

Primary Care That's Always Available

With Galileo, you have access to 24/7 care, straight from your phone.

In-network for Blue Cross and Blue Shield of New Mexico members with Turquoise Care

Access Care Any Time

We're available around the clock, all year round, even on weekends and nights.

No Traveling Needed

Receive care by text, phone, or video in the Galileo app.

Same-Day Care

Let us know how we can help, and a provider will be in touch. No appointment or scheduling needed.

What you can do in the Galileo app:

Get care for most conditions

Refill prescriptions

Request labs and referrals

Access 24/7 patient support
