the Member will be removed from coverage as of the end of the month following the change in his/her eligibility status and your employer is responsible to adjust payroll deductions if necessary. BCBSNM and the Providers of care may recover benefits erroneously paid on behalf of the removed Member.

NOTE: If enrolled under federal continuation, send enrollment/change forms to the COBRA administrator.

Voluntary Termination of Coverage

To remove a family member from coverage before loss of eligibility or to voluntarily terminate his/her own coverage, the Subscriber must submit a completed enrollment/change form to your employer. If voluntary termination is allowed under your Plan outside the annual or renewal period, coverage will end the first of the month following receipt of the enrollment/change form. Voluntarily terminated Members may re-enroll under the Plan only as Late Applicants (except as provided under “Initial and Annual Open Enrollment Periods/Effective Dates of Coverage” and “Special Enrollment Periods/Effective Dates of Coverage”). Also, these Members are **not** eligible for any extension of benefits or federal or state continuation or conversion

coverage. Voluntarily terminated Members may apply for individual coverage offered by BCBSNM.

NOTE: If enrolled under federal continuation, send enrollment/change forms to the COBRA administrator.

Termination and Continuation of Coverage or Extension of Benefits

See “How to Continue Coverage” for more information.

Leave of Absence

During a leave of absence covered by the Family and Medical Leave Act (FMLA) or the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), coverage will continue as provided by law. Contact your benefits administrator for information.

NOTIFICATION

If the Group Contract is terminated or premiums are not submitted, coverage will terminate for all affected Members as of the end of the last-paid billing period. If your Group fails to submit premium payments to BCBSNM, it is your Group’s contractual responsibility to advise Members of the BCBSNM plan termination.

The required premiums are determined and established by BCBSNM. The percentage of the total premium that you pay is established by your Group. BCBSNM may change premium amounts according to any of the following:

- changes in federal and state law; or
- changes to coverage classifications;
- after giving the employer **60 days** written notice.

PREMIUM REFUNDS

BCBSNM may not refund membership premiums paid in advance on behalf of a terminated Member if:

- the enrollment/change form is not received **within 30 days** of the change in eligibility status; or
- any Claims or capitation amounts have been paid on behalf of the terminated Member for services during the period for which premiums have been paid.

HOW TO CONTINUE COVERAGE

If you lose coverage under this Plan, you may be able to continue coverage for a limited period of time.

NOTE: There are no Special Enrollment Events under these provisions. You must enroll timely to qualify for continued coverage.

Continuation Coverage

Your Group may be subject to the provisions for continuation of plan coverage under federal law (COBRA or USERRA) or state law (six-month continuation). If so, employees and their covered family members (excluding Domestic Partners if your Employer has not chosen to extend continued coverage to them) who lose eligibility under this Group Health Care plan may be able to continue as Members, without a health statement, for a limited period of time by purchasing the continuation coverage described below. You must pay premiums from the date of loss of Group coverage.

You are not eligible to enroll for continuation coverage if:

- the employer stops offering this coverage to its employees, *or*
- you do not elect continuation coverage within the applicable time periods as specified by law for federal continuation (COBRA), state continuation, Uniformed Services Employment and Reemployment Rights

Act of 1994 (USERRA) continuation, and/or extension of benefits due to total disability.

In addition, if you elect state continuation coverage, you may not later enroll in federal continuation coverage. Refer to *Section 11: Continuation Coverage Rights under COBRA* or contact your benefits administrator for details about enrolling in continuation coverage.

Continuation Benefits

Continuation coverage is identical to the coverage a similarly situated regular Member has. If the coverage for regular Members changes, your continuation coverage will reflect the same change. For example, if the Plan's Deductible or other cost-sharing amounts change for regular Members, yours will change by the same amount.

Federal Continuation (COBRA)

Unless approved in writing by BCBSNM, the following persons may **not** enroll in this continued coverage option:

- one who **voluntarily** terminated coverage while still eligible; (*Involuntary termination* includes loss of coverage under the following situations only: legal separation, divorce, loss of Eligible Child eligibility status, death of the Subscriber, termination of employment, reduction in hours, or termination of employer contributions. Any other reason is considered voluntary.)
- a covered family member who was removed from coverage by the Subscriber while the family member was still eligible;
- any Member whose BCBSNM health care coverage was terminated for Good Cause.

Continuation coverage under federal law ends on the **earliest** of the following dates or any of the applicable dates listed under "Coverage Termination" earlier in this section:

- the first of the month when you become entitled to Medicare;
- when the employer discontinues offering this Plan to employees (If this Plan is replaced by another health care plan, continuation coverage will also be replaced by the new Plan.) **Exception:** If your Group declares bankruptcy and you are covered under this Plan as a retiree, you and your Eligible Family Members may be eligible for continued coverage;
- when you become covered under another Group Health Care plan;
- when the continuation period expires. (If this employer's Plan is still being administered by BCBSNM, you will have the option of changing to the conversion coverage provided by BCBSNM and described under "Conversion to Individual Coverage.")

State Continuation Coverage

A Subscriber and his/her covered family members may continue Plan coverage for six months after losing coverage for any reason other than nonpayment of premium or termination of the entire Group, if your Group is eligible for such coverage. (See your Benefits Administrator for more information.) BCBSNM must receive the application for state continuation coverage **within 31 days** after Group coverage is lost. (A health statement is not required.)

State continuation coverage ends on the **earliest** of the following dates or of the applicable dates listed under "Coverage Termination" earlier in this section:

- when the employer discontinues offering this Plan to employees; (If this Plan is replaced by another health care plan, continuation coverage will also be replaced by the new Plan.)
- when the continuation period expires. (If this employer's Plan is still being administered by BCBSNM, you will have the option of changing to the conversion coverage provided by BCBSNM and described under "Conversion to Individual Coverage.")

Call a Customer Service Advocate for more information.

Premium Payments

Subscribers under federal COBRA continuation coverage must pay premiums to the COBRA administrator. Subscribers under state continuation coverage pay premiums to BCBSNM. Contact your benefits administrator for an application for coverage and details.

Premiums for coverage may change on your Group's renewal date or on any date that the Plan is amended. Written notice of any such change will be given to the Group or Subscriber at least 60 days before the effective date of the premium change.

USERRA Continuation Coverage

Employees and their covered family members who lose Group coverage because the employee is absent from work due to military service may be able to continue coverage for **up to 24 months** after the absence begins. Contact your benefits administrator for details about the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Extension of Benefits

If you are Totally Disabled on the date your Group terminates coverage, your health care coverage may be continued (for only the disabling condition) for **up to 12 consecutive months** after the Group terminates coverage with BCBSNM.

An extension of benefits is available if you:

- were Totally Disabled on the date of the Group's termination; *and*
- incur an expense directly resulting from that particular disability that would have been a Covered Service before termination.

If coverage is continued under this provision, benefits for the disabling condition are paid subject to all applicable limitations, exclusions, and maximums that applied at the time the Group's coverage terminated. To request an extension of benefits, you must notify BCBSNM **within 30 days** of the Group's coverage termination date and provide evidence of your total disability.

CONVERSION TO INDIVIDUAL COVERAGE

Involuntarily terminating Members may change to individual conversion coverage if this employer Group health plan is still in effect and coverage is lost due to one of the following circumstances:

- termination of employment;
- a Member no longer meets the eligibility requirements of the Plan;
- the period of continuation coverage expires;
- a covered family member loses coverage for one of the following reasons:
 - divorce or legal separation from the Subscriber;
 - disqualification of the Member under the definition of an Eligible Family Member;
 - death of the Subscriber;
 - an employee becomes primary under Medicare, leaving Eligible Family Members without coverage.

The Subscriber and any Eligible Family Members *who were covered* at the time that Group coverage was lost are eligible to apply for conversion coverage without a health statement.

BCBSNM must receive your application for conversion coverage **within 31 days** after you lose eligibility under the Group/continuation Plan. **You must pay conversion coverage premiums from the date of such termination.**

Conversion coverage is **not** available in the following situations:

- when Group coverage under this Plan was discontinued for the entire Group or the employee's enrollment classification;
- when you reside outside of or move out of New Mexico.

Call a Customer Service Advocate for the enrollment options available to you.

The benefits and premiums for conversion coverage will be those available to terminated Health Care plan Members on your coverage termination date. You will receive a new Benefit Booklet if you change to conversion coverage. (Some benefits of this Plan are not available under conversion coverage.) Contact a Customer Service Advocate for details.

SECTION 3: HOW YOUR PLAN WORKS

PCPS AND OTHER HMO-PARTICIPATING PROVIDERS

This health care plan is a Managed Health Care Plan (MHCP) that generally provides benefits **only** for services received from a BCBSNM “HMO” (or HMO-Participating) Provider. Under the Managed Care Plan, if you obtain non-Emergency services from a Nonparticipating (non-HMO) Provider, the services will usually not be covered. Exceptions to this requirement are listed in this *Section 3* under “Exceptions for Nonparticipating Providers.”

Your Primary Care Provider (PCP)

In order to receive coverage under your health plan, each Member must choose a PCP at the time of enrollment. If you do not select a PCP during enrollment, you will be assigned to a PCP in your area. You may choose a different one for each family member.

A PCP should be chosen for an eligible newborn before the Child’s birth, but no later than **31 days** following birth, to ensure continuous coverage from birth.

Check your Provider directory or visit the “Provider Finder[®]” section of the BCBSNM website (www.bcbsnm.com) for a list of PCPs and other HMO-Participating Providers.

Changing PCPs

You may select a new PCP at any time by requesting the change on an enrollment/change form, or by calling a BCBSNM Customer Service representative and notifying them of the change. The change will be effective immediately and BCBSNM will mail you a new Identification Card with the change. To have medical records transferred from one Physician to another, contact your former PCP. You are responsible for any charges related to transferring medical records.

Visiting Your PCP

To avoid possible delays when scheduling an appointment, please follow these steps:

- For **routine appointments** or **sudden illnesses** call your PCP’s office and identify yourself as a BCBSNM Member. You will be given instructions to follow.
- To receive office care **after your PCP’s normal business hours** or on weekends and holidays, you should call your PCP (or the Physician who is on call for the PCP) and request instructions. Upon arriving for an appointment, show your BCBSNM Plan ID Card to the Provider’s receptionist.

Upon arriving for an appointment, show your BCBSNM Plan ID Card to the Provider’s receptionist.

Cancelling an Appointment

If you need to cancel an appointment, notify your PCP as soon as possible, but at least 12 hours before the scheduled appointment. You may be charged a fee for a missed appointment. This Plan will not pay for such a charge. If you are going to be late for an appointment, please notify your PCP’s office; you may be asked to reschedule.

HMO-Participating Specialists and Hospitals

If you need care that is not available from your PCP, your PCP may recommend that you visit another, more appropriate HMO-Participating Specialist or Facility. **You do not need a referral** from your PCP before seeking care from any **HMO-Participating Provider** Facility, specialist, or other Health Care Provider. With BCBSNM, you have the freedom of going directly to the HMO-Participating Provider of your choice and receiving benefits for Covered Services. **Remember:** Providers without a BCBSNM HMO-Participating Provider contract, and their services, will **not** be covered except in those limited circumstances outlined in this section.

Keep Your PCP Informed

Although you do not need a PCP referral before arranging to receive Covered Services from another HMO-Participating Provider, you should consult with your PCP if possible. Your PCP knows you and your medical history and may be able to suggest a course of treatment or a particular specialist that is more appropriate than the one you may be considering. Also, many specialists and Facilities will not take patients who have not been referred to them by a Physician.

Prior Authorization Needed for Some Services

Your PCP is also aware of the types of services that require **Prior Authorization** from BCBSNM and is familiar with the kind of medical information BCBSNM needs in such cases. While you may call BCBSNM for Prior Authorization (**before** you incur costs that may not be covered), you may be told that your PCP or other Provider must call BCBSNM to obtain the Prior Authorization for you.

Before seeking specialist services, **you need to be aware of Prior Authorization requirements**, which are described in *Section 4: Utilization Management*.

Important: If you choose to see a Physician for non-Emergency Care and find that you have received services needing Prior Authorization - and did not get the authorization - benefits for the service may be denied. In such cases, **you will be responsible for the entire cost of the services** - even if you were not aware of the Prior Authorization requirements.

Non-Emergency Hospital Admissions

This Plan will cover a Medically Necessary inpatient stay for a Covered Service if you are admitted to an HMO-Participating Provider Facility by your PCP or by an HMO-Participating Specialist. All inpatient Admissions are subject to Prior Authorization, except in the case of Emergency.

Selecting an HMO-Participating Provider

Check your Provider directory or visit the “Provider Finder®” section of the BCBSNM website (www.bcbsnm.com) for a list of HMO-Participating Providers. **Attention Members: Please report directory errors.** To suggest directory updates, such as a doctor is accepting new patients but the directory says they are not, please send an email to Provider_Directory_Changes_NM@bcbsnm.com. You can also call 1-877-269-1244.

If a Provider is a Nonparticipating Provider and non-Emergency services have not been authorized by BCBSNM in advance, the services will be denied, and you will be fully responsible for paying the Health Care Provider’s bill for a covered procedure.

Nonparticipating Provider Services

If you visit a **Nonparticipating Provider** for non-Emergency Care without first obtaining Prior Authorization from BCBSNM, **the services will not be covered except in the limited circumstances outlined in this section.**

Except in Emergencies, BCBSNM will generally NOT Prior Authorize services of a Nonparticipating Provider if the services could be obtained from an HMO-Participating Provider. Prior Authorizations for such services are given only under very special circumstances related to **Medical Necessity** and **lack of HMO-Participating Provider availability** in the HMO-Participating Provider network. Before BCBSNM may deny a request for specialist services that are unavailable from an HMO-Participating Provider, the request for a specialist similar to the type of specialist to whom the Prior Authorization is requested. BCBSNM will NOT approve a Prior Authorization request based on non-medical issues such as whether or not you or your doctor prefer the Nonparticipating Provider or find the Provider more convenient. Regardless of Medical Necessity or non-medical issues, Nonparticipating Providers’ services are NOT covered under this Plan, *except during an Emergency*, if you do not first obtain Prior Authorization.

This Plan does **not** cover service received outside the United States unless there is an Emergency and/or is listed as an exception under “Exceptions for Nonparticipating Providers”. See “Where to Send Claim Forms” in *Section 8: Claims Payments and Appeals* for more information about filing Claims for out-of-country services.

Exceptions for Nonparticipating Providers

If Medically Necessary non-Emergency services are not reasonably available from an HMO-Participating Provider, the Member’s PCP or other HMO-Participating Provider must request and obtain Prior Authorization from BCBSNM for the Member to receive those services from a Nonparticipating Provider. Before BCBSNM may deny that Prior Authorization, the request must be reviewed by a specialist similar to the type of specialist to whom a referral is requested. In determining whether the non-Emergency services are not reasonably available from an HMO-Participating Provider, BCBSNM will consider the following criteria:

- Availability – Is the HMO-Participating Provider available to see the Member in a timely fashion as dictated by the clinical situation?
- Competency – Does the HMO-Participating Provider have the necessary training or expertise required to provide the service or treatment?
- Geography – Is the HMO-Participating Provider located within a reasonable distance from the Member’s residence. A reasonable distance is defined as travel that will not place the Member at any medical risk?
- Continuity – Does the requested Nonparticipating Provider have a well-established professional relationship with the Member and is providing ongoing treatment of a specific medical problem?

If authorization is obtained in advance for a Nonparticipating Provider to perform non-Emergency services, the Nonparticipating Provider:

- may bill you for any amounts in excess of the BCBSNM Covered Charge, in addition to your Copayment;
- is not responsible for obtaining any necessary approvals on your behalf; and
- may or may not file Claim(s) for you.

Emergency Care

If you visit a Nonparticipating Provider for Emergency Care services, you will receive benefits only for the initial treatment, which includes Emergency room services and, if you are hospitalized **within 48 hours** of an Emergency, the related inpatient hospitalization. (Office, Urgent Care Facility, and Retail Health Clinic services are not considered “Emergency Care” for purposes of this provision.) Non-Emergency services provided in an Emergency room for treatment of Mental Disorders or Chemical Dependency will be paid the same as Emergency Care services. You do not need authorization before seeking *Emergency* services in an Emergency room. However, you should call BCBSNM within 48 hours of receiving the Emergency room care (or as soon as possible). **Care obtained from a Nonparticipating Provider without Prior Authorization in any other setting (e.g., Physician’s office or Urgent Care center) will not be covered.**

Prior Authorization must be obtained by BCBSNM for all non-emergent follow-up care (which is no longer considered Emergency Care) in order to be covered.

Urgent Care

If you need Urgent Care while in your community for a condition that is not life-threatening but that requires medical attention, call your PCP and request an immediate appointment, if available. If not available, ask your PCP to recommend another Provider, or visit the nearest Participating Provider Urgent Care center. If you need Urgent Care while in the Service Area but outside of your community, visit the nearest Participating Provider Urgent Care center.

If you are traveling outside the Service Area and need Urgent Care, call 1-800-810-BLUE (2583). You will be given the name and phone number of a local Provider who will be able to call BCBSNM for eligibility information

and will submit a Claim to the local Blue Cross Blue Shield Plan. *You will also need to call your PCP and request that he/she call BCBSNM for **Prior Authorization** to visit an out-of-network Provider.* Non-Emergency Care outside the Service Area, including Urgent Care, from a Provider that does not contract directly with BCBSNM must have been obtained through Prior Authorization by BCBSNM.

Ancillary Providers in a Hospital

When you are admitted to an HMO-Participating Provider Hospital or other HMO-Participating treatment Facility and the Admission is covered under the Plan, you will receive benefits for services received during the Admission from a Nonparticipating Provider, anesthesiologist, radiologist, pathologist, assistant surgeon, Emergency room Physician, and/or other Hospital based Physician. Please call customer service at the number on the back of your ID Card if you have any questions about the benefits described in this section or how your Claims are paid.

Transition of Care

This provision applies to both Continuity of Care and Transition of Care. If your Health Care Provider leaves the BCBSNM Provider network (for reasons other than medical competence or professional behavior) or if you are a new Member and your Provider is not in the Provider network when you enroll, BCBSNM may authorize you to continue an ongoing course of treatment with the Provider for a transitional period of time of not less than 30 days or other period as required by federal and state law. If necessary and ordered by the treating Provider, BCBSNM may also authorize transitional care from other out-of-network Providers. An ongoing course of treatment will include, but is not limited to: (1) treatment for a Life-Threatening Condition, defined as a disease or condition for which likelihood of death is probable unless the course of the disease or condition is interrupted; (2) treatment for a serious acute condition, defined as a disease or condition requiring complex ongoing care which the covered person is currently receiving, such as Chemotherapy, Radiation Therapy or post-operative visits; (3) the second or third trimester of pregnancy, through the postpartum period; or (4) an ongoing course of treatment for a health condition for which a treating Physician or Health Care Provider attests that discontinuing care by that Physician or Health Care Provider would worsen the condition or interfere with anticipated outcomes. The period will be sufficient to permit coordinated transition planning consistent with your condition and needs. Special provisions may apply if the required transitional period exceeds 30 days. Call the BCBSNM Customer Service department for details.

Out-of-Country Services

Non-Emergency Care received when traveling outside of the United States will be covered provided such care is Medically Necessary and does not constitute a service(s) excluded under this Plan. See *Section 8: Claims Payments and Appeals* for more information about filing Claims for out-of-country services.

The above situations are the only instance in which a Member may receive benefits for the Covered Services of a Nonparticipating Provider.

CALENDAR YEAR

A Calendar Year is a benefit period of one year which begins on January 1 and ends on December 31 of the same year. The initial Calendar Year is from a Member's Effective Date of Coverage through December 31 of the same year, which may be less than 12 months.

BENEFIT LIMITS

There is no general lifetime maximum benefit under this Plan.

Benefits are determined based upon the coverage in effect on the day a service is received, an item is purchased, or a Health Care expense is incurred. For Inpatient Services, benefits are based upon the coverage in effect on the date of Admission, except that if you are an inpatient at the time your coverage either begins or ends, benefits for the Admission will be available only for those Covered Services received on and after your Effective Date of Coverage or those received before your termination date.

COST-SHARING FEATURES

See your separately issued Summary of Benefits for your Plan's specific cost-sharing features, such as Deductibles, Copayments and/or Coinsurance that you must pay, and your Out-of-Pocket Limit.

In order to receive a specific service or benefit covered under this Plan, you must pay a Deductible, Copayment (fixed- dollar- amount) and/or Coinsurance to the Health Care Provider. See your *Summary of Benefits* for specific cost-sharing information.

NOTE: Some HMO plans are **ALL** Copayment plans, meaning there is no Deductible or Coinsurance to pay. The Plan pays 100% of the Covered Services after the Member pays the Copayment. Please note, if services are performed in a separate office or Facility and billed separately, those services are subject to an additional Copayment. Refer to your *Summary of Benefits* for specific cost-sharing information for your Plan.

DEDUCTIBLE

The Deductible is the amount of Covered Charges incurred by a Member that the Member must pay in a Calendar Year before this Plan begins to pay its percentage of that Member's Covered Charges incurred during that same Calendar Year. If the Calendar Year Deductible has been met while you are an Inpatient and the Admission continues into a new Calendar Year, no additional Deductible is applied to that Admission's Covered Services. However, all other Covered Services received during the new Calendar Year are subject to the Deductible for the new Calendar Year.

If you changed Health Care Benefit plan carriers during a Calendar Year, Covered Charges you incurred, and which were applied to your annual or Calendar Year Deductible during that part of the Calendar Year you were covered by your previous carrier will be applied to your annual Deductible for the remaining part of that Calendar Year under this Plan.

Individual Deductible

Once a Member's Deductible payments for Covered Services reach the individual Deductible amount, listed in the *Summary of Benefits*, in a given Calendar Year, this Plan will begin paying its share of that Member's Covered Charges for the rest of that Calendar Year.

Family Deductible

For double or Family Coverage, with two enrolled Members, the Calendar Year Deductible requirement is fulfilled when both covered Members have each met their applicable individual Deductible, listed in the Summary of Benefits, during the Calendar Year. Refer to your *Summary of Benefits* for details.

What Is Subject to the Deductible

The following are **applied** to the Calendar Year Deductible.

- Charges covered under your *Drug Plan Rider*, depending on your Plan;
- Coinsurance amounts.

COPAYMENTS

Copayments for specific services are listed on your *Summary of Benefits*. The Copayment amount varies depending on the place of service and on the type of Provider. For example, depending on the Plan option chosen, the Copayment for an office visit to a PCP may be lower than the Copayment for a specialist visit.

Other Fixed- Dollar Copayments

Besides office visits, other services may also be subject to a fixed Copayment amount. These services may also require Coinsurance and a Deductible, with the exception of the all Copayment plans described above, or such plans that only require that you pay a fixed Copayment amount for **certain** services, with no Deductible or

Coinsurance to pay in addition for these services, depending on the Plan option chosen. See the *Summary of Benefits* for more information.

Drug Plan Copayment

Depending upon the Plan you chose, your Drug Plan may have services subject to a fixed Copayment. See your separately issued *Drug Plan Rider* and the *Summary of Benefits* for more information.

COINSURANCE

For most Covered Services, you must pay a percentage of Covered Charges (Coinsurance) after you have met your Calendar Year Deductible and, depending on your Plan, as specified on your *Summary of Benefits*. After your share has been calculated, this Plan pays the rest of the Covered Charge, up to maximum benefit limits, if any.

Drug Plan Coinsurance

Depending upon the Plan you chose, your Drug Plan may have services subject to a Coinsurance. See your separately issued *Drug Plan Rider* and the *Summary of Benefits* for more information.

OUT-OF-POCKET LIMIT

The Out-of-Pocket Limit is the maximum amount of Deductible(s), Coinsurance, and Copayments that you pay for most Covered Services in a Calendar Year. After the Out-of-Pocket Limit is reached, this Plan pays 100 percent of your Covered Charges for the rest of the Calendar Year, not to exceed any benefit limits.

Individual Limit

Once your Deductible, Coinsurance, and Copayment amounts for Covered Charges in a Calendar Year reach the amount indicated on the *Summary of Benefits*, this Plan pays 100 percent of your Covered Charges for the rest of that Calendar Year.

Family Limits

For double or Family Coverage, with two enrolled Members, the annual Out-of-Pocket requirement is fulfilled when both covered Members have each met their respective individual Out-of-Pocket amount listed on the Summary of Benefits during the Calendar Year. Refer to your *Summary of Benefits* for details.

What Is Included in the Out-of-Pocket Limits

The following amounts are applied to the Out-of-Pocket Limits:

- fixed-dollar Copayments;
- Coinsurance amounts;
- Calendar Year Deductible;
- *Drug Plan Rider* Copayments and/or Coinsurance amounts;
- charges covered under your *Drug Plan Rider*.

See the Summary of Benefits for your Deductible amounts, Copayments, Coinsurance percentages and Out-of-Pocket Limit amounts.

CHANGES TO THE COST-SHARING AMOUNTS

Copayments, Coinsurance percentage amounts, Deductibles, and Out-of-Pocket Limits are subject to change or increase as directed or permitted by law. If changes are made, the change applies only to services received after the change goes into effect (for Inpatient Services, benefits are determined based on the date you are admitted to the Facility). You will be notified if changes are made to this Plan. If any benefit changes result in a premium increase, you will be given 60 days notice of such changes.

If you must change from Individual Coverage to Family Coverage because you must add an Eligible Family Member to your coverage, you and your new Eligible Family Member must meet the higher Family Coverage Deductible and Out-of-Pocket Limit.

Exception: If you must switch to Family Coverage because of adding an eligible newborn Child within the time limits specified in Enrollment and Termination, you will not be required to meet the Family Coverage Deductible and Out-of-Pocket Limits for covered Hospital services related to routine newborn nursery care. However, the newborn's pediatrician services for Routine Newborn Care will be subject to Family Coverage Deductible and Out-of-Pocket provisions.

If you lose an Eligible Family Member and must switch from Family to Individual Coverage, you will be given credit for all amounts applied to both the Family Coverage Deductible and the Family Coverage Out-of-Pocket Limit. However, you will not be given a refund for any amounts that are in excess of the new individual coverage amount.

All cost-sharing (including Copayments, Deductibles, Coinsurance, or similar charges) required for Members by BCBSNM for Health Care Services shall be reasonable and shall include any applicable state and federal taxes, for any disease or condition which is the cause of or subject of a public health Emergency. Services include testing and delivery of Health Care Services for COVID-19 (including testing/screening for pneumonia and influenza, treatment for pneumonia when due to or a result of COVID-19 infection, and treatment for influenza when a co-infection with COVID-19).

A public health Emergency exists when declared by the state of New Mexico or federal government.

NOTE: For at least the duration of the public health Emergency, Covered Services for vaccines, diagnostic testing, and treatment for COVID-19 will be provided at no cost to you, to the fullest extent required by applicable law.

NOTE: For at least the duration of the public health Emergency, FDA approved, cleared, or authorized COVID-19 tests, available over-the-counter, will be covered at no cost, when obtained from a Participating Pharmacy. Coverage is limited to eight (8) tests per Member per 30-day period.

If your Group increases the Deductible or Out-of-Pocket Limit amounts during a Calendar Year, the new amounts must be met during the same Calendar Year. For example, if you have met your Deductible and your Group changes to a higher Deductible, you will not receive benefit payments for services received after the change went into effect until the increased Deductible is met.

If your Group decreases the Deductible or Out-of-Pocket Limit amounts, you will not receive a refund for amounts applied to the higher Deductible or Out-of-Pocket Limit.

SECTION 4: UTILIZATION MANAGEMENT

Utilization Management may be referred to as Medical Necessity reviews, utilization review (UR), or medical management reviews. A Medical Necessity review for a procedure/service, inpatient Admission, and length of stay is based on BCBSNM Medical Policy and/or level of care review criteria. Medical Necessity reviews may occur prior to services rendered, during the course of care, or after care has been completed for a Post-Service Medical Necessity Review. Some services may require a Prior Authorization before the start of services, while other services will be subject to a concurrent or Post-Service Medical Necessity review. If requested, services normally subject to a Post-Service Medical Necessity review may be reviewed for Medical Necessity prior to the service through a Recommended Clinical Review as defined below.

