

2023 Commercial Outpatient Benefit Prior Authorization Fully Insured

Medical Surgical Procedure Code List

Posted January 2023 to reference changes through October 2023

For prior authorization requests handled by BCBSNM, there are two ways to initiate your request.	
Online	Registered Availity users may use Availity's Authorizations tool (HIPAA-standard 278 transaction). For instructions, refer to the Availity Authorizations User Guide.
By Phone	Call the prior authorization number on the member's ID card.
For Medical Policy information, please access the BCBSNM Medical Policy Website	
For services that are handled by Carelon Medical Benefits Management (formerly known as AIM Specialty Health® (AIM)), Utilizing the Carelon Medical Benefits Management Web Portal is the most efficient way to initiate a case, check status, review guidelines, view authorization/eligibility and more. Web portal available 24/7. URL: https://www.careloninsights.com/medical-benefits-management/specialty-care	
Or call toll-free at 1-866-745-1789 between 7 a.m. and 7 p.m. Monday through Friday except holidays.	

The following list of outpatient procedure codes may require prior authorization for commercial members. This list is not exhaustive. Codes may be updated throughout the year. The presence of codes on this list does not necessarily indicate coverage under the member benefits contract. Member contracts differ in their benefits. Consult the member benefit booklet or contact a customer service representative to determine coverage for a specific medical service or supply.

PRESS "CTRL" AND "F" KEYS AT THE SAME TIME TO BRING UP THE SEARCH BOX. ENTER A PROCEDURE CODE OR DESCRIPTION OF THE SERVICE.
