Got Shots?

It's almost back to school time. Check now to make sure your child is up to date with their shots. Children's vaccines are available at no charge and with no appointment during "Got Shots?" events. This summer's "Got Shots?" events take place July 29 through August 12. Protect your child from serious, preventable diseases. Go to the New Mexico Department of Health immunization website www.immunizenm.org. Click on the "Got Shots?" logo. There, you will find the clinics hosting "Got Shots?" events. You will also see the days and times for the event. Thanks for protecting your child and our communities from vaccine-preventable diseases.