Refer to the definition of Medically Necessary/Medical Necessity in *Section 10: Definitions* in this Benefit Booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

PRIOR AUTHORIZATION

Prior Authorization establishes in advance the Medical Necessity or Experimental/Investigational nature of certain care and services covered under this Plan. It ensures that the care and services described below for which you have obtained Prior Authorization will not be denied on the basis of Medical Necessity or Experimental/Investigational.

If Prior Authorization is required, the review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions of this Benefit Booklet. BCBSNM recommends you confirm with your Provider if Prior Authorization has been obtained.

To determine if a specific service or category requires Prior Authorization, visit our website at www.bcbsnm.com/find-care/where-you-go-matters/utilization-management.com for the required Prior Authorization list, which is updated when new services are added or when services are removed. You can also call BCBSNM Customer Service at the toll-free telephone number on the back of your Identification Card.

Medically Necessary/Medical Necessity is defined as Health Care Services determined by a Health Care Provider, in consultation with the health insurance carrier, to be appropriate or necessary, according to:

- any applicable generally accepted principles and practices of good medical care;
- practice guidelines developed by the federal government, national or professional medical societies, boards and associations; or
- any applicable clinical protocols or practice guidelines developed by the health insurance carrier consistent with such federal, national and professional practice guidelines. These standards shall be applied to decisions related to the diagnosis or direct care and treatment of a physical or Mental Disorder, or Chemical Dependency condition, illness, injury or disease.

Please note: Prior Authorization is a requirement that you or your Provider must obtain authorization from BCBSNM before you are admitted as an inpatient and before you receive certain types of services.

Even when this Plan is not your primary coverage, these Prior Authorization procedures must be followed. Failure to do so may result in a denial of benefits.

Most Prior Authorization requests will be evaluated and you and/or the Provider notified of BCBSNM's decision within 7 business days of receiving the request (within 24 hours for Urgent Care requests). If requested services are not approved, the notice will include: (1) the reasons for denial; (2) a reference to the Health Care plan provisions on which the denial is based; and (3) an explanation of how you may appeal the decision if you do not agree with the denial (see *Section 8: Claims Payments and Appeals*) and "If Your Prior Authorization Request is Denied" later in this section).

Retroactive approvals will not be given, except for Emergency and Maternity-Related Admissions, and you may

be responsible for the charges if Prior Authorization is not obtained before the service is received.

HOW THE PRIOR AUTHORIZATION PROCEDURE WORKS

When you or your Provider call, BCBSNM's Health Services representative will ask for information about your medical condition, the proposed treatment plan, and the estimated length of stay (if you are being admitted). The Health Services representative will evaluate the information and notify the requesting Provider if benefits for the proposed hospitalization or other services have been approved through Prior Authorization. If the Admission or other services are not approved through Prior Authorization, you may appeal the decision as explained in *Section 8: Claims Payments and Appeals*.

SERVICES OF HMO-PARTICIPATING PROVIDERS

If the attending Physician is an HMO-Contracting Provider, obtaining Prior Authorization is not your responsibility it is the Provider's. PCPs and other HMO-Participating Providers contracting with BCBSNM must obtain Prior Authorization from BCBSNM (or from the Behavioral Health Unit (BHU), when applicable) in the following circumstances:

- when recommending any non-Emergency Admission, re-admission, or transfer;
- when a covered newborn stay in the Hospital longer than the mother;
- before providing or recommending a service listed under "Other Prior Authorizations," later in this section;
- before recommending that you go to a Nonparticipating Provider for whose services you expect to receive benefits. (Such requests may be denied.)

BCBSNM will advise you if a Prior Authorization request is denied.

NONPARTICIPATING PROVIDERS OR PROVIDERS OUTSIDE THE NETWORK

Except in Emergencies, BCBSNM must Prior Authorize a visit to a Nonparticipating Provider. If Prior Authorization is not obtained before a visit to a Nonparticipating Provider, benefits will not be available for the services.

Care received from a Nonparticipating Provider without a BCBSNM Prior Authorization is covered only if a delay in reaching an HMO-Participating Provider would result in death or disfigurement, jeopardize your health, or seriously impair the function of any bodily organ or part.

BCBSNM may deny Prior Authorization for a visit to a Nonparticipating Provider. Any non-Emergency services received from a Nonparticipating Provider must be unavailable from an HMO-Participating Provider. If services are available within the BCBSNM HMO-Participating network, BCBSNM will not Prior Authorize a visit to a Nonparticipating Provider. If an HMO-Participating Provider is available in another city, you may have to travel to that city to receive benefits for non-Emergency Care. Also, this Plan does not cover services received outside the United States, unless there is an Emergency.

Most Prior Authorizations may be requested over the telephone. If a *written* request is needed, have your Provider call a Health Services representative for instructions for filing a written request for Prior Authorization. The Provider may call on your behalf, but it is your responsibility to ensure that BCBSNM is called when receiving out-of-network services.

For additional information about Prior Authorization for services outside of our Service Area, see the section entitled, "THE BLUECARD® PROGRAM."

If a Nonparticipating Provider or Provider Outside the Network Recommends Services

Under very special medical circumstances, BCBSNM may Prior Authorize a visit to a Nonparticipating Provider. If a Provider recommends an Admission or a service that requires Prior Authorization, the Provider is not obligated to obtain the Prior Authorization for you. In such cases, it is your responsibility to ensure that Prior Authorization is obtained. If Prior Authorization is not obtained before services are received, you will be

entirely responsible for the charges.

Remember: Nonpreferred Providers are covered only for Emergency Care and in those specific circumstances described in the “*Exceptions for Nonpreferred Providers*” provisions of *Section 3: How Your Plan Works*.

INPATIENT PRIOR AUTHORIZATION

Inpatient Admissions

Your Provider may need to obtain Prior Authorization from the Plan for an inpatient Admission, if inpatient Admissions are identified as needing a Prior Authorization. In the case of an elective inpatient Admission, if services require an authorization, it is recommended that the call for Prior Authorization should be made at least two working days before you are admitted unless it would delay Emergency Care. In an Emergency, it is recommended that Prior Authorization should take place within two working days after Admission, or as soon thereafter as reasonably possible.

Your Preferred Provider is required to obtain Prior Authorization for any inpatient Admissions that may require Prior Authorization. If Prior Authorization is not obtained for Inpatient Services and the services are denied as not Medically Necessary, the Participating Provider will be held responsible and will not be able to bill the Member for the services.

If the Physician or Provider of services is not a Preferred Provider then you, your Physician, Provider of services, or an authorized representative should obtain Prior Authorization by the Plan by calling one of the toll-free numbers shown on the back of your Identification Card. The call should be made between 8:00 A.M. and 5:00 P.M., Mountain Standard Time, on business days and 8:00 A.M. and 11:00 A.M., Mountain Standard Time on Saturdays, Sundays and legal holidays. Calls made after these hours will be recorded and returned no later than 24 hours after the call is received. We will follow up with your Provider’s office. After working hours or on weekends, please call the toll-free number listed on the back of your Identification Card. Your call will be recorded and returned the next working day. A benefits management nurse will follow up with your Provider’s office. All timelines for Prior Authorization requirements are provided in keeping with applicable state and federal regulations.

When Prior Authorization of an inpatient Admission is obtained, a length-of-stay is assigned. Your Provider may seek an extension for the additional days if you require a longer stay. Benefits will not be available for room and board charges for medically unnecessary days. For more information regarding lengths of stay, refer to the **Length of Stay/Service Review** subsection of this Benefit Booklet.

For Behavioral Health Inpatient Hospital Admissions please see **Contacting Behavioral Health** section below.

Prior Authorization not required for Maternity care and Treatment of Breast Cancer unless Extension of Minimum Length of Stay Requested.

Your Plan is required to provide a minimum length of stay in a Hospital facility for the following:

- Maternity Care
 - 48 hours following an uncomplicated vaginal delivery
 - 96 hours following an uncomplicated delivery by caesarean section
- Treatment of Breast Cancer
 - 48 hours following a mastectomy
 - 24 hours following a lymph node dissection

You or your Provider will not be required to obtain Prior Authorization from BCBSNM for a length of stay less than 48 hours (or 96 hours) for Maternity care or less than 48 hours (or 24 hours) for Treatment of Breast Cancer. If you require a longer stay, you, your authorized representative, or your Provider must seek an

extension for the additional days by obtaining Prior Authorization from BCBSNM.

OUTPATIENT SERVICE REVIEW

If Prior Authorization is required, the review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions of this Benefit Booklet. BCBSNM recommends you confirm with your Provider if Prior Authorization has been obtained.

There may be general categories of covered services that require Prior Authorization.

To determine if a specific service or category requires Prior Authorization, visit our website at www.bcbsnm.com/find-care/where-you-go-matters/utilization-management.com for the required Prior Authorization list, which is updated when new services are added or when services are removed. You can also call BCBSNM Customer service at the number on the back of your Identification Card.

NOT OBTAINING INPATIENT PRIOR AUTHORIZATION

If you or your Provider do not receive Prior Authorization for inpatient benefits, but you choose to be hospitalized anyway, no benefits may be paid as indicated in the table below:

If, based on a review of the Claim:	Then:
The Admission was not for a Covered Service.	Benefits for the Facility and all related services will be denied. *
The Admission was for an item listed under “Other Prior Authorizations,” (e.g., elective Admissions).	Benefits for the Facility and all related services may be denied. *
The Admission was for any other Covered Service, but hospitalization was not Medically Necessary.	Benefits may be denied for room, board, and other charges that are not Medically Necessary. *
The Admission was for a Medically Necessary Covered Service.	Benefits for the Facility’s Covered Services may be denied. *

* Noncovered and denied services are not applied to any Deductible or Out-of-Pocket Limit. You are responsible for paying this amount for out-of-network services.

Inpatient Prior Authorization requirements may affect the amounts that this Plan pays for Inpatient Services, but they do not deny your right to be admitted to any Facility and to choose your services.

OTHER PRIOR AUTHORIZATION

In addition to Prior Authorization review for all non-Emergency Inpatient Services, Prior Authorization is required for certain other services listed below. Most Prior Authorizations may be requested over the telephone. If a written request is needed, have your Provider call a Health Services representative for instructions for filing a written request for Prior Authorization. An out-of-network Provider, or an out-of-state Network Provider may call on your behalf, but it is your responsibility to ensure that BCBSNM is called. HMO-Providers that contract directly with BCBSNM are responsible for requesting all necessary Prior Authorizations for you. (See “*Inpatient Prior Authorization*” for further information regarding inpatient Prior Authorization requirements.)

If Prior Authorization is not obtained for the following services and any related services, the service will be reviewed for Medical Necessity and subject to one of the following actions in the chart below:

No Prior Authorization Received:	Claim Disposition: HMO-Participating	Claim Disposition: Nonparticipating
Service is Medically Necessary	Claim is paid based on Member’s benefit plan	Claim is paid based on Member’s benefit plan
Service is not Medically Necessary	Claim is denied; Member is held harmless	Claim is denied;

BCBSNM will send a written response to you, your Physician and the Hospital or Facility with a determination

of your Prior Authorization review within seven (7) business days after BCBSNM receives the request for Prior Authorization review of a non-Urgent Care request.

A Prior Authorization request involving Urgent Care is any request for medical care or treatment with respect to which the application of the time periods for making non-Urgent Care determinations could, based on reasonable medical probability, seriously jeopardize your life or health or your ability to regain maximum function; or in the opinion of a Physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Prior Authorization request. BCBSNM will respond to you no later than 24 hours after receipt of a complete request for Prior Authorization involving Urgent Care.

The Prior Authorization requirements noted above do not apply to mandated benefits, unless permitted by law and stated in the provisions of a specific mandated benefit. Gynecological or obstetrical ultrasounds do not require Prior Authorization. The Medical Necessity requirements noted above do not apply to mandated benefits, unless permitted by law.

IF YOUR PRIOR AUTHORIZATION REQUEST IS DENIED

BCBSNM has established written procedures for reviewing and resolving your concern(s). There are two different procedures depending upon the type of issue involved - pre-service or post-service. This is a summary of the procedures that apply to Prior Authorization request(s) ("pre-service Claim(s)"). For appeal(s) involving post-service Claim(s) payment(s) or denial(s); see *Section 8: Claims Payment and Appeals*.

If you are dissatisfied at any time during the process described below, you may file an appeal. You may designate a representative to act for you in the review and appeal procedures. Your designation of a representative must be in writing in order to protect against disclosure of information about you except to your authorized representative.

If you make an inquiry or request an appeal under the following procedures, you will not be subject to retaliatory action by BCBSNM.

If you have an inquiry or a concern about any Prior Authorization request, call your Customer Service Advocate for assistance. Many complaints or problems can be handled informally by calling or writing BCBSNM Customer Service. If you make an oral complaint, a BCBSNM Customer Service Advocate will assist you.

PRIOR AUTHORIZATION RENEWAL

A Prior Authorization issued by BCBSNM shall not expire sooner than sixty (60) days from the date of approval unless an earlier expiration is warranted by the clinical criteria. BCBSNM will allow a request for the extension of an approved authorization if supported by the clinical criteria and BCBSNM medical policy.

LENGTH OF STAY/SERVICE REVIEW

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions under the Benefit Booklet.

Upon completion of the inpatient or Emergency Admission review, BCBSNM will send you, your Physician, Behavioral Health Practitioner and/or the Hospital or Facility with a determination on the approved length of service or length of stay.

An extension of the length of stay/service will be based solely on whether continued inpatient care or other Health Care Services are Medically Necessary. If the extension is determined not to be Medically Necessary, the coverage for the length of stay/service will not be extended, except as otherwise described in the *Claim Payments and Appeals* section under this Benefit Booklet.

A length of stay/service review, also known as a concurrent Medical Necessity review, is when you, your Provider or other authorized representative may submit a request to the plan for continued services. If you, your Provider or authorized representative requests to extend care beyond the approved time limit and it is a request involving

Urgent Care or an ongoing course of treatment, the plan will make a determination on the request as soon as possible but no later than 72 hours after it receives the initial request, or within 48 hours after it receives the missing information (if the initial request is incomplete).

RECOMMENDED CLINICAL REVIEW

Some services that do not require Prior Authorization may be subject to review for evidence of Medical Necessity for coverage determinations that may occur prior to services rendered, during the course of care or after care has been completed for a Post-Service Medical Necessity Review.

A Recommended Clinical Review is a Medical Necessity review for a Covered Service that occurs before services are completed and helps limit the situations where you have to pay for a non-approved service. BCBSNM will review the request to determine if it meets approved BCBSNM medical policy and/or level of care review criteria for medical and Behavioral Health Services. Once a decision has been made on the services reviewed as part of the Recommended Clinical Review process, they will not be reviewed for Medical Necessity again on a retrospective basis. Submitted services (subject to Medical Necessity review) not included as part of Recommended Clinical Review may be reviewed retrospectively.

To determine if a Recommended Clinical Review is available for a specific service, visit our website at www.bcbsnm.com/find-care/where-you-go-matters/utilization-management.com for the required Prior Authorization and Recommended Pre-Service Clinical Review list, which is updated when new services are added or when services are removed. You can also call BCBSNM Customer service at the number on the back of your Identification Card.

Recommended Clinical Review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitation and exclusions under this Benefit Booklet. Please coordinate with your Provider to submit a written request for Recommended Clinical Review.

CONTACTING BEHAVIORAL HEALTH

You, your Physician or Provider of services or your authorized representative may contact BCBSNM for a Prior Authorization or Recommended Clinical Review by calling the toll-free number shown on the back of your Identification Card and follow the prompts to the Behavioral Health Unit. During regular business hours (8:00 A.M. and 5:00 P.M., Central Time, on business days), the caller will be routed to the appropriate Behavioral Health clinical team for review. Outpatient requests should be requested during regular business hours. After 8:00 PM, on weekends, and on holidays, the same Behavioral Health line is answered by clinicians available for Inpatient acute Recommended Clinical Reviews only. Requests for residential or Partial Hospitalization are reviewed during regular business hours.

General Provisions Applicable to All Recommended Clinical Reviews

a) No Guarantee of Payment

A **Recommended Clinical Reviews** is not a guarantee of benefits or payment of benefits by BCBSNM. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Benefit Booklet. Even if the service has been approved on **Recommended Clinical Reviews**, coverage or payment can be effected for a variety of reasons. For example, the Member may have become ineligible as of the date of service or the Member's benefits may have changed as of the date of service.

b) Request for Additional Information

The **Recommended Clinical Reviews** process may require additional documentation from the Member's Health Care Provider or pharmacist. In addition to the written request for **Recommended Clinical Reviews**, the Health Care Provider or pharmacist may be required to include pertinent documentation explaining the proposed services, the functional aspects of the treatment, the projected outcome, treatment plan and any other supporting

documentation, study models, prescription, itemized repair and replacement cost statements, photographs, x-rays, etc., as may be requested by BCBSNM to make a determination of coverage pursuant to the terms and conditions of this plan.

POST-SERVICE MEDICAL NECESSITY REVIEW

A Post-Service Medical Necessity Review, sometimes referred to as a retrospective review or Post-Service Claims request, is the process of determining coverage after treatment has been provided and is based on Medical Necessity guidelines. A Post-Service Medical Necessity Review confirms Member eligibility, availability of benefits at the time of service, and reviews necessary clinical documentation to ensure the service was medically Necessary. A Post-Service Medical Necessity Review may be performed when a Prior Authorization or Recommended Clinical Review was not obtained prior to services being rendered under certain circumstances. HMO-Participating Providers are required to submit appropriate documentation in response to a Post-Service Medical Necessity Review Claim request by BCBSNM. Members are not responsible for providing such documentation. If an HMO-Participating Provider's Claim is denied because BCBSNM determined that the services were not Medically Necessary, the Member is not financially responsible and is held harmless.

General Provisions Applicable to All Post-Service Medical Necessity Reviews

a) No Guarantee of Payment

A Post-Service Medical Necessity Review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitation, and exclusions of this Benefit Booklet. Post-Service Medical Necessity Reviews do not guarantee payment of benefits by BCBSNM, for instance a Member may become ineligible as of the date of service or the Member's benefits may have changed as of the date of service.

b) Request for Additional Information

The Post-Service Medical Necessity Review process may require additional documentation from the Member's Health Care Provider or pharmacist. In addition to the written request for Post-Service Review, the Health Care Provider or pharmacist may be required to include pertinent documentation explaining the services rendered, the functional aspects of the treatment, the projected outcome, treatment plan and any other supporting documentation, study models, prescription, itemized repair and replacement cost statements, photographs, x-rays, etc., as may be requested by BCBSNM to make a determination of coverage pursuant to the terms and conditions of this plan.

SECTION 5: COVERED SERVICES

This section describes the services and supplies covered by this Health Care plan, subject to the limitations and exclusions in *Section 3: How Your Plan Works* and *Section 6: General Limitations and Exclusions*. All payments are based on Covered Charges as determined by BCBSNM.

Please note that services must be determined to be Medically Necessary by your Provider in consultation with BCBSNM's medical director in order to be covered under this Plan.

Coverage of items and services provided to you is subject to BCBSNM policies and guidelines, including, but not limited to, medical, medical management, utilization or clinical review, Utilization Management, and clinical payment and coding policies, which are updated throughout the plan year. These policies are resources utilized by BCBSNM when making coverage determinations and lay out the procedure and/or criteria to determine whether a service, procedure, treatment, facility, equipment, drug or device is Medically Necessary and is eligible as a Covered Service or is Experimental/Investigational/Unproven, Cosmetic, or a convenience item. Additional information can be found in *Section 6: General Limitations and Exclusions*.

The clinical payment and coding policies are intended to ensure accurate documentation for services performed and require all providers to submit Claims for services rendered using valid code combinations from Health Insurance Portability and Accountability Act ("HIPAA") approved code sets. Under the clinical payment and coding policies, Claims are required to be coded correctly according to industry standard coding guidelines including, but not limited to:

- Uniform Billing ("UB") Editor;
- American Medical Association ("AMA");
- Current Procedural Terminology ("CPT®");
- CPT® Assistant;
- Healthcare Common Procedure Coding System ("HCPCS");
- ICD-10 CM and PCS;
- National Drug Codes ("NDC");
- Diagnosis Related Group ("DRG") guidelines;
- Centers for Medicare and Medicaid Services ("CMS") National Correct Coding Initiative ("NCCI") Policy Manual;
- CCI table edits and other CMS guidelines.

Coverage for Covered Services is subject to the code edit protocols for services/procedures billed and Claim submissions are subject to applicable Claim review which may include, but is not limited to, review of any terms of benefit coverage, provider contract language, medical and medical management policies, utilization or clinical review or Utilization Management policies, clinical payment and coding policies as well as coding software logic, including but not limited to lab management or other coding logic or edits.

Any line on the Claim that is not correctly coded and is not supported with accurate documentation (where applicable) may not be included in the Covered Charge and will not be eligible for payment by the Plan. The clinical payment and coding policies apply for purposes of coverage regardless of whether the provider rendering the item or service or submitting the Claim is participating or non-participating. The most up-to-date medical policies and clinical procedure and coding policies are available at <http://www.medicalpolicy.hcsc.net/medicalpolicy/disclaimer?corpEntCd=NM1#hlink> and <https://www.bcbsnm.com/provider/standards-requirements/standards/clinical-payment-coding-policies> or by contacting a Customer Service Representative at the number shown on your Identification Card.

MEDICALLY NECESSARY SERVICES

A service or supply is Medically Necessary when it is provided to diagnose or treat a covered medical condition, is a service or supply that is covered under this Plan, and is determined by your Provider in consultation with BCBSNM's medical director to meet the following definition:

Medically Necessary/Medical Necessity is defined as Health Care Services determined by a Provider, in consultation with the health insurance carrier, to be appropriate or necessary, according to:

- any applicable generally accepted principles and practices of good medical care;
- practice guidelines developed by the federal government, national or professional medical societies, boards and associations; or
- any applicable clinical protocols or practice guidelines developed by the health insurance carrier consistent with such federal, national and professional practice guidelines. These standards shall be applied to decisions related to the diagnosis or direct care and treatment of a physical Mental Disorder. and Chemical Dependency condition, illness, injury or disease.

All services must be eligible for benefits as described in this section, not listed as an exclusion and/or meet the conditions of "Medically Necessary" as defined above in order to be covered.

NOTE: Because a Health Care Provider prescribes, orders, recommends, or approves a service does not make it Medically Necessary or make it a Covered Service, even if it is not specifically listed as an exclusion. Medical Necessity is determined by your Provider, in consultation with the health plan based on the criteria above.

If Medicare is Primary

When Medicare is primary (for example, you are a retiree or an Eligible Family Member of a retiree and eligible for Medicare due to age, you are under 65 and have exhausted the end-stage renal disease coordination time period under Medicare, or you are eligible for Medicare due to end-stage renal disease and turn age 65), if Medicare allows a service as Medically Necessary, the Plan will also consider it Medically Necessary. When Medicare determines that a service was not Medically Necessary, BCBSNM may (at your request) make its own determination regarding the service's Medical Necessity. However, for non-Medicare Covered Services, BCBSNM determines whether a service or supply is Medically Necessary and, therefore, whether the expense is covered under this Plan.

Prior Authorizations are a requirement that you or your Provider must obtain authorization from BCBSNM *before* you are admitted as an inpatient or receive certain types of services.

In order to receive benefits:

- services must be covered and Medically Necessary;
- services must not be excluded; and
- the procedures described in this section must be followed regardless of where services are rendered or by whom.

Prior Authorization determines only the Medical Necessity of a specific service and/or an Admission and an allowable length of stay. **Prior Authorization does not guarantee your eligibility for coverage, that benefit payment will be made, or that you will receive benefits.** (For example, if you are not a covered Member at the time services are rendered.) Eligibility and benefits are based on the date you receive the services. Services not listed as covered, excluded services, services received after your termination date under this Plan, and services that are not Medically Necessary will be denied.

AMBULANCE SERVICES

This Plan covers Ambulance services in an Emergency when a Member requires Emergency Healthcare Services under circumstances that a reasonable layperson to believe that transportation in any other vehicle would result in jeopardy to your physical or mental health.

In determining whether you acted in good faith as a Reasonable/Prudent Layperson when obtaining Emergency Ambulance Services, we will take the following factors into consideration:

- Whether a Reasonable/Prudent Layperson who possesses average knowledge of health and medicine would have believed that transportation in any other vehicle would have endangered your health.
- Whether you were advised to seek an Ambulance Service by your Practitioner/Provider or by our staff. Any such advice will result in reimbursement for all Medically Necessary services rendered, unless otherwise limited or excluded under this Agreement.
- Ground or air Ambulance Services to any Level I or II or other appropriately designated trauma/burn center according to established Emergency medical services triage and treatment protocols Ambulance Service (ground or air) to the coroner's office or to a mortuary is not Covered, unless the Ambulance had been dispatched prior to the pronouncement of death by an individual authorized under state law to make such pronouncements.

When you cannot be safely transported by any other means in a non-Emergency situation, this Plan also covers Medically Necessary Ambulance transportation to a Health Care Facility with appropriate facilities, or from one Hospital to another.

In determining whether Ambulance Services are reimbursable, BCBSNM will take the following factors into consideration:

- A reasonable person's belief that the circumstances required immediate medical care that could not wait until the next working day or next available appointment.
- The time of day the care was provided.
- The presenting symptoms; and
- Any circumstances which precluded use of the HMO's established procedures for obtaining Emergency Care.

Outside the Service Area

Ambulance services are covered only in an Emergency. See "Emergency and Urgent Care" for details on obtaining Emergency Care.

Air Ambulance

Ground Ambulance is usually the approved method of transportation. This Plan covers air Ambulance when Medically Necessary.

Exclusions

This Plan does **not** cover:

- commercial transport, private aviation, or air taxi services;
- services not specifically listed as covered, such as private automobile, public transportation, or wheelchair Ambulance;
- services ordered only because other transportation was not available, or for your convenience.

AUTISM SPECTRUM DISORDERS

This Plan covers the Habilitative Treatment and rehabilitative treatment of Autism Spectrum Disorder through Speech Therapy, Occupational Therapy, Physical Therapy, and Applied Behavioral Analysis (ABA) therapies with no age restrictions or age limits for the Member. Providers must be credentialed to provide such therapy.

Treatment must be prescribed by the Member's treating Physician in accordance with a treatment plan. The treatment plan must obtain **Prior Authorization** by BCBSNM to determine that the services are to be performed in accordance with such a treatment plan; if services are received but were not approved as part of the treatment plan, benefits for services may be denied.

Services not approved through Prior Authorization by BCBSNM must be performed in accordance with a treatment plan and must be Medically Necessary or benefits for such services may be denied. **NOTE:** Habilitative Services are defined as Occupational Therapy, Physical Therapy, Speech Therapy and other Health Care Services that help you keep, learn, or improve skills and functioning for daily living, as prescribed by your Physician pursuant to a treatment plan. Examples include therapy for a Child who isn't walking or talking at the expected age and includes therapy to enhance the ability of a Child to function with a Congenital, Genetic or Early Acquired disorder. These services may include Physical Therapy and Occupational Therapy, speech-language pathology, and other services for people with disabilities in a variety of Inpatient and/or outpatient settings, with coverage as described in this Policy.

Services are subject to usual Member cost-sharing features such as Deductible, Coinsurance, Copayments, and Out-of-Pocket Limits, based on place of treatment and type of service, except where prohibited by state or federal law. **NOTE:** Applied Behavioral Analysis (ABA) therapies are not subject to Member cost-sharing when received from a Network Provider. All services are subject to the *General Limitations and Exclusions* except where explicitly mentioned as being an exception. This benefit is subject to the other general provisions of the health plan, including but not limited to: coordination of benefits, Participating Provider agreements, restrictions on Health Care Services, including review of Medical Necessity, case management, and other Managed Care provisions.

Regardless of the type of therapy received, Claims for services related to Autism Spectrum Disorder should be mailed to BCBSNM, **not** to the Behavioral Health Services administrator.

Exclusions

This Plan does **not** cover:

- any Experimental, long-term, or maintenance treatments not required under state law unless listed above;
- any services that are not Medically Necessary;
- any services received under the federal Individuals with Disabilities Education Improvement Act of 2004 and related state laws that place responsibility on state and local school boards for providing specialized education and related services to children 3 to 22 years old who have Autism Spectrum Disorder;
- services in accordance with a treatment plan that has not been approved through Prior Authorization by BCBSNM;
- respite services or care;
- Sensory Integration Therapy (SIT);
- music therapy, vision therapy, or touch or massage therapy;
- floor time;
- facilitated communication;
- elimination diets; nutritional supplements; intravenous immune globulin infusion; secretin infusion;
- chelation therapy;
- hippotherapy, animal therapy, or art therapy.

