This document contains important information. Do you need this document in Spanish or another language? Or do you need to speak with someone who can translate the information for you? Please call Member Services toll-free at **1-866-689-1523**. Members with hearing or speech loss can call the TTY/TDD line at **711**.

## What to Do in an Emergency

If there is a need for cardiopulmonary resuscitation (CPR) or there is an immediate threat to your life or a limb, call **911**. If there is no need to call **911**, go to the nearest hospital or emergency room (ER). Please see Section 4A of your member handbook for more information about what is and is not an emergency. Call the 24/7 Nurseline toll-free at **1-877-213-2567** if you are not sure.

Prior authorization is not needed for emergency services. You should call your primary care provider (PCP) as soon as possible after receiving care from the ER to arrange follow-up services. Do not use the ER in a non-emergency situation. If you are a member receiving services at a Core Service Agency (CSA), you may also use your crisis plan for further instructions and contact your CSA crisis line. Before an emergency arises, please contact your assigned care coordinator and ask about a personal crisis plan.

## How to Find Help in a Crisis

You can:

- Call **911**.
- Go to the nearest ER, crisis center, or hospital.
- Contact the New Mexico Crisis Access Line (NMCAL): The crisis line is staffed by mental health professionals who can respond to a crisis 24 hours a day, seven days a week. The line is available statewide and toll-free at **1-855-NMCRISIS (1-855-662-7474)**. If you are speech- or hearing-impaired, call **711** for TTY service.
- The NMCAL also offers a Peer-to-Peer Warmline at **1-855-466-7100**. The warmline provides assistance and an understanding ear to New Mexicans struggling with substance abuse, grief, suicidal thoughts and other behavioral health issues.
- If you have developed a crisis plan with your provider, please refer to your individualized crisis plan.

Deaf, hard-of-hearing, or speech-disabled callers may use the New Mexico Relay Network. Dialing **711** connects the caller to the Human Services Department/Medical Assistance Division (HSD/MAD) transfer relay service for TTY and voice calls.

If you need an interpreter for any language, tell your provider's office when making an appointment. The provider should have an interpreter there during your appointment. During your visit, if your provider cannot offer you translation services, please call Member Services at **1-866-689-1523**. If you are speech or hearing impaired, call **711** for TTY service.

Do you need this document in another language? Do you need to speak with someone who can translate the information for you? Do you need this directory in larger print? If yes, please call Member Services toll-free at **1-866-689-1523**. Written materials can be translated in other common languages or formats, if needed.

## Welcome to Blue Cross Community Centennial

Welcome to Blue Cross Community Centennial, a health plan administered by Blue Cross and Blue Shield of New Mexico (BCBSNM). All of the doctors, hospitals and other providers in this directory participate in the network that supports your Blue Cross Community Centennial plan. You can visit specialists in this directory without receiving a referral from your PCP. If you wish to visit a provider who is not listed in this directory or who is not contracted directly with BCBSNM for the Blue Cross Community Centennial plan network, you must receive prior authorization from BCBSNM.

The list is current as of the date it was published. Our printed provider directory is updated monthly. If at any time you need a copy, please contact Member Services. BCBSNM will send a provider directory within 10 days of your request. Our directory is also available on our website, **bcbsnm.com/medicaid**, with all the same information as the printed directory. The online provider directory is updated more frequently than the printed directory. Click on the 'Getting Care' tab or on Provider Finder® to access the print directory.

To see the most current list of doctors and other providers in the Blue Cross Community Centennial plan network, use Provider Finder on our website, **bcbsnm.com/medicaid**. This list is updated daily. With Provider Finder, you are able to search for providers using provider type, distance from your address, ZIP code and/or whether or not the provider is accepting new patients. You can also access links on the website for dental and vision providers.

When you make an appointment, please ask to be sure the provider is in the Blue Cross Community Centennial plan network. You can also ask Member Services by calling them at **1-866-689-1523**. If you are speech or hearing impaired, call **711** for TTY service.

If you have Centennial Care Medicaid with Medicare Primary Coverage, your Medicare will not change and you do not have to pick a new doctor or provider.

## Virtual Visits

There is never a good time to get sick, and finding time to see a health care provider can be hard. BCBSNM gives you another way to get care. Blue Cross Community Centennial members can access care for non-emergency health issues and behavioral health needs through MDLIVE®.

