Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-877-688-1813 (TTY: 711). We are open 8 a.m. – 8 p.m., local time, 7 days a week. If you are calling from April 1 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays.

Understanding the Benefits

- ☐ Review the full list of benefits found in the *Evidence of Coverage* (EOC), especially for those services for which you routinely see a doctor. Visit getbluenm.com/dsnp or 1-877-688-1813 (TTY: 711) to request a copy of the EOC.
- ☐ Review the *Provider Finder* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the *Pharmacy Directory* to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

If you receive both Medicare and Medicaid benefits, this means you are a dual-eligible beneficiary. Blue Cross MA Dual Care Plus Preferred (PPO D-SNP) may enroll dual-eligibles who are SLMB, QMB, FBDE, QI and QDWI.

Which doctors, hospitals, and pharmacies can I use?

Blue Cross MA Dual Care Plus Preferred (PPO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider Finder* and *Pharmacy Directory* at our website (getbluenm.com/dsnp).

Or, call us at 1-877-688-1813 (TTY: 711) and we will send you a copy of the *Provider Directory* and *Pharmacy Directory*.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan *Formulary* (list of Part D prescription drugs) and any restrictions on our website, getbluenm.com/dsnp.
- Or, call us at 1-877-688-1813 (TTY: 711) and we will send you a copy of the *Formulary*.

How will I determine my drug costs?

You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact Blue Cross and Blue Shield of New Mexico

IF YOU ARE A SLMB, QI1, OR QDWI BENEFICIARY:

Because Medicaid does not pay your cost-share, and you do not have full Medicaid benefits, your cost-share is typically 20%. There are a few exceptions such as preventive wellness exams and most supplemental benefits provided by Blue Cross Medicare Advantage Dual Care Plus, where you will have a 0% cost-share.

when he or she sees a provider and/or goes to the hospital. The other insurance plan needs to be billed for the members health care services before Turquoise Care (Medicaid) can be billed. The member's Medicaid Managed Care Organization (MCO) will work with the other insurance plan on payment for these services. The only exception to this is if a member has Indian Health Service (IHS) coverage. Medicaid will pay before IHS does.

If a member has both Medicare and Medicaid, the member has more than one insurance coverage. Medicare is considered as the primary insurance and Medicaid is the secondary insurance. The members Medicaid benefits will not change the primary insurance benefits.