DENTAL-RELATED SERVICES AND ORAL SURGERY

The following services are the only Dental-Related Services and oral surgery procedures covered under this Plan. When alternative procedures or devices are available, benefits are based upon the most Cost Effective, medically appropriate procedure or device available.

Dental and Facial Accidents

Benefits for Covered Services for the treatment of Accidental Injuries to the jaw, mouth, face or Sound Natural Teeth are generally subject to the same limitations, exclusions and Member cost-sharing provisions that would apply to similar services when not Dental-Related (e.g., x-rays, Medical Supplies, Surgical Services.) This also includes services or supplies provided for the treatment of an Accidental Injury resulting from an act of domestic violence or a medical condition.

To be covered, *initial* treatment for the Accidental Injury should be sought as soon as possible after an accident to minimize any adverse effects that may occur due to lack of appropriate medical attention. Any services required after the initial treatment must be associated with the initial accident in order to be covered.

Facility Charges and General Anesthesia for Dental-Related Services

This Plan covers inpatient or outpatient Hospital expenses (including Ambulatory Surgical Facilities) and Hospital and Physician charges for the administration of general anesthesia for noncovered, Medically Necessary Dental-Related Services if the patient requires hospitalization for one of the following reasons:

- Because of the **patient's** physical, intellectual or medical condition(s), local anesthesia is not the best choice.
- Local anesthesia is ineffective because of acute infection, anatomic variation, or allergy to local anesthesia.
- The patient is a Member age 19 or younger who is extremely uncooperative, fearful or uncommunicative; his/her dental needs are too significant to be postponed; and lack of treatment would be detrimental to the Child's dental health.
- Because oral-facial or dental trauma is so extensive, local anesthesia would be ineffective.
- There is a Medically Necessary dental procedure, not excluded by any general limitation or exclusion listed in this Benefit Booklet such as for work-related or Cosmetic services, etc. - that requires the patient to undergo general anesthesia or be hospitalized.

All Hospital Covered Services for dental procedures must be approved through **Prior Authorization** by BCBSNM. **NOTE:** Unless listed as a Covered Service in this section, the Dentist's services for the procedure will not be covered.

Reminder: If Hospital Covered Services are recommended by a Nonparticipating Provider, you are responsible for assuring that your Provider obtains Prior Authorization for outpatient Covered Services or benefits may be denied.

Oral Surgery

This Plan covers the following oral surgical procedures only:

- Medically Necessary orthognathic surgery;
- external or intraoral cutting and draining of cellulitis (not including treatment of Dental-Related abscesses);
- incision of accessory sinuses, salivary glands or ducts;
- lingual frenectomy;
- removal or biopsy of tumors or cysts of the jaws, cheeks, lips, tongue, roof or floor of mouth when pathological examination is required;

- removal of exostoses or bony impacted teeth.

TMJ/CMJ Services

This Plan covers standard diagnostic, therapeutic, surgical and nonsurgical treatments of Temporomandibular Joint (TMJ)/Craniomandibular Joint (CMJ) disorders or Accidental Injuries. Treatment may include orthodontic Appliances and treatment, crowns, bridges, or dentures **only if** required because of an Accidental Injury to Sound Natural Teeth involving the Temporomandibular/Craniomandibular Joint.

Exclusions

This Plan does **not** cover oral or dental procedures not specifically listed as covered, such as, but not limited to:

- surgeon's or Dentist's charges for noncovered dental services;
- hospitalization or general anesthesia for the patient's or Provider's convenience;
- any service related to a dental procedure that is not Medically Necessary;
- any service related to a dental procedure that is excluded under this Plan for reasons other than being Dental-Related, even if hospitalization and/or general anesthesia is Medically Necessary for the procedure being received (e.g., Cosmetic procedures, Experimental procedures, services received after coverage termination, work-related injuries, etc.);
- nonstandard services (diagnostic, therapeutic, or surgical);
- removal of tori;
- procedures involving orthodontic care, the teeth, dental implants, periodontal disease, noncovered services, or preparing the mouth for dentures;
- duplicate or "spare" Appliances;
- personalized restorations, Cosmetic replacement of serviceable restorations, or materials (such as precious metals) that are more expensive than necessary to restore damaged teeth;
- dental treatment or surgery, such as extraction of teeth or application or cost of devices or splints, unless required due to an Accidental Injury and covered under "Dental and Facial Accidents" or "TMJ/CMJ Services";
- dentures, artificial devices and/or bone grafts for denture wear, including implants.

DIABETIC SERVICES

Diabetic persons are entitled to the same benefits for Medically Necessary Covered Services as are other Members under the Health Care plan. For special coverage details, such as for insulin, glucose monitors and educational services, refer to the applicable provisions as noted below. **NOTE:** This Plan will also cover items not specifically listed as covered when new and improved equipment, Appliances and prescription drugs for the treatment and management of diabetes are approved by the U.S. Food and Drug Administration.

Diabetes Self-Management Education

This Plan covers diabetes self-management training including if you have elevated blood glucose levels induced by pregnancy. Training must be prescribed by a Health Care Provider and given by a certified, registered, or licensed Health Care professional with recent education in diabetes management. Covered Services are limited to:

- Medically Necessary visits upon the diagnosis of diabetes;
- visits following a Physician diagnosis that represents a significant change in your symptoms or condition that warrants changes in your self-management;
- visits when re-education or refresher training is prescribed by a Health Care Provider;
- medical nutrition therapy related to diabetes management.

Diabetic Supplies and Equipment

This Plan covers the following supplies and equipment under the medical portion for your health benefits plan for diabetic Members and individuals with elevated glucose levels due to pregnancy:

- injection aids, including those adaptable to meet the needs of the legally blind;
- insulin pumps and insulin pump supplies;
- blood glucose monitors, including those for the legally blind;
- Medically Necessary Podiatric Appliances for prevention and treatment of foot complications associated with diabetes, including therapeutic molded or depth-inlay shoes, functional orthotics, custom molded inserts, replacement inserts, preventive devices, and shoe modifications.

Reminder: See your *Drug Plan Rider* for additional diabetic supply coverage of the following supplies which are covered under the pharmacy portion of your health benefit plan: insulin; insulin needle and syringes; visual reading urine and ketone strips; lancets and lancet devices; prescriptive oral agents for controlling blood sugar levels; test strips for glucose monitors, and glucagon Emergency kits.

NOTE: The Plan will also cover items not specifically listed as covered when new and improved equipment, Appliances, and prescription drugs for the treatment and management of diabetes are approved by the U.S. Food and Drug Administration. This Plan will: (1) maintain an adequate formulary to provide these resources to individuals with diabetes; and (2) guarantee reimbursement or coverage for the equipment, Appliances, prescription drugs, insulin, or Medical Supplies described in this Benefit Booklet and/or your *Drug Plan Rider* within the limits of this Plan.

EMERGENCY CARE AND URGENT CARE

Acute medical Emergency Care is available 24 hours per day, 7 days a week. If services are received in an Emergency room or other trauma center, the condition must meet the definition of an “Emergency” in order to be covered.

Emergency Care

This Plan covers medical or surgical procedures, treatments, or services delivered after the sudden onset of what reasonably appears to be a medical condition with symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected by a reasonable layperson to result in jeopardy to his/her health; serious impairment of bodily functions; serious dysfunction of any bodily organ or part, or disfigurement. (In addition, services must be received in an Emergency room, trauma center, or Ambulance to qualify as an Emergency.) Examples of Emergency conditions include, but are not limited to: heart attack or suspected heart attack, coma, loss of respiration, stroke, acute appendicitis, severe allergic reaction, or poisoning. Non-Emergency services provided in an Emergency room for treatment of Mental Disorders or Chemical Dependency will be paid the same as Emergency Care services.

Emergency room and Ambulance Services

Use of an Emergency center for non-Emergency Care is NOT covered. However, services will not be denied if you, in good faith and possessing average knowledge of health and medicine, seek care for what reasonably appears to be an Emergency — even if your condition is later determined to be non-Emergency.

Acute Emergency Care is available 24 hours per day, 7 days a week. If services are received in an Emergency room or other trauma center, the condition and treatment must meet the definition of Emergency Care in order to be covered. Services received in an Emergency room that do not meet the definition of Emergency Care may be reviewed for appropriateness and may be denied.

You do not need BCBSNM authorization before seeking **Emergency room or Emergency Ambulance** services from either an HMO-Participating or a Nonparticipating Provider. **Nonparticipating Provider care received without a Prior Authorization in any other setting (e.g., Physician’s office or Urgent Care center) will not**

be covered. (See *Section 4: Utilization Management* for more information about Prior Authorization requirements.) Emergency room and Ambulance services for a condition that meets the definition of “Emergency Care” will be covered within the limits of the Health Care plan. Services for conditions that do *not* meet the definition of “Emergency Care” and have not been approved through Prior Authorization will **not** be covered.

What to Do

In an Emergency:

- If cardiopulmonary resuscitation (CPR) is necessary or if there is an immediate threat to life or limb, **call 911.**
- If you do not call 911, and you are:
 - In the Service Area (i.e., New Mexico): **Either call your PCP or go directly to an HMO-participating Hospital.** If due to the severity of the medical problem, you are unable to reach an HMO-participating Hospital, **go to the nearest medical Facility or trauma center.**

Emergency Notification

You do not need BCBSNM authorization before seeking **Emergency room** services or being hospitalized as an inpatient from the Emergency room for Emergency Care. However, you should call BCBSNM for Prior Authorization of Nonparticipating Provider Facility services or in order to notify BCBSNM of any Emergency inpatient Admission as soon as reasonably possible. Such services, when received without Prior Authorization, may be reviewed for Medical Necessity/appropriateness and you may be responsible for all charges.

Follow-Up Care

Once you are discharged from the Emergency room or inpatient setting, follow-up care from a Nonparticipating Provider **must** be approved through Prior Authorization by BCBSNM in order to be covered. You should notify your PCP and/or BCBSNM as soon as possible after receiving the Emergency room care or of being admitted as an inpatient in order to arrange for follow-up care.

Filing Claim(s) for Service(s) of a Nonparticipating Provider

When you receive the itemized bill from the Hospital or Emergency room Physician; send it to BCBSNM or the local BCBS Plan in the state where services were received. See *Section 8* for more information on filing Claim(s).

Urgent Care

The Urgent Care Copayment and/or Coinsurance will apply to care received in an Urgent Care Facility (including Hospital-based Urgent Care centers). Covered Services received in an Emergency room or other trauma center may be subject to an Emergency room Deductible depending upon your Plan and your condition must meet the definition of “Emergency” in order to be covered.

Urgent Care Center Copayments or Coinsurance

When you visit an HMO-Participating Provider Urgent Care Facility, you pay a Copayment or Coinsurance for the covered visit. If you visit a Nonparticipating Provider Urgent Care Facility, services will **not** be covered unless such services meet one of the criteria listed in *Section 3: How Your Plan Works* as being eligible for a “benefit exception” for Nonparticipating Providers.

If you need Urgent Care, you have the choice of taking any of the following steps to receive care:

- Call your PCP and request an immediate appointment (if available).
- Visit the nearest BCBSNM HMO-Participating Provider Urgent Care center.
- If there is not a BCBSNM HMO-Participating Provider center nearby, call your PCP and ask for BCBSNM Prior Authorization to visit another Facility or other appropriate Provider. If you do not receive Prior Authorization **before** receiving treatment from a Nonparticipating Provider, you are responsible for the

entire cost of the service.

- If you are away from home and need Urgent Care, call a Customer Service Advocate who will connect you with the BlueCard® Program. If you prefer, you may contact a BlueCard® representative directly at 1-800-810-BLUE (2583). The BlueCard® representative will give you the name and telephone number of a local Provider who will be able to call BCBSNM Customer Service for eligibility information and will submit a Claim to the local affiliated HMO Plan. You will also need to call your PCP and have him/her call BCBSNM for Prior Authorization to visit an out-of-network Provider. **Urgent Care and follow-up care from Providers who do not participate with BCBSNM must always be approved through Prior Authorization by BCBSNM.**

Exclusions

This Plan does **not** cover:

- the follow-up care received outside the Service Area as a result of an Emergency or an urgent condition, if you could have returned to the Service Area to receive care without medically harmful results;
- services received outside the Service Area if you could have foreseen the need for this care before leaving the Service Area;
- Urgent Care or follow-up care received from a Nonparticipating Provider if it is not authorized in advance by BCBSNM.

Inpatient Services Prior Authorization Required

Prior Authorization is required for all Admissions before you are admitted to the Hospital or other inpatient treatment Facility (e.g., Skilled Nursing Facility, Residential Treatment Center, physical rehabilitation Facility, long-term acute care (LTAC). If you do not obtain Prior Authorization, benefits for covered Facility services may be denied. All inpatient Admissions are subject to Prior Authorization, except in the case of Emergency.

Medical Detoxification

This Plan also covers Medically Necessary services related to Medical Detoxification from the effects of Alcohol or Drug Abuse. Detoxification is the treatment in an acute care Facility for withdrawal from the physiological effects of Alcohol or Drug Abuse, which usually takes about three days in an acute care Facility. Benefits for detoxification services are the same as for any other acute medical/surgical condition. Prior Authorization is

INFUSION THERAPY

Some outpatient infusion services for routine maintenance drugs have been identified as capable of being administered, outside of an outpatient Hospital setting. Member Out-of-Pocket expenses may be lower when services are provided by a Professional Provider in an Infusion Suite, a home or an office, instead of a Hospital. Non-maintenance outpatient infusion therapy services will be covered the same as any other illness. The Summary of Benefits (SBC) describes payment for infusion therapy services.

Pregnancy-Related/Maternity Services

Like any other service, Maternity care must be received from a PCP or other women's Health Care HMO-Participating Provider. Therefore, once your pregnancy is confirmed, you may choose either your PCP or another women's Health Care HMO-Participating Provider to provide Maternity care and receive benefits for Covered Services. The Provider is then responsible for notifying BCBSNM of any Admissions. If you are pregnant, you or your Physician should call BCBSNM for Admission notification before your Maternity due date, soon after your pregnancy is confirmed. BCBSNM must be notified if the mother's stay is greater than **48 hours** for a routine delivery or greater than **96 hours** for a C-section delivery as soon as possible. If not notified, benefits for covered Facility services may be **denied**. (If you are out-of-area and need Emergency services, also notify BCBSNM, your PCP, or HMO-Participating Provider **within 48 hours** or as soon as possible.)

If there is no PCP or HMO-Participating Provider in your area able to provide Maternity services, you or your Provider may request authorization from BCBSNM to recommend you to a women's Health Care Provider.

A covered daughter also has coverage for Pregnancy-Related Services. However, if the parent of the newborn *is* a covered Child of the Subscriber (i.e., the newborn is the Subscriber's grandchild), benefits are **not** available for the newborn except first 48 hours of Routine Newborn Care (or 96 hours in the case of a C-section).

NOTE: You are not required to notify BCBSNM of your pregnancy.

Nonparticipating Provider

If you are pregnant on the date you enroll in the BCBSNM-administered Managed Care Medical Plan and you are already seeing a Provider, please call Customer Service so that BCBSNM can approve your visits to the Provider if he/she is outside the HMO-Participating Provider network. If you are in your first or second trimester, in most cases you will be allowed to continue your care with that doctor for at least 30 days. If you are six or more months pregnant, you can continue seeing your doctor for the rest of your pregnancy.

- Postpartum care in the home rendered by a person with appropriate licensure, training and experience to provide Postpartum care. Services provided shall include, but not be limited to, parent education, assistance and training in breast and bottle feeding, and the performance of any necessary and appropriate clinical tests.
- pregnancy-related diagnostic tests, including genetic testing or counseling when **Prior Authorization** has been obtained by BCBSNM (Services must be sought due to a family history of a gender-linked genetic disorder or to diagnose a possible congenital defect caused by a present, external factor that increases risk, such as advanced maternal age or Alcohol Abuse. For example, tests such as amniocentesis or ultrasound to determine the gender of an unborn Child are **not** covered.) See *Section 4: Utilization Management* for more information about Prior Authorization requirements.
- necessary anesthesia services by a Provider qualified to perform such services, including Acupuncture used as an anesthetic during a covered surgical procedure and administered by a Physician, a licensed Doctor of Oriental Medicine, or other practitioner as required by law.
- when necessary to protect the life of the infant or mother, coverage for transportation, including air transport, for the medically high-risk pregnant woman with an impending delivery of a potentially viable infant to the nearest available Tertiary Care Facility for newly born infants (See “Ambulance Services” for details”.
- services of a Physician who actively assists the operating surgeon in performing a covered surgical procedure when the procedure requires an assistant.
- spontaneous, or therapeutic termination of pregnancy prior to full term (Copayment or Coinsurance will be based on the place of treatment at the time of pregnancy termination.).
- termination of pregnancy prior to full term for rape, incest, or life endangerment (Copayment or Coinsurance will be based on the place of treatment at the time of pregnancy termination.).

This Plan does **not** cover care for planned deliveries or planned C-sections outside the Service Area, unless you made a reasonable effort to be in the Service Area during the six weeks preceding your anticipated delivery date or your PCP arranges out-of-area care for you by obtaining **Prior Authorization** from BCBSNM (which will direct you to a Contracted Provider in the area you will be visiting). See *Section 4: Utilization Management* for more information about Prior Authorization requirements.

This is a maternity program for BCBSNM Members that is available whenever you need it. It can help you better understand and manage your pregnancy. To take full advantage of the program, you should enroll within three months of becoming pregnant. When you enroll, you will receive a questionnaire to find out if there may be any problems with your pregnancy to watch out for, information on nutrition, newborn care, and other topics helpful to new parents. You will also receive personal and private phone calls from an experienced nurse – all the way from pregnancy to six weeks after your Child is born. To learn more, or to enroll, call toll-free at:

1-888-421-7781

Newborn Care

You must add coverage within 31 days of birth in order for any newborn charges, routine or otherwise, to be covered beyond the first 48 hours of birth (or 96 hours in the case of a C-section).

Newborn Eligibility

If you do not elect to add coverage for your newborn within 31 days, and wish to add the Child to coverage later, the Child is considered a Late Applicant unless eligible for a Special Enrollment. **NOTE:** If the parent of the newborn is a covered Child of the Subscriber (i.e., the newborn is the Subscriber's grandchild), services for the newborn are not covered except for the first 48 hours of Routine Newborn Care (or 96 hours in the case of a C-section).

Routine Newborn Care

If both the mother's charges and the baby's charges are eligible for coverage under this Plan, no additional Copayment, Deductible or inpatient Admission Deductible for the newborn is required for the Facility's initial routine nursery care if the covered newborn is discharged on the same day as the mother.

Covered Services

Covered Services for initial Routine Newborn Care include:

- routine Hospital nursery services, including alpha-fetoprotein IV screening;
- routine medical care in the Hospital after delivery;
- pediatrician standby care at a C-section procedure;

For children who are covered from their date of birth, benefits include coverage of injury or sickness, including Covered Services related to the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities as required by New Mexico state law.

Extended Stay Newborn Care

A newborn who is enrolled for coverage within the time limits specified in *Section 2: Enrollment and Termination Information* is also covered if he/she stays in the Hospital longer than the mother.

If the pediatrician is a Nonparticipating Provider or you are in a Nonparticipating Provider Hospital and services are eligible for coverage, you must ensure that BCBSNM is called **before** the mother is discharged from the Hospital. If you do not, benefits for the newborn's covered Facility services will be paid at the Nonparticipating Provider Benefit level. The baby's services will be subject to a separate Deductible, Copayment and/or Coinsurance and Out-of-Pocket Limit.

This Plan covers Medically Necessary care provided by a Physician or other Professional Provider for an illness or Accidental Injury.

Office Visits and Consultations

Benefits for services received in a Physician's office are based on the type of service received while in the office. To be covered, the Member must be receiving medical treatment provided by licensed Health Care professionals, including Physicians, dietitians and nutritionists, who have specific training in managing patients diagnosed with Genetic Inborn Errors of Metabolism.

Special Medical Foods

Special Medical Foods are covered only when prescribed by a Physician for treatment of genetic disorders of metabolism, and the Member is under the Physician's ongoing care. Special Medical Foods are not for use by the general public and may not be available in stores or supermarkets. Special Medical Foods are not those foods included in a healthy diet intended to decrease the risk of disease, such as reduced-fat foods, low sodium foods, or weight loss products.

Injections and Injectable Drugs

This Plan covers most FDA-approved therapeutic injections administered in a Provider's office. However, this Plan covers some injectable drugs only when **Prior Authorization** is received from BCBSNM. Your BCBSNM-Contracted Provider has a list of those injectable drugs that require Prior Authorization. If you need a copy of the list, call a BCBSNM Customer Service Advocate. (When you request Prior Authorization, you may be directed to purchase the self-injectable medication through your drug plan.)

Proposed new uses for injectable drugs previously approved by the FDA will be evaluated on a medication-by-medication basis.

Benefits will be provided for orally administered cancer medications or self-injected cancer medications that are used to kill or slow the growth of cancerous cells.

NOTE: Certain drugs that have not been FDA-approved could be excluded. Benefits will not be provided for any self-administered drugs dispensed by a Physician. - initial Routine Newborn Care for a newborn added to coverage within the time limits specified in *Section 2: Enrollment and Termination Information*.

PREVENTIVE SERVICES

The services listed under this provision are not limited as to the number of times you may receive the service in any given period or as to the age of the patient (except when a service is inappropriate for the patient's age group, such as providing a pediatric immunization to an adult). You and your Physician are encouraged to determine how often and at what time you should receive preventive tests and examinations and you will receive coverage according to the benefits and limitations of your Health Care plan. Coverage for a recommended Preventive Service that is otherwise considered Medically Necessary for an individual will be provided regardless of an individual's sex assigned at birth, gender identity or gender that BCBSNM has recorded.

This Plan covers the following Preventive Services, not subject to Coinsurance, Deductible, Copayment, or benefit maximums (to be implemented in the quantities and within the time period allowed under applicable law) when received from an in-network Provider (out-of-network services are subject to the usual out-of-network Deductible, Coinsurance, and Out-of-Pocket Limit):

- evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force ("USPSTF" website: www.uspreventiveservicestaskforce.org/Page/Name/recommendations);
- immunizations for routine use that have in effect a recommendation by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention ("CDC") with respect to the individual involved;
- evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration ("HRSA") for infants, children, and adolescents;

The services listed below may include requirements pursuant to state regulatory mandates and are to be covered at no cost to the member.

For purposes of item "a" above, the current recommendations of the USPSTF regarding breast cancer screening mammography and prevention issued in or around November 2009 are not considered to be current.

The Preventive Services described in items "a" through "d" above may change as USPSTF, CDC, HRSA guidelines, and state mandated Preventive Services are modified. For more information, you may visit the BCBSNM website at: <https://www.bcbsnm.com/provider/clinical/clinical-resources/preventive-care-guidelines> or contact Customer Service at the toll-free number on your BCBSNM health plan Identification Card.

Drugs (including both prescription and over-the-counter) that fall within a category of the current "A" or "B" recommendations of the United States Preventive Services Task Force and that are listed on the ACA Preventive Services Drug List (to be implemented in the quantities and within the time period allowed under applicable law) will be covered and will not be subject to any Copayment amount, Coinsurance amount, Deductible, or dollar

maximum when obtained from a Participating Pharmacy. Drugs on the Preventive Services Drug List that are obtained from a non-Participating Pharmacy, may be subject to Copayment Amount, Coinsurance Amount, Deductibles, or dollar maximums, if applicable.

Covered Preventive Services **not** described in items “a” through “d” above may be subject to Deductibles, Coinsurance, Copayments, and/or dollar maximums. Allergy injections are **not** considered immunizations under the “Preventive Services” benefit. If a recommendation or guideline for a particular preventive health service does not specify the frequency, method, treatment, or setting in which it must be provided, BCBSNM may use reasonable medical management techniques to apply coverage including but not limited to review by a medical director for determination of appropriate action. If a covered preventive health service is provided during an office visit and is billed separately from the office visit, you may be responsible for any applicable Deductible, Coinsurance, Copayments, for the office visit only. If an office visit and the preventive health service are not billed separately and the primary purpose of the visit was not the preventive health service, you may be responsible for any applicable Deductible, Coinsurance, Copayments, for the office visit, including the preventive health service.

The list below is subject to change. A current list is available to you and your Physician on the USPSTF website at: www.uspreventiveservicestaskforce.org/Page/Name/recommendations, or you can contact Customer Service at 1-800-423-1630. Cosmetic surgery is beautification or aesthetic surgery to improve an individual's appearance by surgical alteration of a physical characteristic. **This Plan does not cover** Cosmetic surgery, services, or procedures for psychiatric or psychological reasons, or to change family characteristics or conditions caused by aging. **This Plan does not cover** services related to or required as a result of a Cosmetic service, procedure, surgery, or subsequent procedures to correct unsatisfactory Cosmetic results attained during an initial surgery.

Examples of Cosmetic procedures are: dermabrasion; revision of surgically induced scars; breast augmentation; rhinoplasty; surgical alteration of the eye; correction of prognathism or micrognathism; excision or reformation of sagging skin on any part of the body including, but not limited to, eyelids, face, neck, abdomen, arms, legs, or buttock; services performed in connection with the enlargement, reduction, implantation, or change in appearance of a portion of the body including, but not limited to, breast, face, lips, jaw, chin, nose, ears, or genitals; **or any procedures that BCBSNM determines are not required to materially improve the physiological function of an organ or body part, unless Medically Necessary.**

The Cosmetic coverage exclusion does not apply to Medically Necessary primary gender reassignment chest and/or genital surgeries nor to pharmaceutical gender reassignment services, all of which require Prior Authorization from BCBSNM.

Exception: Breast/nipple surgery performed as Reconstructive Surgery procedures following a covered mastectomy will be covered. However, **Prior Authorization, requested in writing**, must be obtained from BCBSNM for such services. Also, Reconstructive Surgery, which may have a coincidental Cosmetic effect, may be covered when required as the result of Accidental Injury, illness, or congenital defect.

Custodial Care

This Plan does not cover Custodial Care. Custodial Care is any service primarily for personal comfort or convenience that provides general maintenance, preventive, and/or protective care without any clinical likelihood of improvement of your condition. Custodial Care includes those services which do not require the technical skills, professional training and clinical assessment ability of medical and/or nursing personnel in order to be safely and effectively performed. These services can be safely provided by trained or capable non-professional personnel assisting with routine medical needs (e.g., simple care and dressings, administration of routine medications, etc.), and/or assisting with activities of daily living (e.g., bathing, eating, dressing, etc.).

Dental-Related Services and Oral Surgery

In addition to services excluded by the other general limitations and exclusions listed throughout this section, see “Dental-Related Services and Oral Surgery” in *Section 5: Covered Services* for additional exclusions.

Domiciliary Care

This Plan does not cover domiciliary care or care provided in a residential institution, treatment center, halfway house, or school because your own home arrangements are not available or are unsuitable, and consisting chiefly of room and board, even if therapy is included.

Duplicate (Double) Coverage

This Plan does not cover amounts already paid by Other Valid Coverage or that would have been paid by Medicare as the primary carrier if you were entitled to Medicare, had applied for Medicare, and had Claimed Medicare benefits. See *Section 7: Coordination of Benefits and Reimbursement* for more information. Also, if your prior coverage has an extension of benefits provision, **this Plan will not cover** charges incurred after your Effective Date of Coverage under this Plan that are covered under the prior plan’s extension of benefits provision.

Duplicate Testing

This Plan does not cover duplicative diagnostic testing or overreads of laboratory, pathology, or radiology tests.