Whether you are at home or on the road, you have access to board-certified doctors and psychiatrists or licensed therapists. Access is there for you 24 hours a day, seven days a week. With MDLIVE's virtual visits, you can speak to a doctor quickly or make an appointment based on your availability. The average wait time is less than 10 minutes. Behavioral health consultations with a psychiatrist or licensed therapist are available by appointment only, via secure video. Virtual visits may be a better choice than going to the emergency room or urgent care center.

MDLIVE's board-certified doctors and psychiatrists or licensed therapists can help treat these conditions and more:

### General Health

- Allergies
- Asthma
- Nausea
- Sinus infections
- Cold/flu
- Cough/sore throat
- Ear problems
- Pink eye

### Behavioral Health (by appointment only)

- Anxiety
- Depression
- Child behavior/learning issues
- Marriage problems

Activate your account online by visiting **MDLIVE.com/bcbsnm-centennial** or by calling **1-888-607-2474** (TTY: **711**).

MDLIVE, a separate company, operates and administers the virtual visit program for BCBSNM and is solely responsible for its operations and that of its contracted providers. Virtual visits are subject to the terms and conditions of your benefit plan, including benefits, limitations, and exclusions. MDLIVE operates subject to state regulations and may not be available in certain states.

Non-emergency medical service in Idaho, Montana and New Mexico is limited to interactive audio/video (video only), along with the ability to prescribe. Non-emergency medical service in Arkansas is limited to interactive audio/video (video only) for initial consultation, along with the ability to prescribe. Behavioral health service is limited to interactive audio/video (video only), along with the ability to prescribe, in all states. Service availability depends on location at the time of consultation.

## Care Coordination

The role of the care coordinator is to help members with special health care needs whether at home or in the hospital. Care is centered on the member, focused on the family, when needed, and sensitive to the member's cultural background. Care coordination can help you better identify your medical needs. It also helps you get appropriate services. This includes care coordination among providers in the Blue Cross Community Centennial plan network, as well as out-of-network providers. Your care coordinator can help you with your physical, behavioral, and long-term care needs.

If you have special needs, BCBSNM will assign you a care coordinator who speaks your preferred language and is responsible for coordinating your health care services by:

- Giving you information about providers in BCBSNM's network who may address those needs
- Coordinating medical, behavioral and long-term care services
- Assisting in coordinating care when you also have Medicare or other coverage
- Getting help with different appointments, non-emergency transportation or other needs; or getting community services not covered by Centennial Care
- Making sure care coordination is provided when needed

You can call your care coordinator at **1-877-232-5518**. Select option 3 and then option 2 to discuss your medical, behavioral and long-term care needs. If you are speech or hearing impaired, call **711** for TTY service.

## Follow-Up Care

After a visit to the ER, you may need follow-up care. This follow-up care is meant to keep your health stable or improve and/or resolve your health problem. This is called post-stabilization care. You may receive post-stabilization (follow-up) care in a hospital or other facility. Centennial Care covers this care, but you may need to obtain prior authorization from BCBSNM. For other follow-up care, such as medicine refills or having a cast removed, go to your PCP's office. For help on how to find participating providers and get to their locations, call Member Services at **1-866-689-1523**. If you cannot get in to see your PCP the same day, call the 24/7 Nurseline at **1-877-213-2567**. You can talk to a registered nurse. The nurse can help you know your options. If you are speech or hearing impaired, call **711** for TTY service.

## Non-Emergency Transportation

If you do not have a car or anyone to give you a ride, you may be eligible for transportation to get to your non-emergency medical, behavioral health or long-term care appointments. If you have an emergency and you need help getting to an ER, call **911**. ModivCare coordinates non-emergency transportation for members, including food and lodging expenses, when you have to travel a long distance to get covered medical care.

To request a ride to a scheduled appointment, call the ModivCare Reservation Line at **1-866-913-4342**. Call at least three working days before your visit, Monday through Friday from 8 a.m. to 5 p.m. To return home or to arrange a ride after hours (such as for urgent care), call the Ride Assist phone line. You can call **1-866-418-9829** toll-free 24 hours a day, seven days a week. If you are speech or hearing impaired, call **711** for TTY service.

