Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit getbluenm.com/dsnp or call 1-877-688-1813 to view a copy of the EOC.
- Review the *Provider Finder* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

New Mexico MEDICAID BENEFITS

New Mexico MEDICAID ELIGIBLE MEMBERS

A person who is eligible for both Medicare and Medicaid, and is enrolled in the Blue Cross and Blue Shield of New Mexico Medicaid plan, may enroll in the Blue Cross MA Dual Care Plus Preferred (PPO SNP) plan for their Medicare services.

The benefits described below are covered by Medicaid. The benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits are covered by Medicare. For each benefit listed below, you can see what Centennial Care (Medicaid) covers and what this Blue Cross MA Dual Care Plus Preferred (PPO SNP) plan covers. What you pay for covered services may depend on your level of Medicaid eligibility.

COST-SHARE/COPAYMENT INFORMATION

In the Blue Cross MA Dual Care Plus Preferred (PPO SNP) plan, the member receives Medicare cost-sharing assistance from the state Medicaid program. Coverage of the benefits described below depends upon your level of Medicaid eligibility. No matter what your level of Medicaid eligibility is, Blue Cross MA Dual Care Plus Preferred (PPO SNP) will cover the benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits. If you have questions about your Medicaid eligibility and what benefits you are entitled to call: 1-877-688-1813 (TTY users should call 711). The Medicaid eligibility categories and amount of member cost-sharing are listed below:

IF YOU ARE A QUALIFIED MEDICARE BENEFICIARY (QMB)

You are entitled to payment of Medicare premiums as well as the deductible and coinsurance amounts on Medicare-covered services. To be eligible, you must already have, or be conditionally eligible for Medicare Part A (Hospital Insurance). Medicaid will pay your Medicare premiums, deductibles, and co-insurance charges on Medicare covered services only.

IF YOU ARE A SPECIFIED LOW-INCOME MEDICARE BENEFICIARIES (SLMB)/QUALIFIED INDIVIDUALS (QI1)

You are entitled to payment of your Medicare Part B premiums. For SLMBs, your income must be below 120% of the Federal Poverty Level Guidelines and for QI1's, your income must be between 120-135% of the Federal Poverty Level Guidelines. You must be enrolled in Medicare Part A. Medicaid does not pay the Medicare Part A premium. Since payment of the Medicare Part B premium is the only benefit, no Medicaid card is issued.

IF YOU ARE A QUALIFIED WORKING DISABLED INDIVIDUALS (QWDI)

For a QWDI, Medicaid coverage is limited to payment of the Medicare Part A premium. No Medicaid card is issued.

OTHER INSURANCE

If a Medicaid member has other medical or dental plan coverage, including Medicare, it is important that the member inform the Human Services Department's (HSD) Income Support Division (ISD) office. If the member does not know how to contact ISD, they should call the Medicaid Call Center at 1-888-997-2583 to get that information. The member should tell his or her provider about other insurance before any appointment.

The member should always show all insurance ID cards when he or she sees a provider and/or goes to the hospital. The other insurance plan needs to be billed for the member's health care services before Centennial Care (Medicaid) can be billed. The member's Medicaid Managed Care Organization (MCO) will work with the other insurance plan on payment for these services. The only exception to this is if a member has Indian Health Service (IHS) coverage. Medicaid will pay before IHS does.

If a member has both Medicare and Medicaid, the member has more than one insurance coverage. Medicare is considered as the primary insurance and Medicaid is the secondary insurance. The member's Medicaid benefits will not change the primary insurance benefits.