Experimental, Investigational, or Unproven Services

This Plan does not cover any treatment, procedure, Facility, equipment, drug, device, or supply not accepted as *standard medical practice* (as defined) or those considered Experimental, Investigational, or Unproven, unless for Acupuncture rendered by a licensed Doctor of Oriental Medicine or unless specifically listed as covered under “Autism Spectrum Disorders” or under “Cancer Clinical Trials” in *Section 5: Covered Services* and mandated by law. In addition, if federal or other government agency approval is required for use of any items and such approval was not granted when services were administered, the service is Experimental and will not be covered. To be considered Experimental, Investigational, or Unproven, one or more of the following conditions must be met:

- The device, drug, or medicine cannot be marketed lawfully without approval of the U.S. Food and Drug Administration (FDA), and approval for marketing has not been given at the time the device, drug, or medicine is furnished.
- Reliable evidence shows that the treatment, device, drug, or medicine is the subject of ongoing phase I,

II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, or its efficacy as compared with the standard means of treatment or diagnosis.

- Reliable evidence shows that the consensus of opinion among experts regarding the treatment, procedure, device, drug, or medicine is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its efficacy, its safety, or its efficacy as compared with the standard means of treatment or diagnosis.

The guidelines and practices of Medicare, the FDA, or other government programs or agencies may be considered in a determination; however, approval by other bodies will neither constitute nor necessitate approval by BCBSNM.

Reliable evidence means only published reports and articles in authoritative peer-reviewed medical and scientific literature; the written protocol or protocols used by the treating Facility, or the protocol(s) of another Facility studying substantially the same medical treatment, procedure, device, or drug; or the written informed consent used by the treating Facility or by another Facility studying substantially the same medical treatment, procedure, device, or drug. *Experimental or Investigational* does not mean cancer Chemotherapy or other types of therapies that are the subjects of ongoing phase IV clinical trials.

The service must be Medically Necessary and not excluded by any other contract exclusion.

Standard medical practice means the services or supplies that are in general use in the medical community in the United States, and:

- have been demonstrated in standard medical textbooks published in the United States and/or peer-reviewed literature to have scientifically established medical value for curing or alleviating the condition being treated;
- are appropriate for the Hospital or other Facility Provider in which they were performed; and
- the Physician or other Professional Provider has had the appropriate training and experience to provide the treatment or procedure.

Food or Lodging Expenses

This Plan does not cover food or lodging expenses, except for those lodging expenses that are eligible for a per diem allowance under “Transplant Services” in *Section 5: Covered Services*, and not excluded by any other provision in this section.

Genetic Testing or Counseling

This Plan does not cover services related to genetic counseling and testing that are not Medically Necessary.

Hair Loss Treatments

This Plan does not cover wigs, artificial hairpieces, hair Transplants or implants, or medication used to promote hair growth or control hair loss, even if there is a medical reason for hair loss.

Hearing Examinations, Procedures and Aids

This Plan does not cover audiometric (hearing) tests **unless** (1) required for the diagnosis and/or treatment of an Accidental Injury or an illness, or (2) covered as a preventive *screening* service (a preventive screening does *not* include a hearing test to determine the amount and kind of correction needed), or (3) covered as part of the hearing aid benefit and described under “Hearing Aids/Related Services” in *Section 5: Covered Services*.

Home Health, Home I.V. and Hospice Services

In addition to services excluded by the other general limitations and exclusions listed throughout this section, see “Home Health Care/Home I.V. Services” or “Hospice Care” in *Section 5: Covered Services* for additional exclusions.

Hypnotherapy

This Plan does not cover hypnosis or services related to hypnosis, whether for medical or anesthetic purposes.

Infertility Services/Artificial Conception

This Plan does not cover services related to, but not limited to, procedures such as: artificial conception or insemination, fertilization and/or growth of a fetus outside the mother's body in an artificial environment, such as in-vivo or in-vitro ("test tube") fertilization, Gamete Intrafallopian Transfer (GIFT), Zygote Intrafallopian Transfer (ZIFT), embryo transfer, drugs for induced ovulation, or other artificial methods of conception. **This Plan does not cover** the cost of donor sperm, costs associated with the collection, preparation, or storage of sperm for artificial insemination, or donor fees.

This Plan does not cover infertility testing, treatments, or related services, such as hormonal manipulation and excess hormones to increase the production of mature ova for fertilization.

This Plan does not cover reversal of a prior sterilization procedure. (Certain treatments of medical conditions that sometimes result in restored fertility may be covered; see "Maternity/Reproductive Services and Newborn Care" in *Section 5: Covered Services*.)

Late Claim Filing

This Plan does not cover services of a Nonparticipating Provider if the Claim for such services is received by BCBSNM **more than 12 months** after the date of service. (HMO-Participating Providers contracting directly with BCBSNM and Providers that have a "Participating Provider" agreement with BCBSNM will file Claims for you and must submit them within a specified period of time, usually 180 days.) If a Claim is returned for further information, resubmit it within 45 days. **NOTE:** If there is a change in the Claims Administrator, the length of the timely filing period may also change.

Learning Deficiencies/Behavioral Problems

This Plan does not cover special education, counseling, therapy, diagnostic testing, treatment, or any other service for learning deficiencies or chronic behavioral problems associated with educational needs only. See "Autism Spectrum Disorders" in *Section 5: Covered Services* for details about mandated coverage for children with these diagnoses.

Limited Services/Covered Charges

This Plan does not cover amounts in excess of Covered Charges or services that exceed any maximum benefit limits listed in this Benefit Booklet, or any amendments, riders, addenda, or endorsements.

Local Anesthesia

This Plan does not cover local anesthesia. (Coverage for surgical, Maternity, diagnostic, and other procedures includes an allowance for local anesthesia because it is considered a routine part of the procedure.)

Long-Term and Maintenance Therapy

This Plan does not cover long-term therapy whether for physical or for mental conditions, even if Medically Necessary and even if any applicable benefit maximum has not yet been reached, except that medication management for chronic conditions is covered. Therapies are considered long-term if measurable improvement is not possible **within two months** of beginning therapy. Long-term therapy includes treatment for chronic or incurable conditions for which rehabilitation produces minimal or temporary change or relief. Treatment of chronic conditions is not covered. (Chronic conditions include, but are not limited to, muscular dystrophy, Down's syndrome, and cerebral palsy.) **NOTE:** This exclusion does **not** apply to benefits for medication or medication management or to certain services required to be covered under New Mexico state law for children with Autism Spectrum Disorders.

This Plan does not cover maintenance therapy or care or any treatment that does not significantly improve your function or productivity, or care provided after you have reached your rehabilitative potential (unless therapy is covered during an approved Hospice Benefit Period). In a dispute about whether your rehabilitative potential has been reached, you are responsible for furnishing documentation (e.g., medical records, Physician's letters, progress notes) from your Physician supporting his/her opinion.

Medical Necessity Guidelines Determinations

Any technologies, procedures, or services for which Medical Necessity Guidelines have been developed by BCBSNM are either limited or excluded as defined in the Medical Necessity Guidelines. **Exception:** The fact that this Plan covers certain services that are excluded under BCBSNM Medical Necessity Guidelines and certain services defined as Experimental or as maintenance therapy but which must be covered under New Mexico state law (such as Cancer Clinical Trials and Applied Behavioral Analysis) does not mean that any other services will be or should be covered when contraindicated by BCBSNM Medical Necessity Guidelines. Only covered Acupuncture and those services mandated by state law will be excepted from this BCBSNM standard Medical Necessity Guidelines exclusion.

Medical Tourism

This Plan does not cover any medical services, supplies and/or drugs provided to a Member incurred outside the United States if the Member traveled to the location specifically for the purposes of receiving such medical services, supplies and/or drugs.

Medically Unnecessary Services

This Plan does not cover services that are not Medically Necessary as defined in *Section 5: Covered Services* unless such services are specifically listed as covered (e.g., see "Preventive Services" or "Autism Spectrum Disorders" in *Section 5: Covered Services*).

BCBSNM, in consultation with the Provider, determines whether a service or supply is Medically Necessary and whether it is covered. Because a Provider prescribes, orders, recommends, or approves a service or supply does *not* make it Medically Necessary or make it a Covered Service, even if it is not specifically listed as an exclusion.

No Legal Payment Obligation

This Plan does not cover services for which you have no legal obligation to pay or that are free, including:

- charges made only because benefits are available under this Plan;
- services for which you have received a professional or courtesy discount;
- volunteer services;
- services provided by you for yourself or a covered family member, by a person ordinarily residing in your household, or by a family member;
- Physician charges exceeding the amount specified by Centers for Medicare & Medicaid Services (CMS) when primary benefits are payable under Medicare.

NOTE: The "No Legal Payment Obligation" exclusion does not apply to services received at Department of Defense facilities or covered by Indian Health Service/Contract Health Services, and Medicaid, or certain services that are reimbursed to the Department of Health according to the "Early Developmental Delay and Disability" provision in *Section 8: Claim Payments and Appeals*.

Noncovered Providers of Service

This Plan does not cover services prescribed or administered by a:

- member of your immediate family or a person normally residing in your home;

- Physician, other person, supplier, or Facility (including staff members) that are not specifically listed as covered in this Benefit Booklet, such as a:

 - halfway house;
 - massage therapist;
 - private sanitarium;
 - dental or medical department sponsored by or for an employer, mutual benefit association, labor union, trustee, or any similar person or group;

- adoption or surrogate expenses;
- educational programs such as behavior modification and arthritis classes;

- physicals or screening examinations and immunizations given primarily for insurance, licensing, employment, camp, medical research programs, sports, or for any non-preventive purpose;
- hepatitis B immunizations when required due to possible exposure during the Member’s work;
- court or police-ordered services unless the services would otherwise be covered, or services rendered as a condition of parole or probation;
- the cost of any damages to a treatment Facility that are caused by the Member.

Nonparticipating Provider Services

This Plan does not cover non-Emergency services provided by a Nonparticipating Provider unless **Prior Authorization** for such services is received from BCBSNM. You will be financially responsible for the services of a Nonparticipating Provider if you did not receive, in advance, a valid authorization from BCBSNM. **NOTE:**

When Prior Authorization is requested, BCBSNM may require that you travel to another city to receive services from an HMO-Participating Provider.

Except in Emergencies, BCBSNM will generally NOT approve Prior Authorization services of a Nonparticipating Provider if the services could be obtained from an HMO-Participating Provider. Prior Authorizations for such services are given only under very special circumstances related to **Medical Necessity** and **lack of Provider availability in the BCBSNM HMO-Participating Provider network**. BCBSNM will NOT approve a Prior Authorization request based on non-medical issues such as whether or not you or your doctor prefer the Nonparticipating Provider or find the Provider more convenient. Regardless of Medical Necessity or non-medical issues, Nonparticipating Providers' services are NOT covered under this Plan, except during an Emergency, if you do not first obtain Prior Authorization.

NOTE: If your Health Care Provider leaves the BCBSNM HMO-Participating Provider network (for reasons other than medical competence or professional behavior) or if you are a new Member and your Provider is not in the HMO-Participating Provider network when you enroll, BCBSNM may authorize you to continue an ongoing course of treatment with the Provider for a transitional period of time of not less than 30 days. (If necessary and ordered by the treating Provider, BCBSNM may also approve Prior Authorization for transitional care from other Nonparticipating Providers.) The period will be sufficient to permit coordinated transition planning consistent with your condition and needs. Special provisions may apply if the required transitional period exceeds 30 days. If you have entered the third trimester of pregnancy at the effective date of enrollment, the transitional period shall include post-partum care directly related to the deliver. Call the BCBSNM Customer Service department for details.

Members who extend coverage under an extension of benefits due to disability after the Group Contract is terminated are not eligible to receive Prior Authorization for services of a Nonparticipating Provider. Services of a Nonparticipating Provider are not covered in such instances of extended coverage.

Nonprescription Drugs

This Plan does not cover nonprescription or over-the-counter drugs, medications, ointments, or creams, including herbal or homeopathic preparations, or prescription drugs that have over-the-counter equivalents, except for those products specifically listed in the Drug List/Formulary or as covered in your separately issued *Drug Plan Rider*.

Nutritional Supplements

This Plan does not cover vitamins, dietary/nutritional supplements, special foods, formulas, mother's milk, or diets, unless prescribed by a Physician. Such supplements require a prescription to be covered under the "Home Health Care/Home I.V. Services" in *Section 5: Covered Services*. This Plan covers other nutritional products only under specific conditions set forth under your *Drug Plan Rider*.

Post-Termination Services

This Plan does not cover any service received or item or drug purchased after your coverage is terminated, even if:

- Prior Authorization for such service, item, or drug was received from BCBSNM, or
- the service, item, or drug was needed because of an event that occurred while you were covered. (If you are an inpatient when coverage ends, benefits for the Admission will be available only for those Covered Services received before your termination date.)

You should have received a separately issued *Drug Plan Rider* that explains your benefits for these items. All general limitations and exclusions listed in this *Section 6* also apply to items covered under the *Drug Plan Rider*.

This Plan does not cover thermography (a technique that photographically represents the surface temperatures of the body).

Transplant Services

Please see “Transplant Services” in *Section 5: Covered Services* for specific Transplant services that are covered and related limitations and exclusions. In addition to services excluded by the other general limitations and exclusions listed throughout this section, **this Plan does not cover** any other Transplants (or organ-combination Transplants) or services related to any other Transplants.

Travel or Transportation

This Plan does not cover travel expenses, even if travel is necessary to receive Covered Services unless such services are eligible for coverage under “Transplant Services” or “Ambulance Services” in *Section 5: Covered Services*.

Veteran’s Administration Facility

This Plan does not cover services or supplies furnished by a Veterans Administration Facility for a service connected disability or while a Member is in active military service.

Vision Services

This Plan does not cover any services related to refractive keratoplasty (surgery to correct nearsightedness) or any complication related to keratoplasty, including radial keratotomy or any procedure designed to correct visual refractive defect (e.g., farsightedness or astigmatism). **This Plan does not cover** eyeglasses, contact lenses, prescriptions associated with such procedures, and costs related to the prescribing or fitting of glasses or lenses, unless listed as covered under “Supplies, Equipment and Prosthetics” in *Section 5: Covered Services* or under your vision care rider, if applicable. **This Plan does not cover** sunglasses, special tints, or other extra features for eyeglasses or contact lenses unless listed under your vision care rider, if applicable.

War-Related Conditions

This Plan does not cover any service required as the result of any act of war or related to an illness or Accidental Injury sustained during combat or active military service.

Work-Related Conditions

This Plan does not cover services resulting from work-related illness or injury, or charges resulting from occupational accidents or sickness covered under:

- occupational disease laws;
- employer’s liability;
- municipal, state, or federal law (except Medicaid);
- Workers’ Compensation Act.

To recover benefits for a work-related illness or injury, you must pursue your rights under the Workers’

Compensation Act or any of the above provisions that apply, including filing an appeal. (BCBSNM may pay Claims during the appeal process on the condition that you sign a reimbursement agreement.)

This Plan does not cover a work-related illness or injury, **even if:**

- You fail to file a Claim within the filing period allowed by the applicable laws and rules, including but not limited to statutes, ordinances, judicial decisions and regulations.
- You obtain care not authorized by Workers' Compensation insurance.
- Your employer fails to carry the required Workers' Compensation insurance. (The employer may be liable for an employee's work-related illness or injury expenses.)
- You fail to comply with any other provisions of the law.

NOTE: This "Work-Related Conditions" exclusion does not apply to an executive employee or sole proprietor of a professional or business corporation who has affirmatively elected not to accept the provisions of the New Mexico Workers' Compensation Act. You must provide documentation showing that you have waived Workers' Compensation and are eligible for the waiver. (The Workers' Compensation Act may also not apply if an employer has a very small number of employees or employs certain types of laborers excluded from the Act.)

SECTION 7: COORDINATION OF BENEFITS (COB) AND REIMBURSEMENT

For a work-related injury or condition, see the “Work-Related Conditions” exclusion in Section 6: General Limitations and Exclusions.

This Plan contains a coordination of benefits (COB) provision that prevents duplication of payments. When you are enrolled in any Other Valid Coverage, the combined benefit payments from all coverages cannot exceed 100 percent of BCBSNM’s Covered Charges. (Other Valid Coverage is defined as all other Group and individual (or direct-pay) insurance policies or Health Care plans including Medicare, but excluding Indian Health Service and Medicaid coverages, that provide payments for medical services and are considered Other Valid Coverage for purposes of coordinating benefits under this Plan.)

If you are also covered by Medicare, special COB rules may apply. Contact a Customer Service Advocate for more information. If you are enrolled in federal continuation coverage, coverage ends at the beginning of the month when you become entitled to Medicare or when you become insured under any Other Valid Coverage (unless a pre-existing conditions limitation applies).

Even when this Plan is secondary, all provisions must be followed. Failure to do so may impact your benefit payment from BCBSNM. The benefits BCBSNM provides for Covered Services may be reduced because of benefits received from the Other Valid Coverage.

The following rules determine which coverage pays first:

No COB Provision — If the Other Valid Coverage does not include a COB provision, that coverage pays first.

Medicare — If the Other Valid Coverage is Medicare and Medicare is not secondary according to federal law, Medicare pays first.

Child/Spouse — If a covered Child under this health plan is covered as a spouse under another health plan, the covered Child’s spouse’s health plan is primary over this health plan.

Subscriber/Family Member — If the Member who received care is covered as an employee, retiree, or other policy holder (i.e., as the Subscriber) under one health plan and as a spouse, Child, or other family member under another, the health plan that designates the Member as the employee, retiree, or other policy holder (i.e., as the Subscriber) pays first.

If you have Other Valid Coverage *and* Medicare, contact the other carrier’s Customer Service department to find out if the other coverage is primary to Medicare. There are many federal regulations regarding Medicare Secondary Payer provisions, and other coverage may not be subject to those provisions.

Child — For a Child whose parents are not separated or divorced, the coverage of the parent whose birthday falls earlier in the Calendar Year pays first. If the Other Valid Coverage does not follow this rule, the father’s coverage pays first.

Child, Parents Separated or Divorced — For a Child of divorced or separated parents, benefits are coordinated in the following order:

- **Court-Decreed Obligations.** Regardless of which parent has custody, if a court decree specifies which parent is financially responsible for the Child’s Health Care expenses, the coverage of that parent pays first.
- **Custodial/Noncustodial.** The plan of the Custodial parent pays first. The plan of the spouse of the Custodial parent pays second. The plan of the noncustodial parent pays last.
- **Joint Custody.** If the parents share joint custody, and the court decree does not state which parent is responsible for the Health Care expenses of the Child, the plans follow the rules that apply to children whose parents are not separated or divorced.

Active/Inactive Employee — If a Member is covered as an active employee under one coverage and as an

inactive employee under another, the coverage through active employment pays first. (Even if a Member is covered as a family member under both coverages, the coverage through active employment pays first.) If the other plan does not have this rule and the plans do not agree on the order of benefits, the next rule applies.

Longer/Shorter Length of Coverage — When none of the above applies, the plan in effect for the longest continuous period of time pays first. (The start of a new plan does not include a change in the amount or scope of benefits, a change in the entity that pays, provides, or administers the benefits, or a change from one type of plan to another.)

Responsibility for Timely Notice — BCBSNM is not responsible for coordination of benefits if information is not provided regarding the application of this provision.

Facility of Payment — Whenever any other plan makes benefit payments that should have been made under this Plan, BCBSNM has the right to pay the other plan any amount BCBSNM determines will satisfy the intent of this provision. Any amount so paid will be considered to be benefits paid under this Plan, and with that payment BCBSNM will have fulfilled its obligation to coordinate benefits appropriately.

Overpayments/Right of Recovery — Regardless of who was paid, whenever benefit payments made by BCBSNM exceed the amount necessary to satisfy the intent of this provision, BCBSNM has the right to recover the excess amount from any persons to or for whom those payments were made, or from any insurance company, service plan, or any other organizations or persons.

REIMBURSEMENT

If you or one of your covered family members incur expenses for sickness or injury that occurred due to the negligence of a third party and benefits are provided for Covered Services described in this Benefit Booklet, you agree:

- BCBSNM has the right to reimbursement for all benefits provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of that sickness or injury, in the amount of the total Covered Charges for Covered Services for which BCBSNM has provided benefits to you or your covered family members.
- BCBSNM is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits BCBSNM provided for that sickness or injury.

BCBSNM shall have the right to first reimbursement out of all funds you, your covered family members, or your legal representative, are or were able to obtain for the same expenses for which BCBSNM has provided benefits as a result of that sickness or injury.

SECTION 8: CLAIMS PAYMENTS AND APPEALS

IMPORTANT NOTE ABOUT FILING CLAIMS

This section addresses the procedures for filing Claims and appeals. The instructions in no way imply that filing a Claim or an appeal will result in benefit payment and do not exempt you from adhering to all of the provisions described in this Benefit Booklet. All Claims submitted will be processed by BCBSNM according to the patient's eligibility and benefits in effect at the time services are received. Whether inside or outside New Mexico and/or the United States, you must meet all Prior Authorization requirements or benefits may be denied as explained in *Section 4: Utilization Management*. Covered Services are the same services listed as covered in *Section 5: Covered Services* and all services are subject to the limitations and exclusions listed throughout this booklet.

Per New Mexico state law, no action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

CLAIM FORMS AND PROOF OF LOSS

Written proof of loss must be furnished to BCBSNM in accordance with the Claim procedures specified in this *Section 8: Claims Payments and Appeals*. Proof may be submitted either electronically or on paper. Written notice of Claim must be given to BCBSNM within 365 days after the occurrence or start of the loss on which the Claim is based. If notice is not given in that time, the Claim will not be invalidated or denied if it is shown that written notice was given as soon as was reasonably possible. When BCBSNM receives a request for a Claim form or the notice of a Claim, BCBSNM will give the Member the Claim forms that we use for filing proof of loss. If the Claimant does not receive these forms within 15 days after BCBSNM receives notice of Claim or the request for a Claim form, the Claimant will be considered to meet the proof of loss requirements of this Plan if the Claimant submits written proof of loss within 365 days after the date of the first service, except in the absence of legal capacity.

IF YOU HAVE OTHER VALID COVERAGE

When you have Other Valid Coverage that is "primary" over this Plan, you need to file your Claim with the other coverage first. After your other coverage (including Health Care insurance, dental or vision plan, Medicare, automobile, or other liability insurance, Workers' Compensation, etc.) pays its benefits, a copy of their payment explanation form must be attached to the Claim sent to BCBSNM or to the local BCBS Plan, as instructed under "Where to Send Claim Forms" later in this section.

If the Other Valid Coverage pays benefits to you (or your family member) directly, give your Provider a copy of the payment explanation so that he/she can include it with the Claim sent to BCBSNM or to the local BCBS Plan. (If a Nonparticipating Provider does not file Claims for you, attach a copy of the payment explanation to the Claim that you send to BCBSNM or to the local BCBS Plan, as applicable.)

HMO-PARTICIPATING PROVIDERS

PCPs and other HMO-Participating Providers file Claims with BCBSNM (or their local, affiliated BCBS Plan) and payment is made directly to them. Be sure that these Providers know you have Managed Care (HMO) Health Care coverage administered by BCBSNM. Do **not** file Claims for these services yourself. Also, HMO-Participating Providers have specific timely filing limits in their contracts with BCBSNM (usually 180 days). The contract language lets Providers know that they may not bill the employer or any Member if they do not meet that filing limit for a service and the Claim for that service is denied.

PROVIDER NETWORK

HMO-Participating Providers are not required to comply with any specified numbers, targeted averages, or maximum durations of patient visits. You will not be held liable to a HMO-Participating Provider for any sums owed to the Provider by BCBSNM.

NONPARTICIPATING PROVIDERS

A Nonparticipating Provider is one that does not have an HMO-Participating Provider agreement. If your Nonparticipating Provider does not file a Claim for you for Emergency Care, submit a separate Claim form for each family member as the services are received. Attach itemized bills and, if applicable, your Other Valid Coverage's payment explanation, to a *Member Claim Form*. (Forms can be printed from the BCBSNM website at www.bcbsnm.com or requested from a Customer Service Advocate.) Complete the Claim form using the instructions on the form. (See special Claim filing instructions for out-of-country Claims under "Where to Send Claim Forms" later in this section.) Payment normally is made to the Contracted Provider. However, if you have already paid the Provider for the services being Claimed, your Claim must include evidence that the charges were paid in full. Upon approval of the Claim, BCBSNM will reimburse you for Covered Services, based on Covered Charges, less any required Member Copayment. You will be responsible for charges not covered by the Plan.

Please contact the Nonparticipating Provider for any balance billing issues. If you need additional assistance you may also contact the Managed Health Care Bureau (MHCB) at OSI:

ITEMIZED BILLS

Claims for Covered Service must be itemized on the Provider's billing forms or letterhead stationery and must show:

- Member's identification number;
- Member's and Subscriber's name and address;
- Member's date of birth and relationship to the Subscriber;
- name, address, National Provider Identification number (NPI), and tax ID or social security number of the Provider;
- date of service or purchase, diagnosis, type of service or treatment, procedure, and amount charged for each service (each service must be listed separately);
- accident or surgery date (when applicable);
- amount paid by you (if any) along with a receipt, cancelled check, or other proof of payment;

Correctly itemized bills are necessary for your Claim to be processed. The only acceptable bills are those from Health Care Providers. Do **not** file bills you prepared yourself, canceled checks, balance due statements, or cash register receipts. Make a copy of all itemized bills for your records before you send them. The bills are not returned to you. All information on the Claim and itemized bills must be readable. If information is missing or is not readable, BCBSNM will return it to you or to the Provider.

Do not file for the same service twice unless asked to do so by a Customer Service Advocate. If your itemized bills include services previously filed, clearly identify the new charges that you are submitting. (See "Where to

Send Claim Forms” below, for special instructions regarding out-of-country Claims.)

WHERE TO SEND CLAIM FORMS

If your Nonparticipating Provider does not file a Claim for you, you (not the Provider) are responsible for filing the Claim. **Remember:** HMO-Participating Providers will file Claims for you; these procedures are used only when you must file your own Claim.

Services in United States, U.S. Virgin Islands, and Puerto Rico

If a Nonparticipating Provider will not file a Claim for you, ask for an itemized bill and complete a Claim form the same way that you would for services received from any other Nonparticipating Provider. Mail the Claim forms and itemized bills to BCBSNM at the address below (or, if you prefer, you may send to the local Blue Cross Blue Shield Plan in the state where the services were received):

**Blue Cross and Blue Shield of New Mexico
P.O. Box 27630
Albuquerque, New Mexico 87125-7630**

Mental Health/Chemical Dependency Claims

Claims for covered Mental Health and Chemical Dependency services received in New Mexico should be submitted to:

**BCBSNM, BH Unit
P.O. Box 27630
Albuquerque, New Mexico 87125-7630**

Drug Plan Claims

If you purchase a prescription drug or other item covered under the Drug Plan from a Non-Participating Pharmacy or other Provider in an Emergency, or if you do not have your ID Card with you when purchasing a prescription or other covered item, you must pay for the prescription in full and then submit a Claim to BCBSNM’s pharmacy benefit manager. **Do not send these Claims to BCBSNM.** The bills or receipts must be issued by the pharmacy and must include the pharmacy name and address, drug name, prescription number, and amount charged. Refer to your Drug Rider for further Claims submission information. You may also contact Customer Service for assistance or the BCBSNM website bcbsnm.com/docs/forms/claim/nm/rx-claim-form-nm.pdf. Please send prescription drug claims to:

**Prime Therapeutics
PO Box 25136
Lehigh Valley, PA 18002-5136**

Services Outside the United States, U.S. Virgin Islands, or Puerto Rico

For covered inpatient Hospital services received outside the United States (including Puerto Rico and the U.S. Virgin Islands), show your Plan ID Card issued by BCBSNM. BCBSNM participates in a Claim payment program with the Blue Cross and Blue Shield Association. If the Hospital has an agreement with the Association, the Hospital files the Claim for you to the appropriate Blue Cross Plan. Payment is made to the Hospital by that Plan, and then BCBSNM reimburses the other Plan. Services received outside the United States (including Puerto Rico and the U.S. Virgin Islands) **will be covered only if they are for Emergency treatment.**

You will need to pay up front for care received from a **doctor, a participating outpatient Hospital, and/or a Nonparticipating Hospital.** Then, complete an *International Claim Form* and send it with the bill(s) to the service center (the address is on the form). The *International Claim Form* is available from BCBSNM, the service center, or online at:

www.bcbsglobalcore.com/Account/Login.