## Frequently Asked Questions

### What is a primary care provider (PCP)?

Your PCP coordinates all your health care. Your PCP will also arrange your care with other doctors and hospitals. Please call your PCP whenever you have a health need. You must choose a PCP upon enrollment. If you do not select a PCP within 15 calendar days of enrollment, we will choose one for you and notify you in writing of the PCP's name, location and office telephone number. If you need help, we will help you find a new PCP.

### Why is it important to get to know my PCP?

Your PCP knows you best. Your PCP knows your medical history and present state of health. This allows your PCP to make the best decisions when you need medical care. Your PCP can also help arrange visits to specialists.

### How do I make an appointment to see my PCP?

1. Call your PCP's office.
2. Tell the office that you are a Blue Cross Community Centennial member and have your ID card handy.
3. Write down the appointment day and time.

If you need to change or cancel the appointment, call the PCP's office at least 24 hours before your appointment.

### What do I do if I need to see a doctor right away?

1. Call your PCP's office. Ask if you can be seen that day.
2. If you cannot get in that day, call the 24/7 Nurseline at **1-877-213-2567**. If you are speech- or hearing-impaired, call **711** for TTY service. You can talk to a registered nurse. The nurse can help you know your options.
3. If you still need to see a doctor sooner than your PCP can see you, you can go to an urgent care provider. See this provider directory for a list. Or call Member Services at **1-866-689-1523**. If you are speech- or hearing-impaired, call **711** for TTY service.
4. In an emergency, call **911**. If safe to do so, go to the nearest ER. You do not need approval for emergency services.

### What if I am sick and my PCP is not available?

Participating providers have agreed to be accessible 24 hours a day for our members. Call your PCP to learn how to get care. If your PCP is unavailable, he or she will give you access to another doctor.

### How do I change my PCP?

If you would like to change your PCP, please contact BCBSNM Member Services at **1-866-689-1523**. This number is also on the back of your member ID card. If you are speech- or hearing-impaired, call **711** for TTY service.

### What is an in-network provider?

An in-network provider is a provider who is contracted with BCBSNM to provide services to Blue Cross Community Centennial members.

### Frequently Asked Questions (continued)

#### What is an out-of-network provider?

An out-of-network provider is a provider who has not signed a contract with BCBSNM to see Blue Cross Community Centennial members.

#### When do I need prior authorization?

Certain services require approval from BCBSNM. This approval is called prior authorization. If approval is not obtained, those services will not be covered. You must also get prior authorization any time you want to see an out-of-network provider. You may have to pay for services if you did not follow prior authorization guidelines and still received the service. See the member handbook for a list of services requiring approval. To request approval, you or your provider must call BCBSNM Health Services. Call **1-877-232-5518**, Monday through Friday, 8 a.m. to 5 p.m., MT. If you are speech or hearing impaired, call **711** for TTY service. BCBSNM providers know which services need prior approval. They can handle the details for you. Make sure prior approval is received if:

- You are admitted as an inpatient
- You receive any of the services listed as needing approval
- You visit a provider that is not in our provider network

Without approval in these situations, coverage will be denied. If you are a Native American member, you do not need approval to visit Indian Health Service, tribal, and urban Indian providers. For more information, call Member Services at **1-866-689-1523**. If you are speech or hearing impaired, call **711** for TTY service.

#### Do I need a referral to see a specialist?

No. However, make sure the specialist is in the network. Also, see if the services are covered by your plan before you make an appointment. Otherwise, you will be responsible for costs of services not covered. Even if you don't need a referral for some services with specialists, you may need prior approval. Ask your PCP. He or she knows your medical history. Your PCP is best qualified to coordinate your medical care, including visits to specialists.

#### What happens if my PCP or medical group leaves the network?

If your PCP or medical group leaves the network, then you will be notified. To select a new PCP, please contact us. Call the toll-free number on the back of your member ID card.

#### Where can I find answers to more frequently asked questions about Blue Cross Community Centennial?

Go to **[bcbsnm.com/medicaid](https://bcbsnm.com/medicaid)**, consult your member handbook, or call Blue Cross Community Centennial Member Services toll free at **1-866-689-1523**.

If you are speech or hearing impaired, call **711** for TTY service.