The Blue Cross Blue Shield Global Core *International Claim Form* is to be used to submit institutional and professional Claims for benefits for covered Emergency services received outside the United States, Puerto Rico, Jamaica and the U.S. Virgin Islands. For filing instructions for other Claim types (e.g., dental, prescription drugs, etc.) contact your Blue Cross and Blue Shield Plan. The *International Claim Form* must be completed for each patient in full and accompanied by fully itemized bills. It is not necessary for you to provide an English translation or convert currency.

Since the Claim cannot be returned, please be sure to keep photocopies of all bills and supporting documentation for your personal records. The Member should submit a Blue Cross Blue Shield Global Core *International Claim Form* (available at www.bcbs.com), attach itemized bills, and mail to Blue Cross Blue Shield Global Core at the address below. Blue Cross Blue Shield Global Core will then translate the information, if necessary, and convert the charges to United States dollars. They also will contact BCBSNM for benefit information in order to process the Claim. Once the Claim is finalized, the *Explanation of Benefits* will be mailed to the Subscriber and payment, if applicable, will be made to the Subscriber via wire transfer or check. Mail international Claims to:

**Service Center
P.O. Box 72017
Richmond, VA 23255- 2017**

IF YOU HAVE MEDICARE

NOTE: This section applies to you only if you are primary under Medicare and Plan benefits are going to be coordinated with Medicare as a result. If you are not sure if Medicare is primary or secondary, please see “If You Have Medicare” in Section 3: How Your Plan Works for a brief explanation or call the Social Security office for more information.

Filing Claims if Medicare is Primary

If you have Medicare and Medicare is primary over this Plan (i.e., you are retired, a dependent of a retiree, or a Member that has exhausted the end-stage renal disease coordination time period under Medicare), when you receive Health Care, be sure to present both your Medicare ID Card and your **Group** Plan ID Card issued by BCBSNM. Always present your Medicare ID Card to your Health Care Providers so that they will bill Medicare first. After Medicare has paid its portion **for services received in New Mexico**, a Claim should automatically be sent by the Medicare Part B carrier or Part A intermediary to BCBSNM for secondary benefit determination. (If your Claims are not being sent by Medicare to BCBSNM, please call a Customer Service Advocate to verify that the correct Medicare HIC number is on file for you. Also, in order to ensure that Claims are filed properly, the Provider must have information from the ID Cards issued to you by **both** Medicare and BCBSNM.)

If you must file a Claim for services that were covered by Medicare (for example, because services were received outside New Mexico and the Claim does not automatically “cross-over” once Medicare has paid its portion), you will have to file a copy of the *Explanation of Medicare Benefits* (“EOMB”) that you receive from Medicare and all other required Claim information with the local BCBS Plan. ON the EOMB you receive from Medicare, **print your Plan ID number (found on your Plan ID Card issued by BCBSNM) - including the three alphabetic characters that precede the nine-digit number - and your correct mailing address and zip code.** Make a copy of the EOMB for your records.

Mail Claims, EOMBs, and other needed information to the local BCBS Plan in the state where you receive services. Your Provider should be familiar with this process, and in most cases, will file on your behalf. If you receive services in New Mexico and need to file a Claim to BCBSNM, send the Claim to:

**Blue Cross and Blue Shield of New Mexico
P.O. Box 27630
Albuquerque, New Mexico 87125-7630**

Medicare-Covered Facility Services

All Medicare Participating Providers of Part A services, including Skilled Nursing Facilities and Hospice agencies, will submit Claims directly to Medicare. To file Claims, the Facility must have the information from the Identification Cards issued to you by **both** Medicare and BCBSNM.

After Medicare Part A has paid its portion of Covered Charges for services received in New Mexico, it is **not** necessary for you to file a Claim for most Facility services with BCBSNM. These Claims are automatically submitted by the Medicare Part A intermediary to BCBSNM. An *Explanation of Benefits* will be sent to you by BCBSNM after Plan benefits have been determined. If you must file your own Claim after Medicare pays its portion (for example, because services were received outside New Mexico), you must file a Claim for services received from the Hospital, along with Medicare's EOMB, **to the local BCBS Plan**. (See instructions in this section.)

Medicare-Covered Non-Facility Services

A Claim for Physician and other Professional Provider services must be filed **first** with Medicare Part B Medical Insurance. (All Medicare Providers must file Claims for you to Medicare.)

If you have given your Plan ID Card to your Provider, the Medicare Part B carrier will send an electronic copy of the Claim to BCBSNM **if the services are received in New Mexico**. If Medicare does not have your Plan ID number, you must file a copy of the EOMB and all other required information with BCBSNM after Medicare has sent an EOMB to you. Even though Providers may file Claims on your behalf, it is **your** responsibility to make sure that the Claim is filed to BCBSNM. If you must file your own Claim after Medicare pays its portion (for example, because services were received outside New Mexico), you must file the Claim for services received from the Provider, along with Medicare's EOMB, **to the local BCBS Plan**. (See instructions in this section.)

Services Not Covered by Medicare

You may have to file your Claim yourself. If your Provider does not file a Claim for you, you must submit a separate Claim form for each family Member. Submit all Claims as the services are received. If a service is normally covered by Medicare, you must submit a copy of the EOMB (showing Medicare's denial reason) with the Claim form that you send to BCBSNM.

When an EOMB is Not Required

An EOMB indicating Medicare denied the service is required on all Claims except Claims for:

- services received outside the Medicare territorial limits;
- services from Providers with whom you have privately Contracted; (BCBSNM will estimate what Medicare would have paid had you not privately Contracted with the Provider and had submitted the Claim to Medicare for payment.)
- services received from licensed professional clinical mental health counselors (LPCC) and licensed marriage and family therapists (LMFT). (However, you will need **Prior Authorization** from BCBSNM in order to receive benefits for covered Mental Health and Chemical Dependency services received from LPCC and LMFT Providers.)

NOTE: If the services you intend to receive would be covered by Medicare if you were to obtain the service from a Medicare-eligible Provider, you or your Provider must call BCBSNM for **Prior Authorization** before receiving services from such a Provider. This will verify that the services being planned will be or will not be covered under the Plan and if the services require additional Prior Authorization from BCBSNM. If a Medicare Provider is in your area and able to provide the services you need, you may be required to receive the service from a Medicare-eligible Provider in order to receive benefits under the **Group Plan**.

Services Outside Medicare Territorial Limits

When services are received outside the Medicare territorial limits, you must pay for the services or supplies.

Keep copies of your receipts. File Claims as you would for any other service not covered by Medicare. (Medicare defines *Medicare territorial limits* as the United States, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands.)

If you receive Covered Services while outside the United States, call the Blue Cross Blue Shield Global service center, collect, at 1.804.673.1177 for assistance with Claims filing. Or visit the Blue Cross and Blue Shield Association website to locate nearby Participating Physicians and Hospitals.

To submit a Claim for services received outside the Medicare territorial limits, you do not need an EOMB.

CLAIMS PAYMENT PROVISIONS

Most Claims will be evaluated and you and/or the Provider notified of the BCBSNM benefit decision within 30 days of receiving the Claim. If all information needed to process the Claim has been submitted, but BCBSNM cannot make a determination within 30 days, you will be notified (before the expiration of the 30-day period) that an additional 15 days is needed for Claim determination.

After a Claim has been processed, the Subscriber will receive an *Explanation of Benefits* (EOB). The EOB indicates what charges were covered and what charges, if any, were not. **NOTE:** If a Qualified Child Medical Support Order (QCMSO) is in effect, the QCMSO provisions will be followed. For example, when the Member is an eligible Child of divorced parents, and the Subscriber under this Plan is the noncustodial parent, the Custodial parent may receive the payment and the EOB.

If A Claim or Prior Authorization Is Denied

If benefits are denied or only partially paid, BCBSNM will notify you of the determination. The notice to you will include:

- the reasons for denial;
- a reference to the Health Care plan provisions on which the denial is based; and
- an explanation of how you may appeal the decision if you do not agree with the denial. (See “Complaints/Appeals Summary,” later in this section.) **You also have 180 days** following request of notification of an adverse benefit determination in which to appeal a decision to BCBSNM; however, you may exceed the 180-day limit when appealing to the Managed Health Care Bureau of the Office of Superintendent of Insurance.

Covered Charge

Provider payments are based upon HMO-Participating Provider agreements and Covered Charges as determined by BCBSNM. For services received outside of New Mexico, Covered Charges may be based on the local Plan practice (e.g., for out-of-state Providers that contract with their local Blue Cross and Blue Shield Plan, the Covered Charge may be based upon the amount negotiated by the other Plan with its own Contracted Providers). You are responsible for paying Copayments, Deductibles, Coinsurance, and noncovered expenses. For covered Emergency services received in foreign countries, BCBSNM will use the exchange rate in effect on the date of service in order to determine billed charges.

HMO-Participating Providers

Payments for Covered Services usually are sent directly to network (HMO-Participating) Providers. The EOB you receive explains the payment.

Nonparticipating Providers

If Covered Services are received from a Nonparticipating Provider, payments are usually made to the Subscriber (or to the applicable alternate payee when a QCMSO is in effect). The check will be attached to an EOB that explains BCBSNM’s payment. In these cases, you are responsible for arranging payment to the Provider and for paying any amounts greater than Covered Charges plus Copayments, Deductibles, Coinsurance, and noncovered

expenses.

Accident-Related Hospital Services

If services are administered as a result of an accident, a Hospital or treatment Facility may place a lien upon a compromise, settlement, or judgement obtained by you when the Facility has not been paid its total billed charges from all other sources.

Assignment of Benefits

BCBSNM specifically reserves the right to pay the Subscriber directly and to refuse to honor an assignment of benefits in any circumstances. No person may execute any power of attorney to interfere with BCBSNM's right to pay the Subscriber instead of anyone else.

Early Developmental Delay and Disability

For covered children **under age four** who are also eligible for services under the New Mexico Department of Health's (DOH) "Family, Infant and Toddler" (FIT) program, as defined in 7.30.8, NMAC, your BCBSNM Plan will reimburse the DOH for certain Medically Necessary early intervention services that are provided as part of an individualized family service plan under the FIT program by personnel who are licensed and certified for the DOH's FIT program. The maximum reimbursement under the BCBSNM Plan is **limited to \$3,500** per year. However, amounts paid to DOH for such services are not included in any annual or lifetime benefit maximums under the Plan. Claims for services payable to the DOH under this provision will be honored only if submitted to BCBSNM by the New Mexico DOH.

Medicaid

Payment of benefits for Members eligible for Medicaid is made to the appropriate state agency or to the Provider when required by law.

Medicare

If you are 65 years of age or older, BCBSNM will suspend your Claims until it receives (a) an *Explanation of Medicare Benefits (EOMB)* for each Claim (if you are entitled to Medicare), or (b) Social Security Administration documentation showing that you are not entitled to Medicare.

Overpayments

If BCBSNM makes an erroneous benefit payment to the Subscriber or Member for any reason (e.g., Provider billing error, Claims processing error), BCBSNM may recover overpayments from you. If you do not refund the overpayment, BCBSNM reserves the right to withhold future benefit payments to apply to the amount that you owe the Plan, and to take legal action to correct payments made in error.

Pricing of Noncontracted Provider Claims

Except for certain categories of Claims described below, the BCBSNM Covered Charge for Covered Services received from Noncontracted Providers is the lesser of the Provider's billed charges or the BCBSNM "Noncontracting Allowable Amount." The BCBSNM Noncontracting Allowable Amount is based on the **Medicare Allowable** amount for a particular service, which is determined by the Centers for Medicaid and Medicare Services (CMS). The Medicare Allowable is determined for a service covered under your BCBSNM health plan using information on each specific Claim and, based on place of treatment and date of service, is multiplied by an "Adjustment Factor" to calculate the BCBSNM Noncontracting Allowable Amount. The Adjustment Factor for non-Emergency services are:

- 100% of the base Medicare Allowable for inpatient Facility Claims;
- 300% of the base Medicare Allowable for outpatient Facility Claims;
- 200% of the base Medicare Allowable for freestanding ambulatory surgical center Claims;
- 100% of the base Medicare Allowable for Physician, other Professional Provider Claims, and other

ancillary Providers of covered Health Care Services and supplies.

Certain categories of Claims for **Covered Services** from Noncontracted Providers are excluded from this Noncontracted Provider pricing method. These include:

- services for which a Medicare Allowable cannot be determined based on the information submitted on the Claim (in such cases, the Covered Charge is 50 percent of the billed charge);
- home health Claims (the Covered Charge is 50 percent of the billed charge);
- services administered and priced by any subcontractor of BCBSNM or by the Blue Cross and Blue Shield Association;
- Claims paid by Medicare as primary coverage and submitted to your health plan for secondary payment;
- New Mexico ground Ambulance Claims (for which the New Mexico Public Regulation Commission sets fares);
- covered Claims priced by a non-New Mexico BCBS Plan through BlueCard® using local pricing methods;
- the categories of Claims for Covered Services from Noncontracted Providers discussed in more detail below.

NOTE: Non-Emergency services are generally **not covered** under HMO or EPO plans when received out-of-network from Noncontracted Providers. The pricing methods above apply **only** when the Claim for out-of-network services has been authorized for payment and does not satisfy any of the conditions below:

Benefits for Emergency Care

If you receive treatment from a Nonparticipating Provider for Emergency Care, BCBSNM will review and process payment consistent with the in-Network benefit for the Covered Services provided. For services to be Covered Services, the services must be consistent with the definition of Emergency Care. Non-Emergency services provided in an Emergency room for treatment of Mental Disorders or Chemical Dependency will be paid the same as Emergency Care services.

Pricing for the following categories of Claims for **Covered Services** from Noncontracted Providers will be priced at billed charges, or at an amount negotiated by BCBSNM with the Provider, or other amount allowed by law, whichever is less:

- for HMO health plans, services from Noncontracted Providers that satisfy at least one of the two conditions below and, as a result, are eligible for coverage under HMO and EPO health plans
 - Covered Services from Noncontracted Providers within the United States that are classified as “Unsolicited Providers” as determined by the Member’s Host Plan while outside the Service Area of BCBSNM;
 - **Prior Authorization of** transition of care services received from Noncontracted Providers.

Pricing for the following categories of Claims for Covered Services from Noncontracted Providers will be priced at either the sixtieth percentile of the allowed commercial reimbursement rate for the particular Covered Service based on Claims paid in 2017, or at 150% of the 2017 Medicare Allowable for the Covered Service, whichever is greater. Unlike the pricing methods above, you will not be responsible for paying to the Noncontracted Provider the difference between the BCBSNM Covered Charge and the Noncontracted Provider’s billed charge for a Covered Service.

- Covered Services required during an Emergency, excluding Covered Services received in an Ambulance; and
- Non-emergent Covered Services that have been approved through Prior Authorization, if needed, and are rendered at a Contracted Facility where:
 - a Contracted Provider is unavailable;

- a Noncontracted Provider renders unforeseen Covered Services; or
- a Noncontracted Provider renders Covered Services for which you did not give specific consent to the Noncontracted Provider to render.

BCBSNM will use essentially the same Claims processing rules and/or edits for Noncontracted Provider Claims that are used for Contracted Provider Claims, which may change the Covered Charge for a particular service. If BCBSNM does not have any Claim edits or rules for a particular Covered Service, BCBSNM may use the rules or edits used by Medicare in processing the Claims. Changes made by CMS to the way services or Claims are priced for Medicare will be applied by BCBSNM within 90-145 days of the date that such change is implemented by CMS or its successor.

INTER-PLAN ARRANGEMENTS

Blue Cross and Blue Shield of New Mexico (BCBSNM) has a variety of relationships with other Blue Cross and/or Blue Shield Plans under their Licensed Controlled Affiliates (“Licensees”). Generally, these relationships are called “Inter-Plan Arrangements”. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association (“Association”). Whenever you obtain healthcare services outside of the Service Area, the Claims for these services may be processed through one of these Inter-Plan Arrangements, which includes the BlueCard® program.

When you receive care outside of the Service Area, you will receive it from one of two kinds of healthcare Providers. Most Providers (“Contracted Providers”) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). Some **HMO** Noncontracted Providers do not contract with the Host Blue. BCBSNM how we pay both types of Providers.

BCBSNM covers only limited healthcare services received outside of the Service Area. As used in this section, “Out-of-Area Covered Services” for HMO plans refers to Emergency Care obtained outside the Service Area. Any other services will not be covered when processing through any Inter-Plan Arrangements, unless authorized by **your HMO** Primary Care Provider (“PCP”) or BCBSNM.

Inter-Plan Arrangements link the BCBSNM provider network with other individual Blue Cross Blue Shield networks across the country to provide you broad access to **HMO** Contracted Providers. **HMO** Contracted Providers may be Contracted with either BCBSNM or the Host Blue. **HMO** Noncontracted Providers are not Contracted with either BCBSNM, or the Host Blue.

When services are received by you outside of the State of New Mexico for either **HMO** Contracted or Noncontracted Providers, the Host Blue will provide BCBSNM with a Covered Charge based on what it uses for its own local Members for services received from either **HMO** Contracted or Noncontracted Providers in the state where the Host Blue is located.

For purposes of the Inter-Plan Arrangements described in this section, “Covered Charge” means the amount that BCBSNM determines is fair and reasonable for a particular covered and Medically Necessary service, as provided to BCBSNM by a Host Blue. After the Member’s share of the Covered Charge is calculated, BCBSNM will pay the remaining amount of the Covered Charge up to the maximum benefit limitation, if any.

BLUECARD® PROGRAM

1. Services Received from HMO Contracted Providers outside New Mexico:

Under the BlueCard® Program, when you receive Out-of-Area Covered Services within the geographic area served by a Host Blue, BCBSNM will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its **HMO** Contracted Providers.

Whenever you receive Out-of-Area Covered Services outside of the Service Area and the Claim is processed through the BlueCard® Program, the amount you pay for Covered Services, if not a flat dollar Copayment, is

based on the lower of:

- The billed charges for your Covered Services;
- The negotiated price or the allowable amount that the Host Blue makes available to BCBSNM.

If the services are provided by a **HMO** Contracted Provider of the Host Blue, the Provider will submit your Claims directly to the Host Blue to determine the allowable amount. BCBSNM will use the allowable amount to determine the Covered Charge so that your Claim can be processed. The Covered Charge will be an amount up to but not in excess of the allowable amount the Host Blue has passed on to BCBSNM. Because the services were provided by a **HMO** Contracted Provider, you will receive the benefit of the payment/rate negotiated by the Host Blue with the Provider. As always, you will be responsible for any applicable Deductible, copay and/or Coinsurance amounts (“Member Share”). The amount that BCBSNM pays together with your Member Share is the total amount the **HMO** Contracted Provider has contractually agreed to accept as payment in full for the services you have received.

Often, this “allowable amount” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare Provider or Provider Group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments made to correct for over or underestimation or underestimation of modifications of past pricing of Claims, as noted above. However, such adjustments will not affect the price we use for your Claim because they will not be applied after a Claim has already been paid.

In some cases, BCBSNM may, but is not required to, at its sole discretion, negotiate a payment with a noncontracting Health Care Provider on an exception basis.

Members may be responsible for the difference between the amount that the Noncontracted Provider bills and the payment that BCBSNM will make for Covered Services as set forth in this section.

Federal law or state law(s) may require a surcharge, tax, or other fee(s) that apply to your liability calculation. If applicable, BCBSNM will include any such surcharge, tax, or other fee as part of the Claim charge passed on to you.

2. Services Received from a HMO Noncontracted Provider Outside of New Mexico

“Out-of-Area Covered Services” for HMO plans refers to Emergency Care obtained outside the geographic area of the Service Area. Any other services will not be covered when processing through any Inter-Plan Arrangements, unless authorized by **your HMO** Primary Care Physician (“PCP”).

If services are provided by a **HMO** Noncontracted Provider, the Provider may, but is not required to submit Claims on your behalf. If the **HMO** Noncontracted Provider does not submit Claims on your behalf, you will be required to submit the Claims directly to the Host Blue.

Member Liability Calculation

1. In General

Under Inter-Plan Arrangements, when services are received outside the state of New Mexico from a **HMO** Noncontracted Provider, the Covered Charge will be determined by the Host Blue servicing area or by applicable laws, including but not limited to statutes, ordinances, judicial decisions and regulations will be passed on to BCBSNM. BCBSNM will use the Host Blue’s Covered Charge as its Covered Charge so that your Claim can be processed timely. BCBSNM’s Covered Charge will be an amount up to but not in excess of the Covered Charge the Host Blue has passed on to BCBSNM. Federal or state law, as applicable, will govern payments for out-of-

network Emergency services.

Under Inter-Plan Arrangements, when services are received outside the state of BSBSNM from a **HMO** Noncontracted Provider, the Covered Charge will be determined by the Host Blue servicing area or by applicable laws, including but not limited to statutes, ordinances, judicial decisions and regulations will be passed on to BCBSNM. BCBSNM will use the Host Blue's Covered Charge as its Covered Charge so that your Claim can be processed timely. BCBSNM's Covered Charge will be an amount up to but not in excess of the Covered Charge the Host Blue has passed on to BCBSNM. Federal or state law, as applicable, will govern payments for out-of-network Emergency services.

2. Exceptions

In certain situations, BCBSNM may use other payment bases to determine the amount BCBSNM will pay for services rendered by Noncontracted healthcare providers, such as (i) billed charges for Covered Services, (ii) the payment we would make if the healthcare services had been obtained within our Service Area, (iii) a special negotiated payment as permitted under the InterPlan Arrangements; or (iv) for Professional Providers, make a payment based on publicly available data and historic reimbursement to Providers for the same or similar professional services, adjusted for geographical differences where applicable; or (v) for Hospital or Facility Providers, make a payment based on publicly available data reflecting the approximate costs that Hospitals or facilities have incurred historically to provide the same or similar service, adjusted for geographical differences where applicable, plus a margin factor for the Hospital or Facility. In these situations, the Member may be responsible for the difference between the amount that the Noncontracted Provider bills and the payment that BCBSNM will make for Covered Services as set forth in this paragraph.

3. Emergency Care Services:

If you experience an Emergency while traveling outside the Service Area, go to the nearest Emergency medical Facility or trauma center.

4. Blue Cross Blue Shield Global Core

The United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands is the "BlueCard® Service Area". If you are outside the BlueCard® Service Area, you may be able to take advantage of the Blue Cross Blue Shield Global Core when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard® Program available in the BlueCard® Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and Professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard® Service Area, you will typically have to pay the Providers and submit the Claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the United States, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a Physician appointment or hospitalization, if necessary.

For services received in foreign countries, BCBSNM will use the exchange rate in effect on the date of service in order to determine the Covered Charge.

Inpatient Services

In most cases, if you contact the service center for assistance, Hospitals will not require you to pay for covered Inpatient Services, except for your cost-share amounts/Deductibles, Coinsurance, etc. In such cases, the Hospital will submit your Claims to the service center to begin Claims processing. However, if you paid in full at the time of service, you must submit a Claim to receive reimbursement for Covered Services.

Outpatient Services

Outpatient Services are available for Emergency Care. Physicians, Urgent Care centers and other outpatient Providers located outside the BlueCard® Service Area will typically require you to pay in full at the time of

service. You must submit a Claim to obtain reimbursement for Covered Services.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for Covered Services outside the United States, you must submit a Claim to obtain reimbursement. For institutional and professional Claims, you should complete a Blue Cross Blue Shield Global Core International Claim form and send the Claim form with the Provider's itemized bill(s) to the service center (the address is on the form) to initiate Claims processing. Following the instructions on the Claim form will help ensure timely processing of your Claim. The Claim form is available from BCBSNM, the service center or online at Blue Cross Blue Shield Global Core bcbsglobalcore.com/Account/Login/. If you need assistance with your Claim submission, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

What types of decisions can be reviewed?

You may request a review of two different types of decisions:

Adverse Determination: You may request a review if your insurer has denied Prior Authorization (certification) for a proposed procedure, has denied full or partial payment for a procedure you have already received, or is denying or reducing further payment for an ongoing procedure that you are already receiving and that has been previously covered. (The insurer must notify you *before* terminating or reducing coverage for an ongoing course of treatment and must continue to cover the treatment during the appeal process.) This type of denial may also include a refusal to cover a service for which benefits might otherwise be provided because the service is determined to be Experimental, Investigational, or not Medically Necessary or appropriate. It may also include a denial by the insurer of a participant's or beneficiary's eligibility to participate in a plan. These types of denials are collectively called "**Adverse Determinations.**"

Administrative decision: You may also request a review if you object to how the insurer handles other matters, such as its administrative practices that affect the availability, delivery, or quality of Health Care Services; Claims payment, handling or reimbursement for Health Care Services; or if your coverage has been terminated.

REVIEW OF AN ADVERSE DETERMINATION

How does Prior Authorization for a Health Care service work?

When your insurer receives a request to pre-authorize (certify) payment for a healthcare service (service) or a request to reimburse your healthcare provider (Provider) for a service that you have already had, it follows a two-step process.

Coverage: First, the insurer determines whether the requested service is covered under the terms of your health benefits plan (policy). For example, if your policy excludes payment for adult hearing aids, then your insurer will not agree to pay for you to have them even if you have a clear need for them.

Medical Necessity: Next, if the insurer finds that the requested service is covered by the policy, the insurer determines, in consultation with a Physician, whether a requested service is Medically Necessary. The consulting Physician determines Medical Necessity either after consultation with specialists who are experts in the area or after application of uniform standards used by the insurer. For example, if you have a crippling hand injury that could be corrected by plastic surgery and you are also requesting that your insurer pay for Cosmetic plastic surgery to give you a more attractive nose, the insurer might certify the first request to repair your hand and deny the second, because it is not Medically Necessary.

Depending on terms of your policy, your insurer might also deny certification if the service you are requesting is outside the scope of your policy. For example, if your policy does not pay for Experimental procedures, and the service you are requesting is classified as Experimental, the insurer may deny certification. Your insurer might also deny certification if a procedure that your Provider has requested is not recognized as a standard treatment for the condition being treated.

IMPORTANT: If your insurer determines that it will not certify your request for services, you may still go forward with the treatment or procedure. However, you will be responsible for paying the provider yourself for the services.

How long does initial certification take?

Standard decision: The insurer must make an initial decision within 5 working days. However, the insurer may extend the review period for a maximum of 10 calendar days if it: **(1)** can demonstrate reasonable cause beyond its control for the delay; **(2)** can demonstrate that the delay will not result in increased medical risk to you; and **(3)** provides a written progress report and explanation for the delay to you and your Provider within the original 5 working day review period.

What if I need services in a hurry?

Urgent Care situation: An **Urgent Care situation** is a situation in which a decision from the insurer is needed quickly because: **(1)** delay would jeopardize your life or health; **(2)** delay would jeopardize your ability to regain maximum function; **(3)** the Physician with knowledge of your medical condition **reasonably** requests an expedited decision; **(4)** the Physician with knowledge of your medical condition, believes that delay would subject you to severe pain that cannot be adequately managed without the requested care or treatment; or **(5)** the medical demands of your case require an expedited decision.

If you are facing an Urgent Care situation **or** your insurer has notified you that payment for an ongoing course of treatment that you are already receiving is being reduced or discontinued, you or your provider may request an expedited review and the insurer must either certify or deny the initial request quickly. The insurer must make its initial decision in accordance with the medical demands of the case, but within 24 hours after receiving the request for an **expedited** decision.

If you are dissatisfied with the insurer's initial expedited decision in an Urgent Care situation, you may then request an expedited review of the insurer's decision by both the insurer and an external reviewer called an Independent Review Organization (IRO). When an expedited review is requested the insurer must review its prior decision and respond to your request within 72 hours. If you request that an IRO perform an expedited review simultaneously with the insurer's review and your request is eligible for an IRO review, the IRO must also provide its expedited decision within 72 hours of receiving the necessary release of information and related records. If you are still dissatisfied after the IRO completes its review, you may request that the Superintendent review your request. This review will be completed within 72 hours after your request is complete.

The internal review, the IRO review, and the review by the Superintendent are described in greater detail in the

following sections.

IMPORTANT: If you are facing an Emergency, you should seek medical care immediately and then notify your insurer as soon as possible. The insurer will guide you through the Claims process once the Emergency has passed.

When will I be notified that my initial request has been either certified or denied?

If the initial request is approved, the insurer must notify you and your provider within 2 working days after the decision, unless an urgent matter requires a quicker notice. If the insurer denies certification, the insurer must notify you and the provider within 24 hours after the decision.

If my initial request is denied, how can I appeal this decision?

If your initial request for services is denied or you are dissatisfied with the way your insurer handles an administrative matter, you will receive a detailed written description of the grievance procedures from your insurer as well as forms and detailed instructions for requesting a review. **You may submit the request for review either orally or in writing, depending on the terms of your policy.** The insurer provides representatives who have been trained to assist you with the process of requesting a review. This person can help you to complete the necessary forms and with gathering information that you need to submit your request. Who can request a review?

A review may be requested by you as the patient, your Provider, or someone that you select to act on your behalf. The patient may be the actual Subscriber or a dependent who receives coverage through the Subscriber. The person requesting the review is called the “**grievant.**”

Appealing an Adverse Determination - first level review

If you are dissatisfied with the initial decision by your insurer, you have the right to request that the insurer’s decision be reviewed by its medical director. The medical director may make a decision based on the terms of your policy, may choose to contact a specialist or the Provider who has requested the service on your behalf, or may rely on the insurer’s standards or generally recognized standards.

How much time do I have to decide whether to request a review?

You must notify the insurer that you wish to request in internal review within **180 days** after the date you are notified that the initial request has been denied.

What do I need to provide? What else can I provide?

If you request that the insurer review its decision, the insurer will provide you with a list of the documents you need to provide and will provide to you all of your records and other information the medical director will consider when reviewing your case. You may also provide additional information that you would like to have the medical director consider, such as a statement or recommendation from your doctor, a written statement from you, or published clinical studies that support your request.

How long does a first level internal review take?

Expedited review: If a review request involves an Urgent Care situation, your insurer must complete an expedited internal review as required by the medical demands of the case, but in no case later than 72 hours from the time the internal review request was received.

Standard review: Your insurer must complete both the medical director’s review and (if you then request it) the insurer’s internal panel review within 30 days after receipt of your pre-service request for review. The medical director’s review generally takes only a few days.

The medical director denied my request - now what?

- If you remain dissatisfied after the medical director’s review, you may either request a review by a panel that is selected by the insurer or you may skip this step and ask that your request be reviewed by an IRO that is appointed by the Superintendent.
- If you ask to have your request reviewed by the insurer’s panel, then you have the right to appear before the panel in person or by telephone or have someone, (including your attorney), appear with you or on your behalf. You may submit information that you want the panel to consider and ask questions of the panel members. Your health provider may also address the panel or send a written statement.
- If you decide to skip the panel review, you will have the opportunity to submit your information for review by the IRO, but you will not be able to appear in person or by telephone. OSI can assist you in getting your information to the IRO.

IMPORTANT: If you are covered under the NM State Healthcare Purchasing Act, you may NOT request an IRO review if you skip the panel review.

How long do I have to make my decision?

If you wish to have your request reviewed by the insurer’s panel, you must inform the insurer within **5 days** after you receive the medical director’s decision. If you wish to skip the insurer’s panel review and have your matter go directly to the IRO, you must inform OSI of your decision within **4 months** after you receive the medical director’s decision.

What happens during a panel review?

If you request that the insurer provide a panel review its decision, the insurer will schedule a hearing with a group of medical and other professionals to review the request. If your request was denied because the insurer felt the requested services were not Medically Necessary, were Experimental or were Investigational, then the panel will include at least one specialist with specific training or experience with the requested services.

The insurer will contact you with information about the panel's hearing date so that you may arrange to attend in person or by telephone or arrange to have someone attend with you or on your behalf. You may review all of the information that the insurer will provide to the panel and submit additional information that you want the panel to consider. If you attend the hearing in person or by telephone, you may ask questions of the panel members. Your medical provider may also attend in person or by telephone and address the panel or send a written statement.

The insurer's internal panel must complete its review within 30 days following your original request for an internal review of a request for pre-certification or within 60 days following your original request if you already received the services. You will be notified within 2 days after the panel decision. If you fail to provide records or other information that the insurer needs to complete the review, you will be given an opportunity to provide the missing items, *but the review process may take much longer and you will be forced to wait for a decision.*

HINT: If you need extra time to prepare for the panel's review, then you may request that the panel be delayed for maximum of 30 days.

If I choose to have my request reviewed by the insurer's panel, can I still request the IRO review?

Yes. If your request has been reviewed by the insurer's panel and you are still dissatisfied with the decision, you will have **4 months** to decide whether you want to have the request reviewed by an IRO.

What's an IRO and what does it do?

An IRO is a certified organization appointed by OSI to review requests that have been denied by an insurer. The IRO employs various medical and other professionals from around the country to perform reviews. Once OSI selects and appoints an IRO, the IRO will assign one or more professionals who have specific credentials that qualify them to understand and evaluate the issues that are particular to a request. Depending on the type of issue, the IRO may assign a single reviewer to consider your request, or it may assign a panel of reviewers. The IRO must assign reviewers who have no prior knowledge of the case and who have no close association with the insurer or with you. The reviewer will consider all of the information that is provided by the insurer and by you. (OSI can assist you in getting your information to the IRO) In making a decision, the reviewer may also rely on other published materials, such as clinical studies.

The IRO will report the final decision to you, your provider, your insurer, and to OSI. Your insurer must comply with the decision of the IRO. If the IRO finds that the requested services should be provided, then the insurer must provide them.

The IRO's fees are billed directly to the insurer - there is no charge to you for this service.

How long does an IRO review take?

The IRO must complete the review and report back within 20 days after it receives the information necessary for the review. (however, if the IRO has been asked to provide an expedited review regarding an Urgent Care matter, the IRO must report back within 72 hours after receiving all of the information it needs to review the matter.)

Review by the Superintendent of Insurance

If you remain dissatisfied after the IRO's review, you may still be able to have the matter reviewed by the Superintendent. You may submit your request directly to OSI, and if your case meets certain requirements, a hearing will be scheduled. You will then have the right to submit additional information to support your request

and you may choose to attend the hearing and speak. You may also ask other persons to testify at the hearing. The Superintendent may appoint independent co-hearing officers to hear the matter and to provide a recommendation.

The co-hearing officers will provide a recommendation to the Superintendent within 20 days after the hearing is complete. The Superintendent will then issue a final order.

There is no charge to you for a review by the Superintendent of Insurance and any fees for the hearing officers are billed directly to the insurer. However, if you arrange to be represented by an attorney or your witnesses require a fee, you will need to pay those fees.

REVIEW OF AN ADMINISTRATIVE DECISION

How long do I have to decide if I want to appeal and how do I start the process?

If you are dissatisfied with an initial administrative decision made by your insurer, you have a right to request an internal review within **180 days** after the date you are notified of the decision. The insurer will notify you within 3 days after receiving your request for a review and will review the matter promptly. You may submit relevant information to be considered by the reviewer.

How long does an internal review of an Administrative Decision take?

The insurer will mail a decision to you within 30 days after receiving your request for a review of an administrative decision.

Can I appeal the decision from the internal reviewer?

Yes. You have 20 days to request that the insurer form a committee to reconsider its administrative decision.

What does the reconsideration committee do? How long does it take?

When the insurer receives your request, it will appoint two or more members to form a committee to review the administrative decision. The committee members must be representatives of the company who were not involved in either the initial decision or the internal review. The committee will meet to review the decision within 15 days after the insurer receives your request. You will be notified at least 3 days prior to the committee meeting so that you may provide information, and/or attend the hearing in person or by telephone.

If you are unable to prepare for the committee hearing within the time set by the insurer, you may request that the committee hearing be postponed for up to 30 days. The reconsideration committee will mail its decision to you within 7 days after the hearing.

How can I request an external review?

If you are dissatisfied with the reconsideration committee's decision, you may ask the Superintendent to review the matter within **20 days** after you receive the written decision from the insurer. You may submit the request to OSI using forms that are provided by your insurer. Forms are also available on the OSI website located at <https://www.osi.state.nm.us/pages/misc/mhcb-complaint>. You may also call OSI to request the forms at (505) 827-3811 or toll-free at 1-(833) 415-0566.

How does the external review work?

Upon receipt of your request, the Superintendent will request that both you and the insurer submit information for consideration. The insurer has 5 days to provide its information to the Superintendent, with a copy to you. You may also submit additional information including documents and reports for review by the Superintendent. The Superintendent will review all of the information received from both you and the insurer and issue a final decision within 45 days. If you need extra time to gather information, you may request an extension of up to 90 days. Any extension will cause the review process and decision to take more time.

SECTION 11: CONTINUATION COVERAGE RIGHTS UNDER COBRA

This notice contains important information about your possible right to COBRA continuation coverage, which is a temporary extension of coverage under this Group Health Care Plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), for certain larger group employers. COBRA continuation coverage may be available to you and to other members of your family who are covered under the Health Care plan when you would otherwise lose your Group health coverage. Contact your employer to determine if you or your Group are eligible for COBRA continuation coverage.

This notice generally explains:

- COBRA continuation coverage;
- when it may become available to you and your family if your Group is subject to the provisions of COBRA; and
- what you need to do to protect your right to receive it.

This notice gives only a summary of COBRA continuation coverage rights. For more information about the rights and obligations under the Plan and under federal law, contact the Plan administrator or see *Section 2: Enrollment and Termination Information* of this Benefit Booklet.

The Plan administrator of the Plan is named by the employer or by the Group health plan. Either the Plan administrator or a third party named by the Plan administrator is responsible for administering COBRA continuation coverage. Contact your Plan administrator for the name, address, and telephone number of the party responsible for administering your COBRA continuation coverage.

COBRA CONTINUATION COVERAGE

COBRA continuation coverage is a continuation of Health Care plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the Health Care plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, Domestic Partners (if your employer has chosen to extend continued coverage to them), and eligible children of employees may be qualified beneficiaries. Under the Plan, generally most qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. Contact the employer and/or COBRA administrator for specific information for your Plan.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because either one of the following qualifying events happens:

- your hours of employment are reduced; or
- your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because any of the following qualifying events happens:

- your spouse dies;
- your spouse’s hours of employment are reduced;
- your spouse’s employment ends for any reason other than his or her gross misconduct;
- your spouse becomes enrolled in Medicare (Part A, Part B or both); or
- you become divorced or legally separated from your spouse.

Your eligible children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens and if your Group is subject to the provisions of COBRA:

- the parent-employee dies;
- the parent-employee's hours of employment are reduced;
- the parent-employee's employment ends for any reason other than his or her gross misconduct;
- the parent-employee becomes enrolled in Medicare (Part A, Part B or both);
- the parents become divorced or legally separated; or
- the Child stops being eligible for coverage under the Plan as an "eligible Child".

If the Plan provides Health Care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the employer, and that bankruptcy results in the loss of coverage of any retiree covered under the Plan, the retiree is a qualified beneficiary with respect to the bankruptcy. The retiree's spouse, surviving spouse and eligible children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan administrator has been notified that a qualifying event has occurred.

The employer must notify the Plan administrator **within 30 days** when the qualifying event is:

- the end of employment;
- the reduction of hours of employment;
- the death of the employee;
- with respect to a retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer; or
- the enrollment of the employee in Medicare (Part A, Part B or both).

For the other qualifying events (divorce or legal separation of the employee and spouse or an eligible Child losing eligibility for coverage as an eligible Child), you must notify the Plan administrator. The Plan requires you to notify the Plan administrator **within 60 days** after the qualifying event occurs. Contact your employer and/or the COBRA administrator for procedures for this notice, including a description of any required information or documentation.

Once the Plan administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that Plan coverage would otherwise have been lost.

COBRA continuation coverage is a temporary continuation of coverage. COBRA continuation coverage may last for up to 36 months when the qualifying event is:

- the death of the employee;
- the enrollment of the employee in Medicare (Part A, Part B or both);
- your divorce or legal separation; or
- an eligible Child losing eligibility as an eligible Child.

When the qualifying event is the end of employment or reduction in hours of employment, COBRA continuation coverage lasts for **up to 18 months**. There are two ways in which this 18-month period of COBRA continuation can be extended:

Disability Extension of 18-month Period of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled at any time during **the first 60 days** of COBRA continuation coverage and you notify the Plan

administrator in a timely fashion, you and your entire family can receive **up to an additional 11 months** of COBRA continuation coverage, **for a total maximum of 29 months**. You must make sure that your Plan administrator is notified of the Social Security Administration's determination **within 60 days** of the date of the determination and before the end of the 18-month period of COBRA continuation coverage. Contact your employer and/or the COBRA administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage

If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and eligible children in your family can get additional months of COBRA continuation coverage, **up to a maximum of 36 months**. This extension is available to the spouse and eligible children if the former employee dies, enrolls in Medicare (Part A, Part B or both), or gets divorced or legally separated. The extension is also available to an eligible Child when that Child stops being eligible under the Plan as an eligible Child.

In all of these cases, you must make sure that the Plan administrator is notified of the second qualifying event **within 60 days** of the second qualifying event. Contact your employer and/or the COBRA administrator for procedures for this notice, including a description of any required information or documentation.

IF YOU HAVE QUESTIONS

If you have questions about COBRA continuation coverage, contact the Plan administrator or the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's Web site at www.dol.gov/ebsa.

In order to protect your family's rights, you should keep the Plan administrator informed of any changes in the addresses of family Members. You should also keep a copy, for your records, of any notices you send to your Plan administrator.

This means that you or your Provider must ask us to approve the care before you receive it.

A complete and current list of the services and prescription drugs that are subject to a Prior Authorization requirement can be found in your Plan Benefit Booklet or by contacting Customer Service at the number on the back of your ID Card.

We may decline payment for unauthorized care. If your Provider is in-network, and you did not agree to receive unauthorized care, your Provider cannot bill you for the care. If you received unauthorized care from a Provider who is not in-network, you may be fully responsible for the resulting bills.

We do not require Prior Authorization for:

- Emergency services;
- contraception services that are not subject to any cost-sharing; or
- an obstetrical or gynecological ultrasound.

However, we require authorization for continued inpatient care if you are admitted to a Hospital for Emergency treatment, but your condition is stabilized. You or your Provider must notify us within 48 hours from when you begin receiving Emergency inpatient treatment. If your condition makes it impossible to call within 48 hours, call as soon as possible after the Emergency ends and your condition stabilizes.

Prior Authorization Process

Your in-network Provider is responsible for knowing what care requires Prior Authorization, and for submitting a Prior Authorization request to us.

We will give any Provider access to all necessary forms and instructions for making the request. An out-of-network Provider is not required to submit a Prior Authorization request for you. If you visit one of these Providers, and that Provider will not submit a Prior Authorization request, you may submit a Prior Authorization request on your own behalf, or on behalf of a dependent. We will help you obtain required documents and show you the guidelines that apply to the request. However, because your Provider should be able to gather required information and submit it sooner, we encourage you to have your Provider request Prior Authorization whenever possible.

Prior Authorization Review Timelines

If we do not deny a complete Prior Authorization request within these time frames the request is automatically approved:

- **Urgent Care or Prescription Drugs** — If you require urgent medical care, Behavioral Health Care or a prescription drug, we will resolve the request within 24 hours.
- **Non-Urgent Medicine** — if you do not have an urgent need for a prescription drug, we will resolve the request within three business days if your Provider:
 - Uses the Prior Authorization request form approved by the New Mexico Office of Superintendent of Insurance;
 - Requests an exception from an established step therapy process; or

- Requests to prescribe a drug that we do not usually cover.
- **Other Requests** — We will resolve all other requests within seven (7) business days.

Meeting these time frames depends on our receipt of sufficient information to evaluate the request. Our Utilization management staff can answer questions your Provider might have concerning required information or any aspect of the request submission process. If we require additional information to evaluate a request, we will request it from your Provider. Your Provider will have at least 4 hours to provide requested information in connection with an urgent Prior Authorization request, and at least two calendar days for any other type of request.

Why We Review

Our review of a Prior Authorization request will determine if the proposed care involves a covered service, is Medically Necessary and whether an alternative type of care should be pursued instead of, or before, the requested care. Our decisions concerning Medical Necessity and care alternatives will be guided by current clinical care standards and will be made by an appropriate medical professional.

Prior Authorization does not guarantee payment. We are not required to pay for an authorized service if your coverage ends before you receive the service.

After Care Review

If you received care without a required Prior Authorization, we may allow your Provider to request authorization retrospectively. Our Utilization management team will assist your Provider in the submission of a retrospective authorization request. However, we do not routinely authorize care retrospectively. To avoid uncertainty, it is always best to request Prior Authorization.

Behavioral Health Care

Requests for Behavioral Health Care and prescriptions are subject to the same prior and retroactive authorization processes and timelines as requests for medical care and prescriptions.

Authorization Denial

We will inform you in writing if we deny a prior or retroactive authorization request. Our notice to you will explain why we denied the request and will provide you with instructions for disputing our decision if you disagree. A summary of the dispute resolution process can be found in the Claims Payments and Appeals section of your Plan Benefit Booklet. You have a right to request information about the guidance we followed to deny your request, even if you do not dispute our decision.

OUT-OF-NETWORK CARE AND BILLS

If you receive care under any of the circumstances below from a Provider who is not in your network, these are your rights:

If you receive Emergency care out-of-network, including air Ambulance service:

- You are only responsible for paying what you would owe for the same care from an in-network Provider or facility.
- You do NOT need to get Prior Authorization for Emergency services.
- Your care can continue until your condition has stabilized. If you require additional care after stabilization, call Customer Service at the number on the back of your ID Card and we will help you receive that care from an in-network Provider.
- You cannot be balance billed.

If you receive care from an out-of-network Provider at an in-network Facility, such as a Hospital that is in your Plan, you are only responsible for paying what you would owe for the same care from an in-network

Provider if:

- You did not consent to services from an out-of-network Provider,
- You were not offered the service from an in-network Provider, or
- the service was not available from an in-network Provider – as determined by your Health Care Provider and BCBSNM.

If you get a bill from an out-of-network Provider under any of the above circumstances that you do not believe is owed:

- Call us first at the Customer Service number on the back of your ID Card. We will try to resolve the issue with the Provider on your behalf.
- Contact the New Mexico Office of Superintendent of Insurance if the problem has not been resolved by us — <https://www.osi.state.nm.us/pages/misc/mhcb-complaint> or 1-833-415-0566.

To help stop improper out-of-network bills, we will:

- Notify you if your Provider leaves our network and allow you transitional care with that Provider at the in-network Benefit level for up to 90 days depending on your condition and course of treatment.
- Verify the accuracy of our Provider directory information at least every 90 days.
- Confirm whether a Provider is in-network if you contact Customer Service at the number on the back of your ID Card. If our representative provides inaccurate information that you rely on in choosing a Provider, you will only be responsible for paying your in-network cost-sharing amount for care received from that Provider.

You have the right to receive notice of the following before you receive out-of-network care at an in-network facility:

- A good faith estimate of the charges for out-of-network care.
- At least five days to change your mind before you receive a scheduled out-of-network service. If you choose to receive out of network care you will be responsible for out-of-network charges that we do not cover.
- A list of in-network Providers and the option to be referred to any such Provider who can provide necessary care.

If you pay an out-of-network Provider more than we determine you owe:

- The Provider will owe you a refund within 45 days of receipt of payment by us.
- If you do not receive a refund within that 45-day period, the Provider will owe you the refund plus interest.
- You may contact the New Mexico Office of Superintendent of Insurance at <https://www.osi.state.nm.us/pages/misc/mhcb-complaint> and 1-833-415-0566 for assistance or to appeal the Provider's failure to provide a refund. You need to file the appeal within 180 days of the 45-day refund period expiration.

NO COST-SHARING FOR BEHAVIORAL HEALTH SERVICES

Cost-sharing is eliminated for all professional and ancillary services for the treatment, rehabilitation, prevention and identification of mental illnesses, substance abuse disorders and trauma spectrum disorders. This includes cost-sharing for inpatient, detoxification, residential treatment and partial hospitalization, intensive outpatient therapy, outpatient and all medications, including brand-name pharmacy drugs when generics are unavailable.

Cost-sharing means any Copayment, Coinsurance, Deductible or any other form of financial obligation of an enrollee other than a premium or a share of a premium, or any combination of any of these financial obligations.

The terms of this endorsement replace and supersede any conflicting provision of your insurance contract and Summary of Benefits and Coverage. All other requirements of the policy not in conflict with this endorsement still apply.

CONTRACEPTIVE COVERAGE

You are entitled to receive certain covered contraception services and supplies without cost-sharing and without prior approval from us. This means that you do not have to make a Copayment, Coinsurance, satisfy a Deductible or pay Out-of-Pocket for any part of contraception benefits listed in this summary if you receive them from an in-network Provider.

You may be required to pay a Copay, Coinsurance, and/or a Deductible if you receive a contraception service or supply from an out-of-network provider if the same service or supply is available in-network. You may also owe cost-sharing if you receive a brand-name contraceptive when at least one generic or therapeutic equivalent is available.

Your plan covers these contraceptive methods:

Coverage with no cost-sharing also applies to IUD insertion and removal, including surgical removal, and to any related medical examination when services are obtained from an in-network Provider. Coverage of LARCs with no cost-sharing also includes (pre-discharge) post-partum clinical services.

Oral Contraceptives

The oral contraceptives covered by your Plan are listed here: www.bcbsnm.com/pdf/rx/contraceptive-list-nm.pdf.

Six Month Dispensing

You are entitled to receive a six-month supply of contraceptives, if prescribed and self-administered, when dispensed at one time by your pharmacy. To receive this benefit, your Provider must specifically prescribe the six-month supply. If you need to change your contraceptive method before the six-month supply runs out, you may do so without cost-sharing. You will not owe cost-sharing for any related contraceptive counseling or side-effects management.

Brand Name Drugs or Devices

Your Plan may exclude or apply cost-sharing to a name-brand contraceptive if a generic or therapeuticequivalent is available within the same category of contraception. Please see the table of contraceptive categories above. Ask your Provider about a possible equivalent.

If your Provider determines that a brand-name contraceptive is Medically Necessary, your Provider may ask us to cover that contraceptive without cost-sharing. If we deny the request, you or your Provider can submit a grievance to contest that denial.

Vasectomies and Male Condoms

This Plan covers vasectomies and male condoms. No prescription or cost-sharing is required for coverage of male condoms. Please see the section below on *Coverage for Contraception Where a Prescription Is Not Required* for instructions on reimbursement for condoms.

Sexually Transmitted Infections

Your Plan covers, and no cost-sharing applies to, contraception methods that are prescribed for the prevention of sexually transmitted infections.

Coverage for Contraception Where a Prescription Is Not Required

Your Plan covers contraception with no cost-sharing even when a prescription is not required. Contraceptive methods such as condoms or Plan B may fall into this category. You will not have to payupfront for contraceptives that do not require a prescription when obtained through an in-network pharmacy. For all other purchases, you may submit a request for reimbursement as follows:

- Within 90 days of the date of purchase of the contraceptive method,
- Provide the receipt and the Claim Form – Prescription Drug, also known as a reimbursement form, (available by contacting the Customer Service number on the back of your Identification Card or visiting www.bcbsnm.com), to the following:

Prime Therapeutics
PO Box 25136
Lehigh Valley, PA 18002-5136

If you submit your complete request for reimbursement electronically or by fax, we will reimburse you within 30 days of receiving the request. If you submit your complete request for reimbursement by U.S. mail, we will reimburse within 45 days. Failure to submit a complete request may lead to delays in reimbursement.

Availability of Out-of-Network Coverage

Under your Plan, use of an out-of-network provider to prescribe or dispense contraceptive coverage is a covered benefit. Please refer to the “Retail Pharmacy Program” section of the plan to learn more about your out-of-network benefit.

This endorsement is retroactive to the effective date of your coverage with us. These terms replace and supersede any conflicting provision of your insurance contract and Summary of Benefits and Coverage. All other requirements of the policy not in conflict with this endorsement still apply.

FEDERAL BALANCE BILLING AND OTHER PROTECTIONS

This section is based upon the No Surprises Act, a federal law enacted in 2020 and effective for plan years beginning on or after January 1, 2022. Unless otherwise required by federal or New Mexico law, if there is a conflict between the terms of this “*Federal Balance Billing and Other Protections*” section and the terms in the rest of this Benefit Booklet, the terms of this section will apply. However, definitions set forth in the “*Federal No Surprises Act Definitions*” provision of this section are for purposes of this section only.

• **PCP Selection**

The Plan requires the designation of a Primary Care Physician (PCP). You have the right to designate any PCP who participates in our network and who is available to accept you or your family Members.

Until you make this designation, Blue Cross and Blue Shield of New Mexico designates one for you. For information on how to select a PCP and for a list of the participating PCPs, contact BCBSNM at www.bcbsnm.com or Customer Service at the toll-free number on the back of your Identification Card.

For Dependent children, you may designate any Participating Provider who specializes in pediatric care as their Primary Care Physician (PCP).

• **OB/GYN Care**

You are not required to obtain a referral or authorization from your Primary Care Physician (PCP) or Women’s Principal Health Care Provider (WPHCP) before obtaining Covered Services from any Participating Provider specializing in obstetrics or gynecology. However, before obtaining Covered obstetrical or gynecological care, the Provider must comply with certain policies and procedures required by your Plan, including Prior Authorization and referral policies. For a list of Participating Providers who specialize in obstetrics or gynecology, visit www.bcbsnm.com or contact Customer Service at the toll-free number on the back of your Identification Card.

• **Continuity of Care**

If you are under the care of a Participating Provider as defined in this Benefit Booklet who stops participating

in the Plan's network (for reasons other than failure to meet applicable quality standards, including medical incompetence or professional behavior, or fraud), you may be able to continue coverage for that Provider's Covered Services at the Participating Provider Benefit level if one of the following conditions is met:

- 1) You are undergoing a course of treatment for a serious and complex condition;
- 2) You are undergoing institutional or inpatient care;
- 3) You are scheduled to undergo nonelective surgery from the Provider (including receipt of postoperative care from such Provider with respect to such surgery);
- 4) You are pregnant or undergoing a course of treatment for your pregnancy; or
- 5) You are determined to be terminally ill.

A serious and complex condition is one that (1) for an acute illness, is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm (for example, if you are currently receiving chemotherapy, radiation therapy, or post-operative visits for a serious acute disease or condition), and (2) for a chronic illness or condition, is (i) life-threatening, degenerative, disabling or potentially disabling, or congenital, and (ii) requires specialized medical care over a prolonged period of time.

Continuity coverage described in this provision shall continue until the treatment is complete but will not extend for more than 90 days beyond the date The Plan notifies You of the Provider's termination, or any longer period provided by state law. If You are in the second or third trimester of pregnancy when the Provider's termination takes effect, continuity of coverage may be extended through delivery of the child, immediate postpartum care, and the follow-up check-up within the first six (6) weeks of delivery. You have the right to appeal any decision made for a request for Benefits under this provision, as explained in the Benefit Booklet.

• **Federal No Surprises Act Definitions**

The definitions below apply only to this "*Federal Balance Billing and Other Protections*" section. To the extent the same terms are also defined in "*Section 10: Definitions*" in this Benefit Booklet, those terms will apply only to their use in the Benefit Booklet or this "*Federal Balance Billing and Other Protections*" section, respectively.

"Air Ambulance Services" means, for purposes of this section only, medical transport by helicopter or airplane for patients.

"Emergency Medical Condition" means, for purposes of this section only, a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in a condition: (i) placing the health of the individual, or with respect to a pregnant woman her unborn child in serious jeopardy; (ii) constituting a serious impairment to bodily functions; or (iii) constituting a serious dysfunction of any bodily organ or part.

"Emergency Services" means, for purposes of this section only,

- a medical screening examination performed in the emergency department of a Hospital or a Freestanding Emergency Department;
- further medical examination or treatment you receive at a Hospital, regardless of the department of the Hospital, or a Freestanding Emergency Department to evaluate and treat an Emergency Medical Condition until your condition is stabilized; and
- Covered Services you receive from a Non-Participating Provider during the same visit after your Emergency Medical Condition has stabilized unless:
 - 1) Your Non-Participating Provider determines you can travel by non-medical or non-emergency transport;
 - 2) Your Non-Participating Provider has provided you with a notice to consent form for balance

- billing of services; and
- 3) You have provided informed consent.

“Non-Participating Provider” means, for purposes of this section only, with respect to a covered item or service, a Physician or other Health Care Provider who does not have a contractual relationship with BCBSNM for furnishing such item or service under the Plan.

“Non-Participating Emergency Facility” means, for purposes of this section only, with respect to a covered item or service, an emergency department of a Hospital or an independent Freestanding Emergency Department that does not have a contractual relationship with BCBSNM for furnishing such item or service under the Plan.

“Participating Provider” means, for purposes of this section only, with respect to a Covered Service, a Physician or other Health Care Provider who has a contractual relationship with BCBSNM setting a rate (above which the provider cannot bill the member) for furnishing such item or service under the Plan, regardless of whether the Provider is considered a Preferred or in-network Provider for purposes of in-network or out-of-network benefits under the Plan.

“Participating Facility” means, for purposes of this section only, with respect to Covered Service, a Hospital or ambulatory surgical center that has a contractual relationship with BCBSNM setting a rate (above which the provider cannot bill the member) for furnishing such item or service under the Plan, regardless of whether the provider is considered a Preferred or in-network Provider for purposes of in-network or out-of-network benefits under the Plan.

“Qualifying Payment Amount” means, for purposes of this Amendment only, a median of contracted rates calculated pursuant to federal or state law, regulation and/or guidance.

“Recognized Amount” means, for purposes of this Amendment only, an amount determined pursuant a state law that provides a method for determining the total amount payable for the item or service (if applicable); or, if there is no state law that provides a method for determining the total amount payable for the item or service, the lesser of the Qualifying Payment Amount or billed charges.

- **Federal No Surprises Act Surprise Billing Protections**

The federal No Surprises Act contains various protections relating to surprise medical bills on services performed by Non-Participating Providers and Non-Participating Emergency Facilities. The items and services included in these protections (“Included Services”) are listed below.

- 1) Emergency Services obtained from a Non-Participating Provider or Non-Participating Emergency Facility.
- 2) Covered non-Emergency Services performed by a Non-Participating Provider at a Participating Facility (unless you give written consent and give up balance billing protections).
- 3) Air Ambulance Services received from a Non-Participating Provider, if the services would be covered if received from a Participating Provider.

Claim Payments

For Included Services, the Plan will send an initial payment or notice of denial of payment directly to the Provider.

Cost-Sharing

For non-Emergency Services performed by Non-Participating Providers at a Participating Facility, and for Emergency Services provided by a Non-Participating Provider or Non-Participating Emergency Facility, the Recognized Amount is used to calculate your cost-share requirements, including Deductibles, Copayments, and Coinsurance.

For Air Ambulance Services received from a Non-Participating Provider, if the services would be covered if

received from a Participating Provider, the amount used to calculate your cost-share requirements, including Deductibles, Copayments, and Coinsurance, will be the lesser of the Qualifying Payment Amount or billed charges.

For Included Services, these cost-share requirements will be counted toward your Participating Provider Deductible and/or Out-of-Pocket Limit, if any.

- **Federal No Surprises Act Prohibition of Balance Billing**

You are protected from balance billing on Included Services as set forth below.

If you receive Emergency Services from a Non-Participating Provider or non-Participating Emergency Facility, the most the Non-Participating Provider or non-Participating Emergency Facility may bill you is your in-network cost-share. You cannot be balance billed for these Emergency Services unless you give written consent and give up your protections not to be balance billed for services you receive after you are in a stable condition.

When you receive Covered Non-Emergency Services from a Non-Participating Provider at a Participating Facility, the most those Non-Participating Providers may bill you is your Plan's in-network cost-share requirements. When you receive emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services at a Participating Facility, Non-Participating Providers can't balance bill you and may not ask you to give up your protections not to be balance billed. If you get other services at Participating Facilities, Non-Participating Providers can't balance bill you unless you give written consent and give up your protections.

If your Plan includes Air Ambulance Services as a Covered Service, and such services are provided by a Non-Participating Provider, the most the Non-Participating Provider may bill you is your in-network cost-share. You cannot be balance billed for these Air Ambulance Services.

Definitions

Brand-Name Drug — A drug or product manufactured by a single manufacturer as defined by a nationally recognized provider of drug product database information. There may be some cases where two manufacturers will produce the same product under one license, known as a co-licensed product, which would also be considered as a Brand-Name Drug. There may also be situations where a drug's classification changes from Generic to Preferred or Nonpreferred Brand-Name due to a change in the market resulting in the Generic Drug being a single source, or the drug product database information changing, which would also result in a corresponding change to your payment obligations from Generic to Preferred or Nonpreferred Brand-Name.

Copayment (or "Copay") — The maximum fixed-dollar amount you pay for each covered prescription order filled or refilled or a covered supply purchased through a retail Pharmacy. Specialty Pharmacy or designated mail order service vendor under this drug plan.

Deductible — The annual Deductible described in your Benefits Booklet for the medical portion of your health benefits plan that also applies to the drug portion of your health benefits plan described in this rider. This Deductible is the maximum amount of covered charges you or your family must pay in a Calendar Year under your health benefits plan, including covered Pharmacy prescription charges for orders filled or refilled, or for covered supplies purchased through a retail Pharmacy, Specialty Pharmacy provider, or designated mail order service vendor, before your health benefits plan begins to pay its share of covered charges, including the covered Pharmacy prescription charges you incur during the same Calendar Year under this rider. If a Deductible amount remains the same during the Calendar Year, you pay it only once each Calendar Year, and it applies to all covered charges that are subject to this Deductible and to Coinsurance that you receive during that Calendar Year including all covered Pharmacy prescription charges under this rider.

Drug List — A list of all drugs that may be covered under the "Covered Medications and Other Items" section of this rider. A current list is available on our website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf. You may also contact a customer service representative at the telephone number shown on the back of your identification card for more information.

Enteral Nutritional Product — A product designed to provide calories, protein, and essential micronutrients by the enteral route (i.e., by the gastrointestinal tract, which includes the stomach and small intestine only).

Generic Drug — A drug that has the same active ingredient as a Brand-Name Drug and is allowed to be produced after the Brand-Name Drug's patent has expired. In determining the brand or generic classification for covered drugs, BCBSNM uses the generic/brand status assigned by a nationally recognized provider of drug product database information. You should know that not all drugs identified as a “generic” by the drug product database, manufacturer, Pharmacy, are considered “generic” for coverage purposes or similar. Generic Drugs are identified within the Drug List which is available on the BCBSNM website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf. You may also contact a customer service advocate for more information.

Genetic Inborn Errors of Metabolism — A rare, inherited disorder that is present at birth; if untreated, results in mental retardation or death, and requires that the affected person consume Special Medical Foods.

Legend Drugs — Drugs, biologicals, or compounded prescriptions which are required by law to have a label stating “Caution: Federal Law Prohibits Dispensing without a Prescription,” and which are approved by the FDA for a particular use or purpose.

Nonpreferred Brand-Name Drug — A covered Brand-Name Drug product or other item that is identified on the Drug List as nonpreferred and is subject to the Nonpreferred Brand-Name Drug tier payment level. The Drug List is available by accessing the website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf.

Nonpreferred Generic Drug — A covered Generic Drug product or other item that is identified on the Drug List as nonpreferred and is subject to the Nonpreferred Generic Drug tier payment level. The Drug List is available by accessing the website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf.

Nonpreferred Specialty Drugs — A Specialty Drug, which may be Generic or Brand Name Drug, that is identified on the Drug List as a Nonpreferred Specialty Drug and is subject to the Nonpreferred Specialty Drug payment level. The Drug List is available by accessing the website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf.

Participating Pharmacy — A retail supplier that has contracted with BCBSNM or its authorized representative to dispense covered Prescription Drugs, Medicines and Devices, insulin, diabetic supplies, and nutritional products to plan members, and that has contractually accepted the terms and conditions as set forth by BCBSNM and/or its authorized representative. Some Participating Pharmacies are contracted with BCBSNM to provide Specialty Drugs to members; these pharmacies are called “**specialty Pharmacy providers**” and some drugs should be purchased by these specially contracted providers in order to be receive maximum benefits.

Performance Drug List — (hereinafter referenced as “Drug List”) — A list of non-specialty Prescription Drugs and Specialty Drugs covered by BCBSNM for Pharmacy benefits under BCBSNM health plans. (Specialty Drugs are also listed on the separate Specialty Drug List). The drugs on the Drug List have been selected to provide coverage for a broad range of diseases. Each drug listed shows to which tiered category it belongs under your 6-Tier drug plan: Tier 1 for Preferred Generic Drugs; Tier 2 for Nonpreferred Generic Drugs; Tier 3 for Preferred Brand-Name Drugs; Tier 4 for Nonpreferred Brand-Name Drugs; Tier 5 Preferred Specialty Drug and Tier 6 for Nonpreferred Specialty Drugs. How your cost for a covered Prescription Drug is determined, in accordance with the applicable tier to which it belongs, is described in the “Member Copayments ” section of this rider. Brand-Name Drugs may be included on the Drug List when a Generic Drug is not available to treat a specific medical condition, or the Brand-Name Drug offers a significant advantage over available Generic Drugs as determined by BCBSNM.

The Drug List is subject to periodic review and change by BCBSNM; a copy of it is available on the BCBSNM website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf. You may also contact a customer service advocate, and BCBSNM contracted providers may contact their network representative, for a copy.

(NOTE: Prescription Drugs must be listed on the Drug List to be covered under this drug plan, unless coverage is specifically provided elsewhere in this rider and/or is required by applicable law or regulation. However, because a drug is listed on the Drug List does not mean the drug is covered under your health benefits plan. Drugs prescribed for a condition that is not covered under the medical portion of your health benefits plan are not covered under this drug plan rider).

Special Medical Foods are covered only when prescribed by a physician for treatment of genetic errors of metabolism, and the member is under the physician’s ongoing care. Special Medical Foods are not for use by the general public and may not be available in stores or supermarkets. Special Medical Foods are not those foods included in a healthy diet intended to decrease the risk of disease, such as reduced-fat foods, low sodium foods, or weight loss products.

Specialty Drugs — Specialty Drugs are used to treat complex medical conditions, and are typically given by injection, but may be topical or taken by mouth. They also often require careful adherence to treatment plans, may have special handling or storage requirements, and may not be stocked by retail pharmacies. Some conditions such as hepatitis C, hemophilia, multiple sclerosis and rheumatoid arthritis are treated with Specialty Drugs. In order to receive maximum benefits, these drugs should be purchased through an in-network specialty Pharmacy. Specialty Drugs, when covered, are subject to the Deductible (if applicable), and when the Deductible (if applicable) is met, the applicable payment level applies according to the tier structure of the drug plan noted in your *Summary of Benefits and Coverage* (SBC) see “Member Copayments ” section of this rider.

Specialty Drug List — A list of the names of Specialty Drugs which must be purchased through BCBSNM’s specialty Pharmacy provider. The Specialty Drug List is subject to periodic review and change by BCBSNM. https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf.

Multi-Category Split Fill Program — If this is your first time using select medications in certain drug classes(e.g., medications for cancer, multiple sclerosis, lung disease etc.) or if you have not filled one of these medications recently, you may receive a partial (14-15-day supply) of the medication for up to the first 3 months of therapy. This is to help see how the medication is working for you. If you receive a partial fill, your Copayment and/or Coinsurance after your deductible will be adjusted to align with the quantity of medication dispensed. If the medication is working for you and your physician wants you to continue on this medication, you may be eligible to receive up to a 30-day supply after completing up to 3 months of the partial supply. For a list of drugs that are included in this program, please visit the <https://www.bcbsnm.com/rx-drugs/pharmacy/pharmacy-programs> website.

How the Prescription Drug Program Works — When you are being treated for an illness or accident, your doctor may prescribe certain drugs or other Pharmacy items as part of your treatment. Your coverage includes benefits for drugs that are self-administered and other items listed below. This rider explains which drugs and other items are covered and the benefits available for them under this drug plan portion of your health care benefits plan. The benefits of this rider are subject to all of the terms and conditions of your health benefits plan. For example, benefits will be provided only if drugs and supplies are medically necessary. Please see the *General Limitations and Exclusions* section of your *Benefit Booklet* for a full list of exclusions that apply to all health care services, including Prescription Drugs and other items under this rider.

Drugs listed on the Drug List are selected by BCBSNM based upon the recommendations of a committee, which is made up of current and previously practicing physicians and pharmacists from across the country, some of whom are employed by or affiliated with BCBSNM. The committee considers existing drugs approved by the FDA, as well as those newly FDA approved for inclusion on the Drug List. Entire drug classes are also regularly reviewed. Some of the factors committee members evaluate include each drug's safety, effectiveness, cost and how it compares with drugs currently on the Drug List.

Positive changes (e.g., adding drugs to the Drug List, drugs moving to a lower payment tier) occur quarterly after review by the committee. Changes to the Drug List that could have an adverse financial impact to you (e.g., drug exclusion, drug moving to a higher payment tier, or drugs requiring step therapy or prior authorization) occur only annually. However, when there has been a pharmaceutical manufacturer's recall or other safety concern, changes to the Drug List may occur more frequently.

The Drug List and any modifications will be made available to you. By accessing the BCBSNM website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf or calling the customer service toll-free number on your identification card. You will be able to determine the Drug List that applies to you and whether a particular drug is on the Drug List.

All drugs listed on the Drug List are covered unless specifically excluded. For example, if your health plan excludes weight management or obesity treatment, drugs for the treatment of obesity are also excluded. Prescription Drugs will not be excluded only because the drug has not been approved by the FDA for the treatment of your particular condition. Such a drug may be covered if it is recognized as safe and effective for the treatment of your condition in at least one standard medical reference compendium, including the "AMA Drug Evaluation," the "American Hospital Formulary Service Drug Information," and "Drug Information for the Healthcare provider," or is being provided during a covered cancer clinical trial as required under NM state law. The drug will not be covered, however, if it is excluded for another reason (such as being for weight loss, cosmetic, etc.).

Covered Medications and Other Items — The following drugs, supplies, and other products are covered only when dispensed by a Preferred Participating Pharmacy or a Participating Pharmacy under the Preferred Network or Specialty Pharmacy drug programs or when ordered through the designated Mail Order Service vendor:

Some self-administered drugs, whether injectable or not, are identified as Specialty Drugs and should be acquired through BCBSNM's designated Specialty Pharmacy provider in order to receive maximum benefits).

These items are **not** covered as a supply or medical equipment expense under the medical portion of your health care benefits plan. A list of drugs requiring prior authorization is on the BCBSNM website at: https://www.myprime.com/content/dam/prime/memberportal/WebDocs/2023/Formularies/HIM/2023_NM_6T_HIE.pdf. Providers and members can obtain the prior authorization form through the website: <https://www.myprime.com/en/forms/coverage-determination/prior-authorization.html> or by calling customer service at 1-800-432-0750. Your physician can request the necessary prior authorization.

Step Therapy — The step therapy program requires that the member has tried and failed prerequisite medication(s) before the plan will consider coverage of a targeted drug. A prerequisite drug is recognized as safe and works well in treating a specific medical condition, as well as being a cost-effective treatment option. A targeted drug is a less preferred or likely a more costly treatment option. If the member and his/her doctor decide that a prerequisite drug is not right for the member or is not as good in treating member’s condition, the doctor should submit a prior authorization request for coverage of the targeted drug.

You should submit a prescription order to a Participating Pharmacy for one of these targeted medications, the pharmacist will be alerted if the online review of your prescription claims history indicates a prerequisite medication has not been previously tried. A list of step therapy medications is available to you and your health care practitioner on our website at: www.bcbsnm.com/member/prescription-drug-plan-information/programs or contact customer service at: 1-800-432-0750. When necessary to permit synchronization, BCBSNM will prorate daily cost-sharing rate to any

covered maintenance medication dispensed by a Participating Pharmacy. Some prescriptions may be subject to a shorter refill window. Please call customer service at 1-800-432-0750 for details.

Benefits for Orally Administered Anticancer Medications — Benefits are available for medically necessary orally administered anticancer medication that is used to kill or slow the growth of cancerous cells. No Deductible, Copayment or Coinsurance amount will apply to orally administered anticancer medications when received from a Participating Pharmacy. However, for members enrolled in an HSA plan, the Deductible must be met first before the Copayment or Coinsurance will be waived for anticancer medications when received from a Participating Pharmacy. Coverage of prescribed orally administered anticancer medications when received from a Nonpreferred Specialty Pharmacy provider or Nonparticipating Pharmacies will be provided on a basis no less favorable than intravenously administered or injected cancer medications. If you have questions about your benefits for orally administered anticancer medications, you may contact customer service at the toll-free number on your ID card.

Benefits for Contraceptive Drugs and Devices — Covered contraceptive drugs and devices are posted on the BCBSNM website (www.bcbsnm.com/pdf/rx/contraceptive-list-nm.pdf). This list is also available by contacting customer service at the toll-free number on your ID card.

All covered must be purchased from a Preferred Participating Pharmacy or a Participating Pharmacy unless there is an emergency (as defined in your benefit booklet). For a list of Preferred Participating Pharmacies and Participating Pharmacies, call customer service at the phone number on the back of your ID card and request a provider directory — or visit the BCBSNM website at www.bcbsnm.com/provider_finder/important_info_rx.html. The pharmacies that are participating in the BCBSNM Preferred Network may change from time to time. You should check with your Pharmacy before obtaining drugs or supplies to make certain of its participation status.

You must present your BCBSNM ID card to the pharmacist at the time of purchase to receive this benefit. (You do not receive a separate Prescription Drug plan ID card; use your BCBSNM health care plan ID card to receive all medical/surgical and Prescription Drug services covered under your plan, including this rider. See your *SBC* for your Copayment amounts.

Each Calendar Year, the Copayment amounts, and any pricing differences between the cost of Brand-Name Drugs and their generic equivalents that you pay under this drug plan portion of your health care benefits plan are applied to you or your family's applicable annual out-of-pocket limit in combination with your medical and behavioral health for that Calendar Year under the medical portion of your health care benefits plan (see your SBC). After you have met this out-of-pocket in combination with your medical and behavioral health under the medical portion of your health care benefits plan during a single Calendar Year, BCBSNM pays 100% of your covered Prescription Drugs, insulin, diabetic supplies, and nutritional products under this drug plan for the remainder of that Calendar Year. Any Deductible shown in the SBC will also apply.

When you go to a Preferred Participating Pharmacy or a Participating Pharmacy, you must pay any Copayment, and any applicable pricing differences. You may be required to pay for limited or noncovered services. No claim forms are required. If you are unsure whether a Pharmacy is a Preferred Participating Pharmacy or a Participating Pharmacy, you may access the website at: www.bcbsnm.com/provider_finder/important_info_rx.html or contact customer service at the toll-free number on your ID card.

In-network — Pharmacy claims apply to in network Copayment amounts paid at an in-network Pharmacy would only apply to your in-network out-of-pocket limit.

Any additional charge for using an out-of-network Pharmacy will not apply to your out-of-pocket amounts.

How Member Payment is Determined — Prescription Drug products are separated into tiers. Generally, each drug is placed into one of six drug tiers:

- **Tier 1** includes mostly Preferred Generic Drugs and may contain some Brand Name Drugs.
- **Tier 2** includes mostly Nonpreferred Generic Drugs and may contain some Brand Name Drugs.
- **Tier 3** includes mostly Preferred Brand Name Drugs and may contain some Generic Drugs.
- **Tier 4** includes mostly Nonpreferred Brand-Name Drugs and may contain some Generic Drugs.
- **Tier 5** includes mostly Preferred Specialty Drugs and may contain some Generic Drugs.
- **Tier 6** includes mostly Nonpreferred Specialty Drugs and may contain some Generic Drugs.

You may not be required to pay the difference in cost between the allowable amount of the Brand-Name Drug and the allowable amount of the Generic Drug if there is a medical reason (e.g., adverse event) you need to take the

Brand-Name Drug and certain criteria are met. Your provider can submit a request to waive the difference in cost between the allowable amount of the Brand-Name Drug and allowable amount of the Generic Drug. In order for this request to be reviewed, your provider must send in a MedWatch form to the Food and Drug Administration (FDA) to let them know the issues you experienced with the generic equivalent. Your physician must provide a copy of this form when requesting the waiver. The FDA MedWatch form is used document adverse events, therapeutic inequivalence/failure, product quality problems, and product use/medication error. This form is available on the FDA website. If the waiver is granted, applicable Copayment and/or Coinsurance amounts will still apply. For additional information, contact the customer service number on the back of your identification card or visit www.bcbsnm.com.

To verify your payment amount for a drug, visit www.bcbsnm.com and log into Blue Access for Members or call the number on the back of your ID card. Benefits will be provided as shown on the *Summary of Benefits and Coverage (SBC)* of this policy.

For additional information, please refer to your Prescription Drug Section as shown on the *Summary of Benefits and Coverage (SBC)* of this policy.

See your *Summary of Benefits* for the drug plan Copayment option that corresponds to the health benefits plan you have chosen.

Except as may be specified elsewhere in this rider, drugs and supplies must be purchased from a Preferred Participating Pharmacy, a BCBSNM designated specialty Pharmacy provider, or BCBSNM designated mail order service vendor in order to be covered under your drug plan.

For claims submitted to the Pharmacy Benefit Manager for reimbursement, you are paid the **lesser** of: 1) the sum of the drug ingredient cost, the dispensing fee that would be payable to a Participating Pharmacy, and any sales tax minus the applicable member share, **or** 2) the Pharmacy’s retail price minus the applicable member share.

Supply Limitations — For each Copayment listed for your drug plan, you can obtain the following supply of a single Prescription Drug or other item covered under this rider (unless otherwise specified):

Program Type	Supply Maximum	Copayment Requirements
Nonprescription Nutritional Products	30-day supply during any 30-day period	Coinsurance of 50% of Covered Charges (includes prescriptions for Enteral Nutritional Products and Special Medical Foods as described under “Covered Drugs and Other Items”).

Dispensing Limits — In addition to the supply limits stated above and regardless of the quantity of a covered drug prescribed by a physician, BCBSNM has the right to establish dispensing limits on covered drugs. These limits, which are based upon FDA dosing recommendations and nationally recognized clinical guidelines, identify gender or age restrictions, and/or the maximum quantity of a drug (or member of a drug class) that can be dispensed to you over a specific period of time. Such limits are in place to encourage appropriate drug use and patient safety, and to reduce waste and stockpiling of drugs. Benefits for a covered drug may also be denied if the drug is dispensed or delivered in a manner intended to avoid the BCBSNM-established dispensing limit. If you need a drug quantity that exceeds the dispensing limit, ask your doctor to submit a request for review to BCBSNM on your behalf. The prior authorization request will be approved or denied after the clinical information submitted by the prescribing doctor has been evaluated by BCBSNM.

Exceptions Process — You or your provider can ask for a Drug List exception if your drug is not on the Drug List (also known as a formulary). To request this exception, you or your provider can call the number on the back of your identification card to ask for a review. A determination will be made within 72 hours following receipt of the request and notice of the determination will be provided to the insured.

If you have a health condition that may jeopardize your life, health or keep you from regaining function, or your current drug therapy uses a noncovered drug your provider may be able to ask for an expedited review process by marking the review as an urgent request. The plan will let you and your provider know the coverage decision within 24 hours after we receive your request for an expedited review.

If an exception request is granted, the plan will provide coverage of the drug for the duration of the prescription, including refills. If the coverage request is denied, the plan will let you and your provider know why it was denied and offer you a covered alternative drug (if applicable). If your exception is denied, you may appeal the decision according to the appeals process you will receive with the denial determination.

Call the number on the back of your identification card if you have any questions.

BCBSNM’S SEPARATE FINANCIAL ARRANGEMENTS WITH PRESCRIPTION DRUG PROVIDERS

All amounts payable to BCBSNM by employer for claim payments provided by BCBSNM under the Pharmacy benefit and applicable service charges pursuant to the terms of the agreement and all required, Deductible and Coinsurance amounts under the agreement shall be calculated on the basis of the Prescription Drug Program eligible charge or the agreed upon cost between the Participating Prescription Drug provider, and BCBSNM, whichever is less, except as otherwise mutually agreed to by the parties.

Blue Cross and Blue Shield of New Mexico (BCBSNM) hereby informs you that it has contracts, either directly or

indirectly, with participating Prescription Drug providers for the provision of, and payment for, Prescription Drug services to all persons entitled to Prescription Drug benefits under group health insurance policies and contracts to which BCBSNM is a party, including this contract. Pursuant to BCBSNM's contracts with participating Prescription Drug providers, under certain circumstances described therein, BCBSNM may receive discounts for Prescription Drugs dispensed to you. Actual discounts used to calculate your share of the cost of Prescription Drugs will vary. Some rates are currently based on benchmark prices including, but not limited to, Wholesale Acquisition Cost ("WAC"), Average Sales Price ("ASP") and Average Wholesale Price ("AWP"), which are determined by third parties and are subject to change.

BCBSNM may receive such discounts, although you are not entitled to receive any portion of any such discounts. The drug fees and/or discounts that BCBSNM has negotiated with Prime Therapeutics LLC (Prime) through the Pharmacy Benefit Management (PBM) Agreement will be passed through to you for both retail and mail/Specialty Drugs, except as otherwise mutually agreed to. Except for mail/Specialty Drugs, the PBM Agreement requires that the fees/discounts that Prime has negotiated with pharmacies (or other suppliers) are passed through to BCBSNM (and ultimately to Employer as described above).

To help you understand how BCBSNM's separate financial arrangements with participating Prescription Drug providers work, please consider the following example:

Assume you have a prescription dispensed and the undiscounted amount of the Prescription Drug is \$100. How is the \$100 bill paid?

- You will have to pay the Coinsurance amount set out in this contract.
- For purposes of calculating your Coinsurance amount, the full amount of the Prescription Drug would be reduced by the discount. In our example, if the applicable discount were 20%, the \$100 Prescription Drug bill would be reduced by 20% to \$80 for purposes of calculating your Coinsurance amount.
- In our example, if your Coinsurance obligation is 5%, you will have to pay 5% of \$80, or \$4. You should note that your 5% Coinsurance amount is based upon the discounted amount of the prescription and not the full \$100 bill.

The mail and specialty Pharmacy program is operated through a third party which may be an affiliate of or partially owned by Prime. Prime, for the administrative services that it provides as part of the mail-order and specialty pharmacy program, may keep as its fee a portion of the discounts and/or other allowances that it has negotiated with the mail-order and/or specialty pharmacy. A portion of Prime's PBM fees are tied to certain performance standards, including, but not limited to, claims processing, customer service response, and mail order processing.

BCBSNM pays Prime a Program Management Fee ("PMF") on a per weighted claim basis. The amounts received by Prime from BCBSNM, pharmacies, manufacturers, or other third parties may be revised from time to time. Some of the amounts received by Prime may be charged each time a claim is processed (or, in some instances, requested to be processed) through Prime and/or each time a prescription is filled, and include, but are not limited to, administrative fees charged by Prime to BCBSNM, administrative fees charged by Prime to pharmacies, and administrative fees charged by Prime to pharmaceutical manufacturers. Currently, none of these fees will be passed on to you as expenses, or accrue to the benefit of you, unless otherwise specifically set forth in this contract. The maximum that Prime has disclosed to BCBSNM that it will receive from any pharmaceutical manufacturer for manufacturer administrative fees is five and a half percent (5.5%) of the Wholesale Acquisition Cost ("WAC") for all products of such manufacturer dispensed during any given Calendar Year to members of BCBSNM and other Blue Plan operating divisions or for which Claims are submitted to Prime at BCBSNM's request; provided, however, that BCBSNM will advise if such maximum has changed.

BCBSNM'S SEPARATE FINANCIAL ARRANGEMENTS WITH PHARMACY BENEFIT MANAGERS

BCBSNM hereby informs you that it owns a significant portion of the equity of Prime and that BCBSNM has entered into one or more agreements with Prime or other entities (collectively referred to as "Pharmacy Benefit

Managers,” or “PBMs”), for the provision of, and payment for, Prescription Drug benefits to all persons entitled to Prescription Drug benefits under group health insurance policies and contracts to which BCBSNM is a party, including this contract. PBMs have agreements with pharmaceutical manufacturers to receive rebates for using their products.

The Pharmacy Benefit Manager(s) (“PBM”) negotiates rebate contracts with pharmaceutical manufacturers and has agreed to provide rebates made available pursuant to such contracts to the BCBSNM under the PBM’s agreement with BCBSNM. This negotiation is conducted by the PBM for the benefit of BCBSNM and not for the benefit of the employer or covered persons. The PBM collects the rebates from the pharmaceutical manufacturers, for drugs covered under both the Prescription Drug program and medical benefit, and forwards the entire amount collected to BCBSNM (other than any interest or late fees earned on rebates received from manufacturers, which the PBM retains). Each year, BCBSNM will calculate a projection of the amount of rebates it expects to receive from the PBM. Such projections are referred to as the “Expected Rebates”. Expected Rebates are calculated based on a number of factors and projections for the Fee Schedule Period, such as employer specific demographics, retail, mail order and specialty Pharmacy utilization, cost of Prescription Drugs, the employer’s benefit design, and rebate arrangements entered into by the PBM, none of which BCBSNM directly controls. BCBSNM’s estimate of the Expected Rebates is set forth in the proposal or renewal packet, as appropriate, which is hereby incorporated into this agreement. Rebates, like all BCBSNM assets and revenue sources, are utilized by BCBSNM in various ways to enable BCBSNM to provide cost-effective products and services. Additional information about rebates, the PBM and the Rebate Credit will be available upon request. The BCBSNM may provide the employer with a Rebate Credit, the amount of which is set forth in the ASO BPA. The Rebate Credit provided to employer will be provided from BCBSNM’s own assets and may or may not equal the entire amount of rebates provided to BCBSNM by the PBM. The employer acknowledges that it has negotiated for the specific Rebate Credit included as part of this agreement and that it and its group health plan have no right to, or legal interest in, any portion of the rebates provided by the PBM to BCBSNM and consents to BCBSNM’s retention of all such rebates. Rebate Credits shall not continue after termination of the Prescription Drug program.

The maximum that a Pharmacy Benefit Manager will receive from any pharmaceutical manufacturer for manufacturer administrative fees will be five and one half percent (5.5%) of the total Wholesale Acquisition Cost (“WAC”) for all products of such manufacturer dispensed during any given Calendar Year to members of BCBSNM and to members of the other Blue Cross and/or Blue Shield operating divisions of Health Care Service Corporation or for which claims are submitted to Pharmacy Benefit Manager at BCBSNM’s request.

Any drugs which are not approved by the FDA for a particular diagnosis or indication, or when used for an indication other than the indication for which the FDA approval is given, except when: **a)** recognized as safe and effective for the treatment of that indication in one or more of the standard medical reference compendia, including the “AMA drug evaluations,” the “American hospital formulary service drug information,” and “drug information for the healthcare provider;” **b)** when provided for cancer clinical trials, pursuant to Section 59A-22-43 NMSA; or **c)** as otherwise required under applicable law or regulation any portion of covered services or covered drugs paid for through Prohibited Third Party Premium Payments, such as certain Pharmacy coupons, drug cards or rebates.

SCHEDULE OF BENEFITS

A *Schedule of Benefits* is included with your member materials that shows the Benefit Period Maximum amount, Deductible requirements, and the percentage of the Allowable Charge that the Dental Plan will pay for a Covered Service. Members will receive a new *Schedule of Benefits* if changes are made to this Dental Plan.

LOOKING UP INFORMATION

This Pediatric Dental Rider is designed to make it easy for Members to determine their Benefits. For example, if you need to know the Benefit for an x-ray, turn to *Covered Services*. The *Diagnostic Radiographs* subsection defines the Benefits for an x-ray. The subsection also lists the most important limitations and exclusions to that particular service. *Limitations and Exclusions* lists other limitations and exclusions which **apply to all services, whether or not these items are listed separately within any subsection of the Covered Services section.**

CURRENT DENTAL TERMINOLOGY (CDT)

When classifying a certain dental service, BCBSNM Pediatric Dental Rider language reflects the most recent edition of a manual published by the American Dental Association entitled *Current Dental Terminology and Procedure Codes*. The Allowable Charge for a Covered Service will be based on the most inclusive code, determined by BCBSNM, in *Current Dental Terminology and Procedure Codes*. The Allowable Charge for a Covered Service will be based on the most recent edition of a manual published by the American Dental Association entitled *Current Dental Terminology and Procedure Codes*. (No Benefits will be provided for procedures which are components of a more inclusive code.) BCBSNM's dental processing procedures will be automatically updated as new codes are implemented by the American Dental Association.

HOW THIS DENTAL PLAN WORKS

BENEFIT PAYMENT FOR DENTAL SERVICES

This Dental Plan offers its Members freedom of choice and comprehensive coverage from BCBSNM. The services that a Dentist may perform depend upon what the Dentist is licensed or certified to do, and whether this Dental Plan recognizes the Dentist as eligible for payments.

Participating Dentist Network - BCBSNM Subscribers have access to thousands of Participating Dentists nationwide. Here's how using a Participating Dentist can benefit you:

- A Participating Dentist will file your Claims for you.
- Payment for Covered Services you receive will be sent directly to the Participating Dentist.
- You pay only the Deductible and/or Coinsurance amount (if any) that apply to your Covered Services.
If your Participating Dentist charges more than the Allowable Charge for Covered Services, you are not responsible for the difference.

HOW YOUR DENTAL COVERAGE WORKS

This dental coverage is designed to give Subscribers some control over the cost of their own dental care. Subscribers continue to have complete freedom of choice as to the Dentist they wish to use. However, your coverage offers considerable financial advantages to Subscribers whenever they use a Participating Dentist.

This coverage operates around a group of Dentists who have agreed to charge no more than a reasonable, predetermined fee for their services. When Subscribers use these Participating Dentists, they will have less out-of-pocket expense. **In contrast, when care is received from an Out-of-Network Dentist, your coverage may be subject to a lower Benefit level.**

SELECTING A DENTIST

To locate a Participating Dentist, please call Customer Service at the number shown on your Identification Card. Before choosing a Dentist, you may want to check your Dental Network Provider Directory or visit the BCBSNM website at www.bcbsnm.com. If you do not have a current directory and would like a hard copy, contact BCBSNM Dental Customer Service for a list of Participating Dentists.

Although a directory is current as of the date published, it is subject to change without notice. To verify a Dentist's current status with your Dental Plan, contact a BCBSNM Dental Customer Advocate. Your Dentist choice - Participating or Out-of-Network - may make a difference in the amount you pay.

ALLOWABLE CHARGE

To take full advantage of the negotiated pricing arrangements in effect between BCBSNM and our network of Participating Dentists, you should use Participating Dentists whenever possible. Using a Participating Dentist offers the following advantages:

Participating Dentists have agreed to hold the line on dental care costs by providing special prices for our Subscribers. A Participating Dentist will accept this negotiated price (called the **"Allowable Charge"**) as payment for Covered Service. This means that, if a Participating Dentist bills you more than the Allowable Charge for Covered Services, ***you are not responsible for the difference.***

BCBSNM will calculate your Benefits based on this "Allowable Charge." We will deduct any charges for services which aren't eligible under your coverage, then subtract your Deductible or Coinsurance amounts which may be applicable to your Covered Dental Services. We will then determine your Benefits under this Contract and direct any payment to your Participating Dentist.

If you use an Out-of-Network Dentist, you will be responsible for the following:

- Charges for any services which are not covered under this Dental Plan;

- Any Deductible and/or Coinsurance amounts which are applicable to your coverage; and
- The difference, if any, between the Dentist's "billed charges" and the Allowable Charge for Covered Services.

Your coverage may include a higher Deductible and/or Coinsurance percentage for services you receive from an Out-of-Network Provider (check the ***Schedule of Benefits*** issued with this Dental Plan).

BENEFIT PERIOD/POLICY YEAR

Some Benefits are limited to a specific dollar amount or number of services or visits allowed during a Benefit Period.

Your Benefit Period is a Calendar Year, which begins on your Effective Date. The initial Benefit Period is from your Effective Date of Coverage.

BENEFIT PERIOD MAXIMUM

The Benefit Period Maximum is the maximum dollar amount BCBSNM will pay for all Covered Services for each Subscriber during a Benefit Period according to the terms of this Benefit Booklet and the coverage outlined in the ***Schedule of Benefits***. Each Subscriber's Benefit Period Maximum amount is given on the ***Schedule of Benefits***.

DEDUCTIBLE REQUIREMENTS

The Deductible amounts for each Subscriber are shown on the ***Schedule of Benefits***. The Deductible is the amount that each Subscriber must pay for Covered Services received during a Benefit Period before this Dental Plan begins paying its percentage of the Allowable Charge for Covered Services. The amount applied to the Deductible for a Covered Service cannot exceed the Allowable Charge for the Covered Service.

COINSURANCE PERCENTAGE

The Coinsurance percentage is the percentage of a covered charge that is your responsibility to pay for Covered Services. For Covered Services that are subject to Coinsurance, you pay the percentage (indicated on your ***Schedule of Benefits***) of BCBSNM's covered charge after the Deductible, if required, has been met.

For each Covered Service, and after the Subscriber has met the Deductible (if applicable), this Dental Plan covers a certain percentage (specified on the Subscriber's ***Schedule of Benefits***) of the Allowable Charge for the Covered Service. When a Covered Service is received from a Participating Provider, the Subscriber pays only the Deductible and/or Coinsurance amount applicable to that service. When a Covered Service is received from an Out-of-Network Provider, the Subscriber also is responsible for the amount charged by the Out-of-Network Provider that exceeds the Allowable Charge for the Covered Service.

OUT-OF-POCKET MAXIMUM

The Out-of-Pocket Maximum amounts for Subscribers are shown on the ***Schedule of Benefits***. An Out-of-Pocket Maximum amount is the maximum amount of Deductible and Coinsurance that a Subscriber(s) pays for Covered Services received from a Participating Dentist during a Benefit Period. Once an Out-of-Pocket Maximum is paid, this Dental Plan will begin paying 100 percent of any Covered Charges received by such Subscriber(s) from a Participating Dentist for the rest of that Benefit Period, not to exceed any applicable benefit maximums.

CARE BY MORE THAN ONE DENTIST

Benefits will be provided to only one Dentist for any given Course of Treatment. There will be no duplication of Benefits due to a change of Dentists in the middle of a Course of Treatment.

PRETREATMENT ESTIMATE OF BENEFITS AND TREATMENT PLANS

A Pretreatment Estimate is a determination by BCBSNM before you receive certain specified services that such services are Medically Necessary and/or in compliance with the provisions of this Dental Plan. It identifies this Dental Plan's **estimated** financial liability **before** treatment is started. Such estimates are subject to change,

according to the terms of your coverage, and may include an allowance for alternate Benefits (see “Alternate Benefits” later in this section).

If your Dentist recommends a Course of Treatment that will cost more than \$300, your Dentist should prepare a Claim form describing the Course of Treatment, copies of necessary x-rays, photographs and models, and an estimate of the charges prior to your beginning the Course of Treatment. BCBSNM will review the report and materials, taking into consideration alternative adequate Courses of Treatment, and will notify you and your Dentist of the estimated Benefits that will be provided (i.e. a “Pretreatment Estimate of Benefits”). This is **not** a guarantee of payment, but an estimate of the Benefits available for the proposed services to be rendered. BCBSNM’s Pretreatment Estimates of Benefits are valid for 180 days, provided all eligibility and Contract requirements are met. If the approved procedure is not done within that time period, or if the patient’s condition changes, you are responsible for asking the Dentist to submit another request and Course of Treatment, along with the required current documentation. A new Pretreatment Estimate of Benefits must then be issued by BCBSNM.

Mail the Pretreatment Estimate of Benefits requests and Course of Treatment forms to:

**Blue Cross and Blue Shield of New Mexico
Dental Administrative Offices
P.O. Box 23090
Belleville, IL 62223-0090**

ALTERNATE BENEFITS

If more than one Covered Service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment, as determined by BCBSNM. If you or your Dentist requests or you accept a more costly Covered Service, you are responsible for expenses that exceed the amount covered for the least costly service.

When two or more services are submitted and the services are considered part of the same service, the Plan will pay the most comprehensive service as determined by the Plan.

When two or more services are submitted on the same day and the services are considered mutually exclusive (one service contradicts the need for the other service), the Plan will pay for the service that represents the final treatment as determined by the Plan.

BENEFIT PAYMENT FOR DENTAL SERVICES

The Benefits provided by BCBSNM and the expenses that are your responsibility for your Covered Services will depend on whether you receive services from a Participating or Out-of-Network Dentist.

Participating Dentists are Dentists who have signed an agreement with Blue Cross and Blue Shield of New Mexico to accept the Allowable Charge as payment in full. Such Participating Dentists have agreed not to bill you for Covered Service amounts in excess of the Allowable Charge. Therefore, you will be responsible only for any Coinsurance and/or Deductible amounts applicable to your Covered Services.

Out-of-Network Dentists are Dentists who have not signed an agreement with BCBSNM to accept the Allowable Charge as payment in full. Therefore, you are responsible to these Dentists for the difference between BCBSNM’s Benefit and such Dentist’s charge to you, in addition to any Coinsurance and/or Deductible amounts applicable to your services.

If you need to know the Allowable Charge for a particular procedure or whether a particular Dentist is a Participating Dentist, contact the Dentist or BCBSNM at the number listed on your Identification Card.

COVERED SERVICES

The Benefits in this section are subject to all the terms and conditions of this Dental Plan. Benefits are available only for services and supplies that are determined by a Provider, in consultation with BCBSNM to be Medically Necessary, unless otherwise specified. Such services and supplies for which Benefits are available include but are not limited to the Covered Services that are listed in this section below. All Covered Services are subject to the ***Limitations and Exclusions*** section of this Benefit Booklet, which lists services, supplies, situations or related expenses that are not covered.

It is important for you to refer to your *Schedule of Benefits* to find out what your Deductible, Coinsurance percentage, and any applicable Out-of-Pocket Maximum(s) will be for a Covered Service. If you do not have a *Schedule of Benefits*, please call Customer Service at the number shown on your Identification Card.

(BCBSNM may pay Claims during the appeal process on the condition that you sign a reimbursement agreement.)

This Plan does not cover charges for services resulting from a work-related illness or injury, **even if:**

- You fail to file a Claim within the filing period allowed by the applicable law.

CLAIM FILING PROCEDURES

PARTICIPATING DENTISTS

Participating Dentists have agreed to submit Claims directly to BCBSNM for you. When you receive Covered Services from a network Dentist, simply show your Identification Card, and Claims submission will be handled for you. If you must see an Out-of-Network Dentist who is not a member of BCBSNM's Participating Dentist Network, you may have to file a Claim yourself. If so, you should follow the guidelines below.

FILING DENTAL CLAIMS

In order to obtain your dental Benefits under this Dental Plan, it is necessary for a Claim to be filed with the Dental Plan. Usually all you have to do is show your BCBSNM Identification Card to your Dentist. They will file your Claim for you. Remember, however, it is your responsibility to ensure that the necessary Claim information has been provided to the Dental Plan.

If you use an Out-of-Network Dentist and have to file a Claim yourself, you may call Customer Service at the number on your Identification Card for a Claim form. As soon as treatment has ended, ask your Dentist to complete and sign the *Attending Dentist's Statement*. Once you complete the Claim form and attach the *Attending Dentist's Statement*, you may send the Claim to:

**Blue Cross and Blue Shield of New Mexico
C/O Dental Network of America, Inc.
P.O. Box 23090
Belleville, IL 62223-0090**

If a Dentist will not complete the Attending Dentist's Statement or does not bill BCBSNM directly, it is the Member's responsibility to attach itemized bills that include all necessary information to the Claim form and submit it to BCBSNM. Balance due statements, cash register receipts, and canceled checks are **not** acceptable.

TIMELY FILING LIMITS

Participating Dentists must file all Claims **within 180 days** after the date of service. Any Claims filed after this time limit may be denied, unless BCBSNM is satisfied that there is a valid reason why the Participating Dentist could not submit his/her Claim within this time limit. Members shall have **365 days** (one year) after the date of service to file Member submitted Claims.

If a Claim must be returned to the Subscriber for additional information, the Claim must be resubmitted to BCBSNM **within 45 days** of the date the Claim was returned to the Subscriber.

If a Member's coverage under this Dental Plan ends, Claims for Covered Services incurred during the Member's final Benefit Period must be filed **within 180 days** after the date of the coverage termination. Failure to file a Claim **within the 180 days** will result in loss of Benefits otherwise provided by this Dental Plan if, as a result of such failure by the Member, BCBSNM is unable to perform adequate Claims review.

IF YOU HAVE OTHER VALID COVERAGE

If this Dental Plan is secondary to another plan, you need to file your Claim with the other carrier first.

If a Dentist normally files Claims to BCBSNM and the other carrier does not pay the Dentist directly, the Dentist will need, from you, a copy of the other carrier's explanation of Benefits to include with the Claim sent to BCBSNM.

If an Out-of-Network Dentist does not file Claims for you, attach a copy of the Out-of-Network Dentist's explanation of Benefits to the Claim that you send to BCBSNM.

CLAIM FORMS AND ITEMIZED BILLS

All information on the Claim form and itemized statements must be readable. If information is missing on the Claim form or it is not readable, then BCBSNM will return it to the Subscriber or to the Dentist. **Handwritten entries added to a typed or computerized Claim form that change or add procedure codes are considered**

fraudulent and will require the Subscriber's and the Dentist's signatures acknowledging approval of such information.

The information on the itemized bills is used to determine Benefits, so it must support information reported on the submitted Claim form. All Claims must include:

- Subscriber's Dental Plan ID number
- Subscriber's name and address
- Member's name
- Member's age and relationship to the Subscriber
- other dental coverage in effect
- date of service
- type of treatment
- itemization of charges
- accident or surgery date (when applicable)
- name and address of Dentist
- Dentist's tax ID number or social security number
- Member's signature
- Dentist's signature

If an itemized bill from the Dentist is not attached to a Claim form, the Dentist must complete the "Dentist Information Section" and the "Examination and Treatment Record" of the Attending Dentist's Statement and **must** sign the Claim form.

Benefits cannot be determined if documentation is missing or radiographs submitted are not of sufficient diagnostic quality to determine Benefits.

Separate Claim Forms Required - A separate Claim form is required for each Dentist for which you are requesting reimbursement. A separate Claim form is also required for each Member when charges for more than one family member are being submitted.

DENTAL CLAIM REVIEW PROCEDURES

If your Claim had been denied in whole or in part, you may ask for a review. The Dental Plan will review its decision in accordance with the procedure below.

If your Claim has been denied in whole or in part for lack of Medical Necessity, you may appeal the Dental Plan's decision.

You have 180 days following the notification of an adverse benefit determination in which to appeal a decision to BCBSNM, however, you may exceed the 180-day limit when appealing to the Consumers Assistance Bureau of the Office of Superintendent of Insurance.

For an appeal to BCBSNM, send your request to:

**Blue Cross and Blue Shield of New Mexico
Dental Administrative Office
P.O. Box 23100
Belleville, IL 62223-0100**

For an appeal to the Consumers Assistance Bureau of the Office of Superintendent of Insurance, send your request to:

**Office of Superintendent of Insurance
Consumers Assistance Bureau**

**P.O. Box 1689
Santa Fe, NM 87504- 1689
Tel: 1- 855-4ASK-OSI
1-855-427-5674**

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative. While BCBSNM will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. BCBSNM will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claim procedures or the review procedure, you may call Customer Service at the number listed on your Identification Card. Or you can write:

**Blue Cross and Blue Shield of New Mexico
Dental Administrative Office
P.O. Box 23060
Belleville, IL 62223-0060**

If you have a Claim for Benefits which is denied, in whole or in part, you may file suit in a state or federal court.

The fact that a Dentist or Physician may prescribe, order, recommend or approve a procedure does not make such a procedure Medically Necessary. To be Medically Necessary, the procedure or supply must also conform to approved and generally accepted standards of accepted dental practice prevailing in the state when and where the procedure or supply is ordered. Such procedures or supplies are also subject to review and analysis by dental consultants retained by BCBSNM. This BCBSNM vision care plan allows members to select the Provider of their choice, in or out of the network. BCBSNM has designed benefit plans to deliver quality care, matched with comprehensive benefits, at the most affordable cost, through in-network services. You also have the flexibility to visit an out-of-network Provider, with a reduction in benefits.

Blue Cross and Blue Shield of New Mexico (BCBSNM) is a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.

Definitions:

Benefit Period – For purposes of this *Pediatric Vision Care Rider*, a period of time that begins on the later of: 1) the member's effective date of coverage under this *Pediatric Vision Care Rider*, or 2) the last date a Vision Examination was performed on the member or that Vision Materials were provided to the member, whichever is applicable. (A Benefit Period does not coincide with a Calendar Year and may differ for each covered member of a group or family.)

Medically Necessary Contact Lenses – Contact lenses may provide superior visual and physical results to spectacles in individuals with certain eye conditions. For purposes of this *Pediatric Vision Care Rider*, those conditions are limited to the following: keratoconus when the patient is not correctable to 20/30 in either or both eyes using standard spectacle lenses; high ametropia exceeding 12 D or +9 D in spherical equivalent; anisometropia of 3 D or more; patients whose vision can be corrected two lines of improvement on the visual acuity chart when compared to best corrected standard spectacle lenses.

Provider – For purposes of this *Pediatric Vision Care Rider*, a licensed ophthalmologist or optometrist operating within the scope of his or her license or a dispensing optician. An "in-network" Provider is a Provider who has contracted with the vision care plan administrator, EyeMed. An "out-of-network" Provider has not contracted with EyeMed (even if such Provider is contracted with BCBSNM to render covered services under your medical/surgical health care plan)

Vision Examination – A vision testing exam, including a determination as to the need for correction of visual acuity and prescribing lenses, if needed, that is performed by a licensed physician or optometrist who is operating within the scope of his/her license. A Vision Examination (including dilation, if necessary) includes but is not limited to the following:

- one eye exam every 12 months;
- one pair of standard eyeglass lenses or contact lenses every 12 months;
- one frame every 12 months;
- minor repairs to eyeglasses;
- lens tinting if certain conditions are present;
- lenses to prevent double vision;
- case history, including chief complaint and/or reason for visit, patient medical/eye health history, and record of current medications; record of visual acuities with/without present correction, if applicable;
- pupil responses, external exam findings, internal exam findings, screening of visual fields perception;
- diagnosis/prognosis and/or specific recommendations.

Vision Materials – Corrective lenses and/or frames or contact lenses.

Eligibility:

Children who are covered under a BCBSNM medical/surgical plan, up to age 19, are eligible for coverage under this *Pediatric Vision Care Rider*. **NOTE:** Once coverage is lost under the medical/surgical plan, all benefits cease under this *Pediatric Vision Care Rider*. Extension of benefits due to disability, state or federal continuation coverage, and conversion option privileges are **not** available under this *Pediatric Vision Care Rider*.

Limitations and Exclusions:

In addition to the general limitations and exclusions listed in your medical/surgical plan benefit booklet, this *Pediatric Vision Care Rider*, does not cover services or materials connected with or charges arising from:

- orthoptic or vision training, subnormal vision aids, and any associated supplemental testing;
- aniseikonic lenses;
- medical and/or surgical treatment of the eye, eyes, or supporting structures;
- any eye or Vision Examination, or any corrective eye wear required by an employer as a condition of

employment, and safety eyewear;

- services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof;
- plano nonprescription lenses or nonprescription sunglasses and/or contact lenses;
- 2 pairs of glasses in lieu of bifocals;
- services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the insured person are within 31 days from the date of such order;
- services or materials provided by any other group benefit plan providing vision care; services covered under your medical/surgical plan;
- replacement of lost, stolen, damaged, or broken materials, except in the next Benefit Frequency when Vision Materials would next become available, unless otherwise covered through warranty;
- services of unlicensed personnel.

How the Vision Care Plan Works:

Under the vision care plan option, you may visit any covered Provider and receive benefits for a Vision Examination. In order to maximize benefits for most covered Vision Materials, however, you must purchase them from an in-network Provider. (An "in-network" Provider is one who contracts with the vision care plan administrator, EyeMed, to provide services covered under this *Pediatric Vision Care Rider* to enrolled members. Providers who contract with BCBSNM are not considered "in-network" for purposes of this *Pediatric Vision Care Rider*, unless he/she also contracts with EyeMed.)

Before you go to an in-network vision care plan Provider for an eye examination, eyeglasses, or contact lenses, please call ahead for an appointment. When you arrive, show the receptionist your BCBSNM health care plan or your vision plan identification card (the ID numbers should be the same). If you forget to take your card, be sure to say that you are a member of the BCBSNM vision care plan so that your eligibility can be verified.

To locate an in-network vision care Provider, visit EyeMed's Web site at www.eyemed.com and use the Find a Provider link (choose the Select network for your search), or call 1-844-684-2257.

After you choose and order your eyeglasses or contacts from an in-network Provider, your eyewear will be dispensed by the Provider – generally within two to five business days from the date of the order. More delivery time may be needed for out-of-stock frames, ARC (anti-reflective coating), specialized prescriptions, or when an in-network Provider's frame that is not offered under EyeMed is selected. If you obtain glasses or contacts from an out-of-network Provider, you must pay the Provider in full and submit a claim to EyeMed for reimbursement (see "Claims Filing" for more information).

You may receive your eye examination and eyeglasses/contacts on different dates or through different Provider locations, if desired. However, complete eyeglasses must be obtained at one time, from one Provider. Continuity of care will best be maintained when all available services are obtained at one time from one in-network Provider and there may be additional professional charges if you seek contact lenses from a Provider other than the one who performed your eye examination.

Fees charged for services other than a covered Vision Examination or covered Vision Materials and amounts in excess of those payable under this *Pediatric Vision Care Rider*, must be paid in full by you to the Provider, whether or not the Provider participates in the vision care plan network. Benefits under this *Pediatric Vision Care Rider* may not be combined with any discount, promotional offering, or other group benefit plans. Allowances are one-time use benefits; no remaining balances are carried over to be used later.

Claims Filing and Appeal Procedures:

In-Network Vision Services

When you receive vision services at an in-network vision plan Provider location, you will not have to file a claim form. At the time services are rendered, you will have to pay the cost of any services or eyewear that exceeds any allowances, and any applicable copayments. You will also owe state tax, if applicable, and the cost of noncovered expenses (for example, vision perception training).

Claims for Out-of-Network Vision Services

When you receive covered vision services outside of the vision plan Provider network, you will need to file a claim form. You can obtain a claim form from an EyeMed Member Services Representative or by accessing the website at www.eyemed.com. Be sure to fill out the claim form completely. You must submit your claim form no more than **90 calendar days** after the services were provided. If you choose to go to an out-of-network Provider, please complete the following steps before submitting your claim form to EyeMed.

1. You are responsible for payment of vision care services at the time of service. BCBSNM (through the vision care plan administrator, EyeMed) will reimburse **you** for covered services. Please see the “Summary of Pediatric Vision Benefits,” on the last page of this *Pediatric Vision Care Rider* for the list of qualified services and their reimbursement amounts.
2. Complete the Patient Information portion of your claim form.
3. Complete the Member/Employee Information Portion of your claim form. This information can be found on your ID card or by contacting your human resources or employee benefits department.
4. Complete the Provider Information portion of the form.
5. Sign the claim form. If the patient is a minor, the parent or legal guardian must sign the claim form.
6. Attach itemized receipts from your Provider to the claim form. (Facsimiles and photocopies of bills cannot be accepted; please keep copies for your records. Bills will not be returned.) Please include the following breakdown of costs for each itemized bill:
 - exam;
 - frames;
 - lenses (specific prescription and type of lenses);
 - contact lenses (specific prescription and type of lenses).
7. Mail the claim form to the following address:

The EyeMed Quality Assurance Department will resolve your complaint within thirty (30) days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but no later than one hundred twenty (120) days after EyeMed's receipt of your complaint. Upon final resolution, EyeMed will notify you in writing of its decision.

Appealing Denied Claims:

If your claim is denied, in whole or in part, you may file an appeal. The appeal must be in writing and received by First American Administrators (FAA), a wholly-owned subsidiary of EyeMed, within 180 days of your notice of the denial. If you do not receive an EOB within 30 days of submission of your claim, you may submit an appeal within 180 days after this 30-day period has expired. Your written letter of appeal should include the following:

- the applicable claim number or a copy of the written denial or a copy of the EOB, if applicable;

- additional information from the member's eye care Provider that will assist FAA in completing its review of the member's appeal, such as documents, records, questions or comments.
